

PROTECTION OF NEW PLANT VARIETIES REGULATIONS 2008

PU(A) 389/2008

PROTECTION OF NEW PLANT VARIETIES ACT 2004

PROTECTION OF NEW PLANT VARIETIES REGULATIONS 2008

ARRANGEMENT OF REGULATIONS

Regulation

1. Citation and commencement
2. Interpretation
3. Forms
4. Fees
5. Application for registration of new plant variety and grant of breeder's right
6. Filing of application
7. Preliminary examination
8. Request for substantive examination
9. Substantive examination
10. Opposition to registration of new plant variety and grant of breeder's right
11. Reply by applicant
12. Filing of documentary evidence in support
13. Deposit of samples
14. Registration of new plant variety and grant of breeder's right
15. Register of New Plant Varieties
16. Compulsory licence
17. Assignment or transmission of breeder's right schedules

IN exercise of the powers conferred by section 60 of the **Protection of New Plant Varieties Act 2004**[*Act 634*], the Minister makes the following regulations:

20 October 2008

1. Citation and commencement

- (1) These regulations may be cited as the **Protection of New Plant Varieties Regulations 2008**.
- (2) These Regulations come into operation on 20 October 2008.

2. Interpretation

In these Regulations, unless the context otherwise requires, "Registration Office" means the Plant Variety Protection Registration Office of the Department of Agriculture Malaysia.

3. Forms

The forms referred to in these Regulations shall be as prescribed in the First Schedule.

4. Fees

- (1) The fees to be paid under the Act and these Regulations shall be as prescribed in the Second Schedule.
- (2) The fees shall be paid to the Registration Office by such means and in such manner as the Board may direct.

5. Application for registration of new plant variety and grant of breeder's right

- (1) An application for registration of a new plant variety and grant of breeder's right under subsection 12(1) of the Act shall be made to the Board in Form PVBT 1 and shall be accompanied by the prescribed fee.
- (2) Notwithstanding subregulation (1), where a plant variety is bred, or discovered and developed by a farmer, local community or indigenous people, the application for registration of a new plant variety and the grant of breeder's right shall be made to the Board in Form PVBT 2 and shall be accompanied by the prescribed fee.

6. Filing of application

- (1) If the application fulfils the requirements under section 12 of the Act, the Registration Office:-
 - (a) shall record the filing date of the application; and
 - (b) shall notify the applicant in writing of the filing date and the reference number of the application.
- (2) If the application does not fulfil the requirement of paragraph 12(1)
 - (d) of the Act, the Registration Office shall notify the applicant in writing of the amendment needed and the applicant is required to make the necessary amendment within thirty days of the notification.
- (3) If the application does not fulfil the requirements of section 12 of the Act, the Registration Office shall inform the applicant in writing of the reason.

7. Preliminary examination

If, upon preliminary examination conducted in accordance with section 19 of the Act it is found that the requirements under sections 15 and 16 of the Act are not complied with, the Board shall, in accordance with subsection 19(2) of the Act, notify the applicant in writing of the amendment needed to be done and the applicant is required to make the amendment within thirty days upon the notification.

8. Request for substantive examination

(1) A request for substantive examination shall be made to the Board, within thirty days upon notification, in Form PVBT 3 and shall be accompanied by the prescribed fee.

(2) The Board shall determine the method of substantive examination as follows:

- (a) document examination;
- (b) on-site inspection;
- (c) growing test; or
- (d) subsequent growing test (if necessary).

9. Substantive examination

In accordance with subsection 21(2) of the Act, the applicant shall make an observation on the Examiner's reports and make the necessary amendment within thirty days upon receipt of the notice.

10. Opposition to registration of new plant variety and grant of breeder's right

In accordance with section 23 of the Act, any interested person may oppose the registration of a new plant variety and the grant of breeder's right by giving notice to the Board and the applicant in Form PVBT 4.

11. Reply by applicant

(1) In accordance with subsection 24(1) of the Act, the applicant shall, within thirty days after the receipt of the notice of opposition, send a reply stating the grounds for the application for registration of a new plant variety and grant of breeder's right to the Board and opponent in Form PVBT 5.

(2) If the applicant fails to reply to the Board within the period specified in subregulation (1), the Board may grant an extension of fourteen days.

