

CONSERVATION MEASURE 10-06 (2016)
Scheme to promote compliance by Contracting Party vessels
with CCAMLR conservation measures

Species	all
Area	all
Season	all
Gear	all

The Commission,

Convinced that illegal, unreported and unregulated (IUU) fishing compromises the objective of the Convention,

Aware that a number of vessels registered to Parties and non-Parties are engaged in activities which diminish the effectiveness of CCAMLR conservation measures,

Recalling that Contracting Parties are required to cooperate in taking appropriate action to deter any activities which are not consistent with the objective of the Convention,

Resolved to reinforce its integrated administrative and political measures aimed at eliminating IUU fishing in the Convention Area,

hereby adopts the following conservation measure in accordance with Article IX.2(i) of the Convention:

1. At each annual meeting, the Commission will identify those Contracting Parties whose vessels have engaged in fishing activities in the Convention Area in a manner which has diminished the effectiveness of CCAMLR conservation measures in force, and shall establish a list of such vessels (CP-IUU Vessel List), in accordance with the procedures and criteria set out hereafter.
2. This identification shall be documented, *inter alia*, on reports relating to the application of Conservation Measure 10-03, trade information obtained on the basis of the implementation of Conservation Measure 10-05 and relevant trade statistics such as Food and Agriculture Organization of the United Nations (FAO) and other national or international verifiable statistics, as well as any other information obtained from Port States and/or gathered from the fishing grounds which is suitably documented.
3. Where a Contracting Party obtains information that vessels flying the flag of another Contracting Party have engaged in activities set out in paragraph 5, it shall submit a report containing this information to the Executive Secretary and the Contracting Party concerned in a timely manner. Contracting Parties shall indicate that the information is provided for the purposes of considering whether to include the vessel concerned in the CP-IUU Vessel List under Conservation Measure 10-06. The Executive Secretary shall within one business day circulate the report to the other Contracting Parties and to non-Contracting Parties cooperating with CCAMLR by participating in the Catch Documentation Scheme for *Dissostichus* spp. (CDS), and invite them to communicate any information available to them in respect of the vessels referred to above, including their ownership, operators and their trade activities.
4. For the purposes of this conservation measure, the Contracting Parties are considered as having carried out fishing activities that have diminished the effectiveness of the conservation measures adopted by the Commission if:

- (i) the Parties do not ensure compliance by their vessels with the conservation measures adopted by the Commission and in force, in respect of the fisheries in which they participate that are placed under the competence of CCAMLR;
 - (ii) their vessels are repeatedly included in the CP-IUU Vessel List.
5. In order for a Contracting Party's vessel to be included in the CP-IUU Vessel List there must be evidence, gathered in accordance with paragraphs 2 and 3, that the vessel has:
- (i) engaged in fishing activities in the CAMLR Convention Area without a licence issued in accordance with Conservation Measure 10-02, or in violation of the conditions under which such licence would have been issued in relation to authorised areas, species and time periods; or
 - (ii) not recorded or not declared its catches made in the CAMLR Convention Area in accordance with the reporting system applicable to the fisheries it engaged in, or made false declarations; or
 - (iii) fished during closed fishing periods or in closed areas in contravention of CCAMLR conservation measures; or
 - (iv) used prohibited gear in contravention of applicable CCAMLR conservation measures; or
 - (v) transhipped or participated in joint fishing operations with, supported or re-supplied other vessels identified by CCAMLR as carrying out IUU fishing activities (i.e. vessels on the CP-IUU Vessel List or the NCP-IUU Vessel List established under Conservation Measure 10-07); or
 - (vi) failed to provide, when required under Conservation Measure 10-05, a valid catch document for *Dissostichus* spp.; or
 - (vii) engaged in fishing activities in a manner that undermines the attainment of the objectives of the Convention in waters adjacent to islands within the area to which the Convention applies over which the existence of State sovereignty is recognised by all Contracting Parties, in the terms of the statement made by the Chairman on 19 May 1980; or
 - (viii) engaged in fishing activities contrary to any other CCAMLR conservation measures in a manner that undermines the attainment of the objectives of the Convention according to Article XXII of the Convention.

