PART III**PREFERENT RIGHT OF STATE TO
PURCHASE AGRICULTURAL LAND****Definition for purposes of Part III**

16. For the purposes of this Part, “certificate of waiver”, in relation to any offer to sell agricultural land in terms of subsection (4) of section 17, means a statement in writing made by the Minister certifying that the State waives its preferent right conferred by subsection (1) of that section and does not intend to acquire the agricultural land in question at the time of the offer.

Vesting in State of preferent right to purchase agricultural land

17. (1) Subject to subsection (3), the State shall have a preferent right to purchase agricultural land whenever any owner of such land intends to alienate such land.

(1A) Whenever one or more members of a company or close corporation which is the owner of agricultural land intends to sell or transfer -

[The verb “intends” should be “intend” to be grammatically correct.]

- (a) in the case of a company, any shares of the company to another person; or
- (b) in the case of a close corporation, any interest or interests in the close corporation, or any portion of such interest, to another person,

it shall, for the purposes of subsection (1) of this section and section 17A(3), be deemed that the company or close corporation in its capacity as owner of the agricultural land held by it, intends to alienate such land.

[subsection (1A) inserted by Act 13 of 2002 and amended by Act 1 of 2014]

Agricultural (Commercial) Land Reform Act 6 of 1995

(1B) An owner of agricultural land who intends to have a usufruct registered over the whole or part of such land in favour of a person, other than a relative of the owner, it is, for the purposes of subsection (1) and section 17B(3), deemed that the owner intends to alienate such land, and for the purpose of this subsection “relative” means spouse, child, parent or sibling of the owner.

[Subsection (1B) inserted by Act 1 of 2014. The cross-reference to section 17B(3) is incorrect as there is no section 17B in the Act; it was probably intended to refer to section 17A(3). There is also a problem with the sentence structure; the provision may have been intended to read as follows:

“Where an owner of agricultural land ~~who~~ intends to have a usufruct registered over the whole or part of such land in favour of a person, other than a relative of the owner, it is, for the purposes of subsection (1) and section 17B(3), deemed that the owner intends to alienate such land, and for the purpose of this subsection “relative” means spouse, child, parent or sibling of the owner.”]

(2) Notwithstanding anything to the contrary in any law contained but subject to subsection (3), no agreement of alienation of agricultural land entered into by the owner of such land, or, in the case where such land is alienated by a company or close corporation in the circumstances contemplated in paragraphs (a) and (b), respectively, of the definition of “alienate”, no agreement of sale or instrument of transfer or transfer otherwise of any shares of the company or of any member’s interest in the close corporation or of any portion of such interest to another person, shall be of any force and effect until the owner of such land -

- (a) has first offered such land for sale to the State; and
- (b) has been furnished with a certificate of waiver in respect of such land and in respect of a specific buyer who in most cases must be a previously disadvantaged person contemplated in Article 23(2) of the Namibian Constitution.

[subsection (2) substituted by Act 13 of 2002, and amended by Act 1 of 2014]

- (3) Subsections (1) and (2) shall not apply where agricultural land is alienated -
 - (a) by or to a regional council or a local authority council or a body corporate as defined in section 1, but only to the extent that such land is alienated otherwise than being sold in the open market;

[paragraph (a) amended by Act 13 of 2002]

 - (i) the other co-owner is a foreign national; or
 - (ii) such land is owned by a company or close corporation; or

- (c) be accompanied by a true copy of the title deed under which such land is held by the owner concerned.

(5) Unless the Minister decides to issue a certificate of waiver to the owner concerned, the Permanent Secretary shall within 60 days after receipt of an offer in terms of subsection (4) refer such offer to the Commission, which shall consider the offer and make its recommendations thereon to the Minister within 30 days after receipt of such referral.

[subsection (5) amended by Act 13 of 2002]

(5A) (a) The owner of agricultural land offered to the State as required by subsection (2)(a) may, by notice in writing given to the Minister through the Permanent Secretary, withdraw such offer at any time before the Minister -

- (i) issues a certificate of waiver to such owner in terms of subsection (5) or (6)(a); or
- (ii) accepts such offer or makes a counter offer for such agricultural land in terms of subsection (6)(b)(i) or (ii).