(3) Where the applicant fails to reply after the expiration of thirty days or after the extended period of fourteen days, the applicant shall be deemed to have abandoned his application.

12. Filing of documentary evidence in support

In accordance with section 25 of the Act, the filing of documentary evidence by the applicant or the opponent shall be made in Form PVBT 6 within thirty days upon receipt of notice.

13. Deposit of samples

(1) In accordance with section 27, the applicant shall deposit the samples of the seed or any other propagating material of the plant variety at a centre approved by the Board within three months upon notification.

(2) The quantity of the samples of the seed or any other propagating material of the plant variety to be deposited by the applicant is as follows:

(a) seeds - 1000 seeds or 10 gram, whichever is suitable; or

(b) other propagating material - 10 plants.

14. Registration of new plant variety and grant of breeder's right

The Board shall issue a certificate of registration of new plant variety and grant of breeder's right to the applicant:-

(a) in Form PVBT 7, for the registration of new plant variety and grant of breeder's right under subsection 12(1) of the Act; or

(b) in Form PVBT 8, for the registration of new plant variety and grant of breeder's right where a plant variety is bred, or discovered and developed by a farmer, local community or indigenous people.

15. Register of New Plant Varieties

(1) Any person may apply to inspect the Register of New Plant Varieties by submitting an advanced notice of fourteen days in writing to the Board.

(2) Any person may request for a certified copy or extract of any entry in the Register of New Plant Varieties to the Board in Form PVBT 9 and the request shall be accompanied by the prescribed fee.

16. Compulsory licence

(1) Pursuant to subsection 36(2) of the Act, the breeder's right holder shall make representations within thirty days from the date of notification of the intention of the Board to grant compulsory licence.

(2) Upon considering the representations of the breeder's right holder, or if no representation is received within thirty days as specified in subregulation (1), the Board shall deem that the breeder's right holder has no objection and shall grant the compulsory license within sixty days and inform the breeder's right holder of its decision.

(3) Where the Board grants a compulsory license, the Board shall advertise in the major local dailies by inviting local interested parties to be a licensee.

(4) The application under subregulation (3) shall be made to the Board in Form PVBT 10.

(5) The duration of the compulsory licence under paragraph 37(b) of the Act shall be on a year to year basis.

17. Assignment or transmission of breeder's right

An application for assignment or transmission of a breeder's right shall be made in Form PVBT 11 and shall be accompanied by the prescribed fee.

VARIETY DENOMINATION

4. Variety denomination : _____ (First priority)
_____ (Second priority)
_____ (Third priority)

Plant breeder's reference : _____

Common name of plant: _____

Botanical name : _____
(Genus) (Species)

PARTICULARS OF PLANT VARIETY

5. Particulars on Variety Development (please tick one)

- Conventional Breeding Programme _____
(State parental lines)
- Induced mutation _____
(State parent material)
- Genetic modification _____
(Enclose relevant documents)
- (Please refer to paragraph 12(1)(h) of the Act)
- Others _____
(Please describe)

6. Mode of Pollination

- Self pollination
- Cross pollination

7. Has this variety been subjected to plant quarantine import permit and phytosanitary requirements before being brought into Malaysia? (Not applicable for local varieties)

- Yes (please enclose one copy of permit and certificate)

No

8. Has this variety been sold at the local market?

Yes

If yes, state

a. Date first sold : _____

b. Trade name : _____

No

9. Has this variety been sold at the foreign market?

Yes

If yes, state

a. Date first sold : _____

b. Trade name : _____

No

10. Has the application for plant breeder's

Yes (attach certified copy of the original certificate)

a. Name of country :

b. Date of application is submitted :

c. Date of plant breeder's right :

No

11. State the differences between Applicant Variety and Reference Variety

Reference Variety: _____

Morphology	Characteristics of Applicant Variety	Characteristics of Reference Variety	Differences (supported by photographs)
Growth habit	_____	_____	_____
Stem	_____	_____	_____
Seed	_____	_____	_____

Flowers	_____	_____	_____
Fruits	_____	_____	_____
Leaf	_____	_____	_____
Others	_____	_____	_____

12. Describe how the varieties are maintained

I declare that the above particulars are true and accurate.

I enclose herewith ****Cash/Postal Order/Money Order/Bank Draft No.

_____ with an amount of RM100.00 as a filing fee.

Signature :