Draft CP-IUU Vessel List

6. The Executive Secretary shall, before 1 July of each year, draw up a draft list of Contracting Party vessels (the Draft CP-IUU Vessel List), listing all Contracting Party vessels that, on the basis of the information gathered in accordance with paragraphs 2 and 3, and any other information that the Executive Secretary might have obtained in

relation thereto, and the criteria defined in paragraph 4, might be presumed to have engaged in any of the activities referred to in paragraph 5. The Draft CP-IUU Vessel List shall be distributed immediately to the Contracting Parties concerned.

7. Upon receipt of the Draft CP-IUU Vessel List, Contracting Parties whose vessels are included in the Draft CP-IUU Vessel List are encouraged to notify the owners of the vessels of their inclusion in the list and of the consequences of the vessels being included in the Draft CP-IUU Vessel List. Contracting Parties shall transmit their comments to the Executive Secretary before 1 September, including verifiable VMS data and other supporting information showing that the vessels listed have not engaged in the activities which led to their inclusion in the Draft CP-IUU Vessel List.

Provisional CP-IUU Vessel List

8. The Executive Secretary shall create a new list ('the Provisional CP-IUU Vessel List') which shall comprise the Draft CP-IUU Vessel List and all information received pursuant to paragraph 7. Before 1 October, the Executive Secretary shall transmit the Provisional CP-IUU Vessel List, the CP-IUU Vessel List agreed at the previous CCAMLR annual meeting, and any evidence or documented information received since that meeting regarding vessels on the Provisional CP-IUU Vessel List and CP-IUU Vessel List to all Contracting Parties and non-Contracting Parties cooperating with the Commission by participating in the CDS. The Executive Secretary shall at the same time:
 - (i) request non-Contracting Parties cooperating with the Commission by participating in the CDS that, to the extent possible in accordance with their applicable laws and regulations, they do not register or de-register vessels that have been placed on the Provisional CP-IUU Vessel List until such time as the Commission has had the opportunity to consider the List and has made its determination;
 - (ii) invite non-Contracting Parties cooperating with the Commission by participating in the CDS to submit any evidence or documented information regarding vessels on the Provisional CP-IUU Vessel List and CP-IUU Vessel List, at the latest 30 days before the start of the next CCAMLR annual meeting. Where the incident occurs within the month preceding the next CCAMLR annual meeting, evidence or documented information should be provided as soon as possible.
9. Contracting Parties shall take all necessary measures, to the extent possible in accordance with their applicable laws and regulations, in order that:
 - (i) they do not register or de-register vessels that have been placed on the Provisional CP-IUU List until such time as the Commission has had the opportunity to examine the List and has made its determination;
 - (ii) if they do de-register a vessel on the Provisional CP-IUU Vessel List they inform, where possible, the Executive Secretary of the proposed new Flag State of the

vessel, whereupon the Executive Secretary shall inform that State that the vessel is on the Provisional CP-IUU Vessel List and urge that State not to register the vessel.