(b) On receipt of a notice of withdrawal under paragraph (a), the Permanent Secretary shall forthwith refer such notice to the Minister.

(c) A withdrawal of an offer under paragraph (a) shall have effect from the time the notice of withdrawal -

- (i) is delivered or tendered to the Permanent Secretary; or
- (ii) is sent by registered post to the Permanent Secretary.

Agricultural (Commercial) Land Reform Act 6 of 1995

- (aa) make a counter offer to such owner, specifying the price which the Minister is prepared to pay for the land;
- (bb) inform the owner that if such counter offer is not accepted by the owner, the owner must inform the Minister in writing within 14 days of receipt of the counter offer; and
- (iii) after receipt of the letter referred to in paragraph (ii)(bb), the Minister must convene a negotiating committee to negotiate the purchase price with the owner, and advise the Minister.
- (iv) if the negotiating committee and the owner fail to reach an agreement on the purchase price -
 - (aa) the owner, not later than 60 days after the failure to reach the agreement, may make an application to the Lands Tribunal for the determination of the purchase price; and
 - (bb) the committee must forthwith advise the owner of the provisions of subsection (7).

[Subsection (6) is amended by Act 1 of 2014. The structure of the amended provision is problematic, particularly with regard to subparagraphs (iii) and (iv).]

- (6A) (a) The Minister and the owner concerned may at any time before the expiry of the periods of 30 days and 14 days referred to in subsections (5) and (6), respectively, and notwithstanding those subsections, by written agreement extend the period within which -
 - (i) the Commission shall make its recommendations as required by subsection (5);

- (c) Where, in the circumstances contemplated in paragraph (b), an offer is deemed to have been declined, the Minister shall, at the request of the owner concerned, issue a certificate of waiver in respect of the agricultural land offered for sale.

it shall be deemed that the owner has accepted a counter offer made by the Minister in terms of subsection (6)(b)(ii) if, upon expiry of the period specified in subparagraph (iv) of that subsection, the owner has not made application to the Lands Tribunal for the determination of the purchase price.

(8) Where, in the circumstances contemplated in subsection (7), an owner is deemed to have accepted a counter offer made by the Minister, the owner shall, at the request of the Minister, and if the Minister pays to the owner the amount specified in the counter offer or furnishes to the owner a guarantee for the payment of that amount against registration of transfer of the land into the name of the State, cause the land to be transferred to the State through the Government Attorney or, where the Minister and owner have so agreed, through a conveyancer of the owner's choice.

(4) The Minister shall, when an amount is offered as compensation in accordance with subsection (1), (2) or (3), in the notice concerned -

- (a) inform the owner that if the amount offered is not accepted by the owner, the owner may, not later than a date specified by the Minister in the notice, which shall not be sooner than 90 days from the date of notice, make an application to the Lands Tribunal for the determination of the compensation; and
- (b) draw the attention of the owner to the provisions of subsection (5)

(5) Unless the Minister, acting on the recommendations of the Commission, and the owner have agreed otherwise in writing, the owner shall be deemed to have accepted an offer made by the Minister in accordance with subsection (1), (2) or (3) if, upon expiry of the date determined and specified by the Minister in terms of subsection (4), the owner has not made an application to the Lands Tribunal for the determination of the compensation.

(6) Subject to subsection (5), a claim for compensation in terms of section 22(1) and an offer of compensation in accordance with subsection (1), (2) or (3) shall remain in force until it is substituted, either before or after the institution of proceedings for an application to the Lands Tribunal to determine the compensation, by a subsequent claim by the owner or a subsequent offer by the Minister, as the case may be, or until the compensation has been determined by the Lands Tribunal, unless the Minister and the owner have agreed otherwise.

(7) The Minister may from time to time ask for particulars regarding the owner's claim for compensation, and the owner may from time to time ask for particulars regarding the Minister's offer of compensation, and particulars so asked for shall be furnished within a reasonable time.

