and

The Honorable Pedro R. Guerrero
Speaker, House of Representatives
Seventh Northern Marianas
Commonwealth Legislature
Saipan, MP 96950

Dear Mr. President and Mr. Speaker:

This is to inform you that I have signed into law Senate Bill No. 7-5, S.D.1, to establish an Agricultural Homestead Program for the island of Rota, which was passed by the Seventh Legislature and transmitted to my office on October 12, 1990.

This legislation will hopefully encourage more farming on Rota, and enable full-time farmers to raise their crops and farm animals.

There is a typographical error on page 1, line 17. The number "9" before "2" should be struck out so that it would read "2 CMC..." instead of "92 CMC". This, of course will be corrected by the Law Revision Commission during the updating of the Code.

This bill becomes Public Law No. 7-11. Copies bearing my signature are forwarded for your ready reference.

Sincerely,

LORENZO I. DE LEON GUERRERO
Governor