Proposed and Final CP-IUU Vessel List

10. Contracting Parties shall submit to the Executive Secretary any additional information which might be relevant for the establishment of the CP-IUU Vessel List at the latest 30 days before the start of the CCAMLR annual meeting. A report containing this information shall be submitted in the format set out in paragraph 16, and Contracting Parties shall indicate that the information is provided for the purposes of considering whether to include the vessel concerned in the CP-IUU Vessel List under Conservation Measure 10-06. The Secretariat shall collate all information received and, where this has not been provided in relation to a vessel, attempt to obtain the information in paragraphs 16(i) to (vii).
11. The Executive Secretary shall circulate to Contracting Parties, at the latest 30 days before the start of the CCAMLR annual meeting, all evidence or documented information received under paragraphs 8 and 9, together with any other evidence or documented information received in terms of paragraphs 2 and 3.
12. At each CCAMLR annual meeting, the Standing Committee on Implementation and Compliance (SCIC) shall, by consensus:
 - (i) adopt a Proposed CP-IUU Vessel List, following consideration of the Provisional CP-IUU Vessel List and information and evidence circulated under paragraph 10. The Proposed CP-IUU Vessel List shall be submitted to the Commission for approval;
 - (ii) recommend to the Commission which, if any, vessels should be removed from the CP-IUU Vessel List adopted at the previous CCAMLR annual meeting, following consideration of that List and information and evidence circulated under paragraph 10.
13. SCIC shall include a vessel on the Proposed CP-IUU Vessel List only if one or more of the criteria in paragraph 5 have been satisfied.
14. SCIC shall recommend that the Commission should remove a vessel from the CP-IUU Vessel List if the Contracting Party proves that:
 - (i) the vessel did not take part in the activities described in paragraph 1 which led to the inclusion of the vessel in the CP-IUU Vessel List; or
 - (ii) it has taken effective action in response to the activities in question, including prosecution and imposition of sanctions of adequate severity; or
 - (iii) the vessel has changed ownership, including beneficial ownership if known to be distinct from the registered ownership, and that the new owner can establish the

previous owner no longer has any legal, financial, or real interests in the vessel, or exercises control over it and that the new owner has not participated in IUU fishing; or

- (iv) it has taken measures considered sufficient to ensure the granting of the right to the vessel to fly its flag will not result in IUU fishing.
15. In order to facilitate the work of SCIC and the Commission, the Executive Secretary shall prepare a paper for each CCAMLR annual meeting, summarising and annexing all the information, evidence and comments submitted in respect of each vessel to be considered.
16. The Draft CP-IUU Vessel List, Provisional CP-IUU Vessel List, Proposed CP-IUU Vessel List and the CP-IUU Vessel List shall contain the following details:
- (i) name of vessel and previous names, if any;
 - (ii) flag of vessel and previous flags, if any;
 - (iii) owner of vessel and previous owners, including beneficial owners, if any;
 - (iv) operator of vessel and previous operators, if any;
 - (v) call sign of vessel and previous call signs, if any;
 - (vi) Lloyds/IMO number;
 - (vii) photographs of the vessel, where available;
 - (viii) date vessel was first included on the CP-IUU Vessel List;
 - (ix) summary of activities which justify inclusion of the vessel on the List, together with references to all relevant documents informing of and evidencing those activities;
 - (x) date and location of subsequent sightings of the vessel in the Convention Area, if any, and of any other related activities performed by the vessel contrary to CCAMLR conservation measures.
17. On approval of the CP-IUU Vessel List, the Commission shall request Contracting Parties whose vessels appear thereon to take all necessary measures to address these activities, including if necessary, the withdrawal of the registration or of the fishing licences of these vessels, the nullification of the relevant catch documents and denial of further access to the CDS, and to inform the Commission of the measures taken in this respect.
18. Contracting Parties shall take all necessary measures, subject to and in accordance with their applicable laws and regulations and international law, in order that:
- (i) the issuance of a licence to vessels on the CP-IUU Vessel List to fish in the Convention Area is prohibited;