Advance payment of portion of compensation offered

24. (1) The Minister may, prior to the determination of the amount of compensation payable in terms of this Act for the property in question, but not before the date on which the State takes possession of the property, pay such portion of the amount offered as compensation for the property as the Minister, upon a recommendation of the Commission, may determine, but not more than 80 per cent of that amount, to the owner concerned or the person contemplated in section 30 or deposit such portion of that amount with the Master under the same circumstances under which the Minister should have so paid or deposited such compensation had it been determined on that date.

(2) The payment or deposit of any amount under subsection (1) shall not preclude the determination by agreement or by the Lands Tribunal of a different amount as compensation, but in the event the amount so determined as compensation is less than the portion paid or deposited, the owner to whom or on whose behalf such portion was paid, or the Master, as the case may be, shall refund the difference to the State together with, in the case of such owner, interest at the rate contemplated in section 25(3) from the date on which such portion was so paid, and, in the case of the Master, the interest accrued thereon.

Basis on which compensation is to be determined

Agricultural (Commercial) Land Reform Act 6 of 1995

25. (1) The amount of compensation to be paid to an owner in respect of property expropriated in terms of this Act, shall be determined with due regard to the provisions of subsection (5), but shall not, subject to subsection (2), exceed -

- (a) where the property expropriated is agricultural land, the aggregate of -

 - (ii) an amount to compensate any actual financial loss caused by the expropriation; and
- (b) where the property expropriated is a right, an amount to compensate any actual financial loss caused by the expropriation of the right.

(2) Notwithstanding anything to the contrary contained in this Act, there shall, if the Commission so recommends, be added to the total amount payable in accordance with subsection (1) an amount equal to 10 per cent of such total amount, but not more than N\$10 000.

(3) Interest at the standard interest rate determined in terms of section 35(a) of the State Finance Act, 1991 (Act 31 of 1991), shall, subject to subsection (4), be payable from the date on which the State takes possession of the property in question in terms of section 21(2) on any outstanding portion of the amount of compensation payable in accordance with subsection (1): Provided that -

- (a) in a case contemplated in section 31(4), in respect of the period calculated from the termination of 30 days from the date on which -
 - (i) the property was so taken possession of, if prior to that date compensation for the property was offered or agreed upon; or
 - (ii) compensation for the property was offered or agreed upon, if possession thereof was taken before such offer or agreement,

to the date on which the dispute was settled or the doubt was removed or the owner and the buyer or the mortgagee or the builder notified the Minister, as contemplated in section 30, as to the payment of the compensation money, the amount so payable shall, for the purposes of the payment of interest, be deemed not to be an outstanding amount.

- (b) if the owner fails to comply with the provisions of subsection (1) of section 22 within the period referred to in that subsection or an extension of that period under subsection (4) of that section, the amount so payable shall during the period of such failure and for the purpose of the payment of interest be deemed not to be an outstanding amount.

(4) If the owner of expropriated property occupies or uses that property or any portion thereof, interest in terms of subsection (3) shall, in respect of the period of such occupation or use, be paid only on that portion of the outstanding amount as exceeds the reasonable value, as determined by the Minister on the recommendation of the Commission, of the benefit procured by the owner by such occupation or use.

(5) In determining the amount of compensation to be paid for property expropriated in terms of section 20, the following considerations shall apply, namely -

- (c) no allowance shall be made for any unregistered right in respect of any other property or for any indirect damage or anything done with the object of obtaining compensation therefor;
- (d) any enhancement or depreciation, before or after the date of notice, in the value of the property in question, which may be due to the purpose for which or in connection with which the property is being expropriated, or which is a consequence of any work or act which the State may carry out or perform or already has carried out or performed or intends to carry out or perform in connection with such purpose, shall not be taken into account;
- (e) account shall be taken of any benefit which will enure to the person to be compensated -
 - (i) from any works which the State has built or constructed or has undertaken to build or construct on behalf of such person to compensate in whole or in part any financial loss which such person will suffer in consequence of the expropriation;
 - (ii) in consequence of the expropriation of the property for the purpose for which it was expropriated.

26. (1) A lessee whose unregistered lease in respect of expropriated agricultural land has been terminated by virtue of the provisions of section 32 shall be entitled, subject to subsections (2) and (3) of this section, to the payment of compensation as if the lessee's right were a registered right in respect of the land which was also expropriated on the date of expropriation of the land.

