

Pursuant to the Article 57 paragraph 4 of the Law on Marine Fishery and Mariculture (Official Gazette of Montenegro No. 56/09) the Ministry of Agriculture and Rural Development issued the following

RULEBOOK ON THE REGISTER OF FISHING VESSELS

Article 1

This Rulebook lays down the content and the method of keeping the register of fishing vessels (hereinafter referred to as: the Register of Vessels) and the identification symbol of the fishing vessel entered into the Register of Vessels.

Article 2

The registration and deletion of the fishing vessels in/from the Register of Vessels shall be done on the basis of an application from a company, entrepreneur and a certain natural person that, in line with the law, comply with the requirements for commercial fishing.

The application for registration in the Register of Vessels shall be submitted to the administration body in charge of fishery and mariculture affairs (hereinafter referred to as: the administration body) together with the application for issuing of the permit for commercial fishing, after calling of a public advertisement in line with the law.

Article 3

The registration of fishing vessels in the Register of Vessels shall be made on the basis of:

- Quotas of fishing vessels for Montenegro;
- Newly built fishing vessels;
- Change of activity of the fishing vessels and
- Import of fishing vessels.

Article 4

Deletion of fishing vessels from the Register of Vessels shall be made on the basis of:

- Destruction of fishing vessels;
- Change of activity of the fishing vessels;
- Export of fishing vessels;
- Notification from the permit holder on cessation of commercial fishing activities;
- Decision on cancellation of the permit.

Article 5

The permit holder shall, together with the application for registration, or deletion of fishing vessels, as appropriate, present the appropriate evidence on the basis for registration, or deletion of the fishing vessel.

The forms and contents of the application referred to in the Article 2 of this Rulebook are presented in Annexes 1 and 2, which are printed together with this Rulebook that they make an integral part of.

Article 6

The identification symbol of the fishing vessel (CFR) shall contain: the international abbreviation of the state of Montenegro (MNE), the three digit code of the home port of the fishing vessel (001) and the six digit number marking the order in which the fishing vessels are registered in the Register of Vessels (000001)

Article 7

The following data shall be entered in the Register of Vessels:

1) Fishing vessel (basic data):

- vessel's name;
- vessel's home port (HP);
- vessel's registration symbol (EXM);
- crew number;
- vessel's registration port (RP);
- date of the first fishing operation (DOC);

2) Construction of the vessel:

- place of construction of the vessel (POC);
- year of construction of the vessel (YOC);
- construction material of the vessel (HULLM);

3) Tonnage of the vessel:

- tonnage in gross tons (GT);
- tonnage in gross register tons (GRT);
- net register tons (NRT);
- calculated tonnage (BT);
- increase in gross tonnage (GTs);

4) Dimensions of the vessel:

- length over all (LOA);
- length between perpendiculars (LBP);
- vessels width (m);
- vessel's height (m);
- freeboard height (m);
- vessels draught (m);

5) Owner and the person operating the vessel:

- first and last name;
- place and address of residence;
- personal identification number;
- telephone / fax/ e-mail;
- a photo of the owner, or the person operating the vessel;
- a photo of the vessel;

6) Communication equipment on board:

- VHF radio station;
- UHF radio station;
- radio navigation;
- radar;
- satellite system;

- monitoring system;
- IRCS internal radio code;

7) Additional equipment on board:

- network probe;
- sonar;
- sounder;
- cold store plus (m3);
- cold store minus (m3);
- ice maker;
- other equipment;

8) Power generators and auxiliary generators:

- engine number;
- function: main or auxiliary;
- fuel;
- no. of cylinders;
- power in kW;
- model – year of production;
- producer;

9) Support:

- type of support;
- year in which support was received;
- description of the support;

10) Vessel segmentation on the basis of fishing gear;

11) Permit for commercial fishing:

- fishing gear;
- quantity of fishing gear;
- date of the permit issuing;
- place of the permit issuing;
- expiration date for the permit.

Article 8

This Rulebook shall enter into force on the eighth day from the day of its publishing in the Official Gazette of Montenegro.

Ref No.: 320/10-1101-5725/10
Podgorica, January 18, 2011

MINISTER,
Tarzan Milošević

ANNEX 1.

APPLICATION FOR THE REGISTRATION IN THE REGISTER OF VESSELS

Basic information on the vessel		Data on tonnage of the vessel		Dimensions of the vessel		Data on construction of the vessel	
vessel's name		GT		Length overall		place of construction	
vessel's home port		GRT		Length between perpendiculars		year of construction	
vessel's registration symbol		NRT		width		construction material	
crew number		BT		Height			
vessel's registration port		GTs		Freeboard height			
date of the first fishing operation				Draught			
Communication equipment on board		Additional equipment on board		Data on power generators and auxiliary generators			
VHF radio station		network probe		Power generator		Auxiliary generator	
UHF radio station		sonar		engine number		engine number	
radio navigation		sounder		Fuel		Fuel	
Radar		cold store plus (m3)		Number of cylinders		Number of cylinders	
satellite system		cold store minus (m3)		Power in kW		Power in kW	
monitoring system		ice maker		Year of production		Year of production	
internal radio code		other equipment		Producer		Producer	
Data on support received		Data on vessel's owner		Data on person responsible			
type of support		Name / first and last		Name / first and last			
Year		Place and address		Place and address			
description of support		PIB / JMB		PIB / JMB			
		Tel		Tel			
		Fax		Fax			
		Mail		Mail			
		Photograph		Photograph			
		4 photographs of the vessel		4 photographs of the vessel			

ANNEX 2.

APPLICATION FOR DELETION FROM THE REGISTER OF VESSELS

APPLICATION FOR DELETION FROM THE REGISTER OF VESSELS					
Fist name					
Last name					
Vessel's name					
CFR					
Basis for deletion	Destruction of the fishing vessel	Change of activity of the fishing vessel	Export of the fishing vessel	Cessation of commercial fishing	Decision on cancellation of the permit for commercial fishing