- (ii) the issuance of a licence to vessels on the CP-IUU Vessel List to fish in waters under their fisheries jurisdiction is prohibited;
- (iii) fishing vessels, support vessels, refuel vessels, mother-ships and cargo vessels flying their flag do not in any way, in the Convention Area, assist vessels on the CP-IUU Vessel List by participating in any transshipment or joint fishing operations, supporting or resupplying such vessels;
- (iv) vessels on the CP-IUU Vessel List should be denied access to ports unless for the purpose of enforcement action or for reasons of *force majeure* or for rendering assistance to vessels, or persons on those vessels, in danger or distress. Vessels allowed entry to port are to be inspected in accordance with relevant conservation measures;
- (v) where port access is granted to such vessels:
 - (a) documentation and other information, including DCDs where relevant are examined, with a view to verifying the area in which the catch was taken; and where the origin cannot be adequately verified, the catch is detained or any landing or transshipment of the catch is refused; and
 - (b) where possible
 - i. in the event catch is found to be taken in contravention of CCAMLR conservation measures, catch is confiscated;
 - ii. all support to such vessels, including non-emergency refuelling, resupplying and repairs is prohibited;
- (vi) the chartering of vessels on the CP-IUU Vessel List is prohibited;
- (vii) granting of their flag to vessels on the CP-IUU Vessel List is refused;
- (viii) imports, exports and re-exports of *Dissostichus* spp. from vessels on the CP-IUU Vessel List are prohibited;
- (ix) 'Export or Re-export Government Authority Validation' is not certified when the shipment (of *Dissostichus* spp.) is declared to have been caught by any vessel on the CP-IUU Vessel List;
- (x) importers, transporters and other sectors concerned are encouraged to refrain from dealing with and from transshipping of fish caught by vessels on the CP-IUU Vessel List;
- (xi) any appropriate information which is suitably documented is collected and submitted to the Executive Secretary, to be forwarded to Contracting Parties, and non-Contracting Parties, entities or fishing entities cooperating with the Commission by participating in the CDS, with the aim of detecting, controlling and preventing the importation or exportation of, and other trade-related activities relating to, catches from vessels on the CP-IUU Vessel List intended to circumvent this conservation measure.

19. The Executive Secretary shall place the CP-IUU Vessel List approved by the Commission on the public section of the CCAMLR website. Furthermore, the Executive Secretary shall communicate the CP-IUU Vessel List to the FAO and appropriate regional fisheries organisations to enhance cooperation between CCAMLR and these organisations for the purposes of preventing, deterring and eliminating IUU fishing.
20. The Executive Secretary shall circulate to non-Contracting Parties cooperating with the Commission by participating in the CDS the CP-IUU Vessel List, together with the request that, to the extent possible in accordance with their applicable laws and regulations, they do not register vessels that have been placed on the List unless they are removed from the List by the Commission.
21. Contracting Parties shall closely monitor any of their vessels included in the Draft, Provisional or Final CP-IUU Vessel List, in order to determine, *inter alia*, any changes of name, flag or registered owner which will be immediately notified to the Executive Secretary.
22. If Contracting Parties obtain new or changed information for vessels on the CP-IUU Vessel List in relation to the details in paragraphs 16(i) to (vii), they shall notify the Executive Secretary who shall place a notification on the secure section of the CCAMLR website and advise all Contracting Parties of the notification. If there are no comments on the information within seven (7) days, the Executive Secretary will revise the CP-IUU Vessel List.
23. Without prejudice to their rights to take proper action consistent with international law, Contracting Parties should not take any trade measures or other sanctions which are inconsistent with their international obligations against vessels using as the basis for the action the fact that the vessel or vessels have been included in the Draft CP-IUU Vessel List drawn up by the Executive Secretary, pursuant to paragraph 6.
24. The Chair of the Commission shall request the Contracting Parties identified pursuant to paragraph 1 to take all necessary measures to avoid diminishing the effectiveness of CCAMLR conservation measures resulting from their vessels' activities, and to advise the Commission of actions taken in that regard.
25. The Commission shall review, at subsequent CCAMLR annual meetings, as appropriate, action taken by those Contracting Parties to which requests have been made pursuant to paragraph 24, and identify those which have not rectified their activities.
26. The Commission shall decide appropriate measures to be taken in respect to *Dissostichus* spp. so as to address these issues with those identified Contracting Parties. In this respect, Contracting Parties may cooperate to adopt appropriate multilaterally agreed trade-related measures, consistent with their obligations as members of the World Trade Organization, that may be necessary to prevent, deter and eliminate the IUU activities identified by the Commission. Multilateral trade-related measures may be used to support cooperative efforts to ensure that trade in *Dissostichus* spp. and its

products does not in any way encourage IUU fishing or otherwise diminish the effectiveness of CCAMLR's conservation measures which are consistent with the United Nations Convention on the Law of the Sea 1982.