(2) Where the Minister is aware that agricultural land which is being expropriated is leased under an unregistered lease, the Minister shall simultaneously with the expropriation notice in question to the owner of the land, or as soon as possible thereafter, send to the lessee in question a notice in which such lessee is informed of the expropriation, and thereupon the provisions of sections 20, 22, 23 and 24 shall *mutatis mutandis* apply as if such notice were a notice of expropriation under section 20(1) in respect of the rights of such lessee.

(3) If the owner of expropriated agricultural land fails to comply with the provisions of section 22(1)(d)(i) and the Minister did not prior to the payment of any compensation to the owner become aware of the existence of the unregistered lease in respect of such property, the State shall not be obliged to pay compensation to the lessee concerned in respect of the termination of the rights under the relevant lease, but such owner shall be liable to any such lessee for damages suffered by the lessee in consequence of the termination of those rights.

(2) If the owner has claimed an amount in terms of section 22(1), no proceedings for an application as contemplated in subsection (1) shall be instituted before the expiry of a period of 60 days after such amount was claimed.

(3) The provisions of subsection (1) shall not be construed as preventing the Minister and an owner, or a lessee under an unregistered lease, from submitting by agreement any dispute concerning the amount of compensation to be paid in terms of this Act in respect of the expropriation of property, to arbitration in terms of the Arbitration Act, 1965 (Act 42 of 1965).

- (4) (a) A party to an application contemplated in subsection (1) may, at any time before or during the hearing of such application, make a written offer to the other party to such application for the settlement of the dispute, and may do so without prejudice.
- (b) The party making the offer may therein accept liability for costs or a portion thereof, and if the offer does not state whether or not the party concerned accepts liability for costs or a portion thereof, that party shall be deemed to have made also an offer to pay the other party's costs up to the date of the offer.
- (c) The party to whom the offer is made, may accept the offer -
- (i) if the offer is made not less than seven days prior to the commencement of the hearing of the application, within seven days; or
 - (ii) if the offer was made less than seven days prior to the commencement of the hearing, within twenty-four hours; or
 - (iii) with the consent of the party who makes the offer, at any time.
- (d) Acceptance of the offer shall terminate the proceedings, except as regards disputes relating to the interpretation of the offer or to costs.
- (e) If such an offer to settle the dispute is not accepted and the Lands Tribunal determines the compensation at an amount -
- (i) which is equal to or in excess of the amount of the offer by the owner, the Lands Tribunal shall order the Minister to pay the owner's costs incurred after the date of the offer;
 - (ii) which is equal to or less than the amount of the offer by the Minister, the Lands Tribunal shall order the owner to pay the Minister's costs incurred after the date of the offer.

- (g) If the Lands Tribunal has made an order as to costs without knowledge of an offer which had not been accepted and non-acceptance thereof is brought to the notice of the Lands Tribunal within five days from the date of the determination of the compensation by it, costs shall be reconsidered in the light thereof.

(2) Notwithstanding the provisions of subsection (1), the Lands Tribunal shall in its discretion decide as to the costs -

- (a) in a case not mentioned in subsection (1);
- (b) if any party did not within a reasonable time comply with a request under section 23(7);
- (c) if any party abused the provisions of section 23(7); or

Effect of application for determination of compensation and of noting of appeal

29. Notwithstanding any application in terms of section 27(1) for the determination of compensation or an appeal against such a determination of the Lands Tribunal, the other provisions of this Act shall apply as if no such application or appeal had been made.

(3) The provisions of subsections (1) and (2) shall not affect the jurisdiction of a court to make an order in respect of any moneys in question.

(4) In the event of a dispute or doubt as to the person entitled to receive any compensation payable in terms of this Part, or in the event of the issue of an interdict by a competent court in respect of the payment of any such compensation, or if the owner and any mortgagee or any purchaser or any builder did not notify the Minister in terms of section 30 about the payment of such compensation, the Minister shall, subject to the provisions of subsection (3) of that section, pay the amount of such compensation to the Master.
