(g) Blue Sheep (<i>Jharal</i>) –	1

⁵ Amended by Third Amendment.

prevailing laws, for the arms and ammunitions (weapons) that has to be used to kill those wildlife or birds which are desired to be hunted.

(3) The chief shall determine (fix) the annual quota of the wild lives that has been allowed to be hunted in a hunting reserve, and the license shall only be issued not exceeding the quota, which has been fixed as such.

(4) Notwithstanding anything contained in sub-rule (1), (2) and (3) the Government of Nepal, if deemed necessary for the proper protection of any wildlife and birds, may reduce the number of wildlife or birds that has been allowed to hunt in any district, hunting reserve or any other area or may suspend the issuance of such license.

14. Prohibition to assist in a hunting without a license

(AnugyaPatra): Without obtaining a license pursuant to Rule 15 or 16, no person shall be allowed to assist in a hunting as a professional hunter or in showing the wildlife or birds as being a hunter, to a person in terms of taking the wage, prize or rent.

15. Professional Hunting License: (1) The Chief may issue a license of a professional hunter to the person who is experienced in the management of the necessary apparatus for the hunting and travel campaign groups, in both the Mountain and Terai regions of Nepal, for a long time and having the knowledge of the Acts and the Rules framed under the Act and by⁷taking the fees as pursuant to Schedule -1.

(2) The license issued as pursuant to Sub-rule (1) shall be valid for one year. The person desiring to obtain this type of license shall submit the certificate of proficiency to operate the concerned activities and other certificates showing his/her economic status, while applying for the license.

⁷ Inserted by the Third Amendment.

(3) The chief if deemed necessary may prescribe additional terms and restrictions that has to be followed by the person receiving the license licensee as pursuant to Sub-rule (1) and such licensee shall not be allowed to hunt any wildlife even in any circumstances except for self-protection or to stop the wounded wildlife from escaping which has been injured by the person obtaining the hunting license.

16. Hunting guide license (AnugyaPatra): ⁸(1) The concerned district forest controller may issue a hunting guide license to any person on the basis of the following criteria by taking the fees as pursuant to Schedule -1 and such hunting guide license issuing officer shall send one copy of such license to the chief :-

- (a) If it has been realized that the applicant is acquainted with the wildlife or bird hunting within the area where he/she has been desiring to work.
- (b) If it has been realized that the applicant has knowledge of the Act and the Rules framed under the Act as well as he/she is competent to perform the job of a hunting guide.

(2) The person obtaining the hunting guide license pursuant to Sub-rule (1) shall be allowed to perform the job of guiding the hunters only in a district or the districts prescribed in the license.

(3) The Chief or any officer assigned by the Government of Nepal for that job if deemed necessary, he/she may prescribe additional terms and restrictions that has to be followed by the person receiving the hunting guide license as pursuant to Sub-rule (1) and such licensee shall not be allowed to hunt any wildlife even in any circumstances except for self protection or to stop the wounded wildlife from escaping, which has been injured by the person obtaining the hunting license.

⁸ Amended by Third Amendment.

17. **No more than one license shall be issued:** No more than one hunting license at a time shall be issued to any person.

Provided that,

This Rule does not restrict to obtain the supplementary hunting license as pursuant to Rule 11 and the bird hunting license as pursuant to Rule 12.

18. **License, the wildlife, the trophies or the arms and ammunitions have to be shown:** The licensee shall keep the license received by him/herself with him/her, while going to a hunting and If an employee among the employees of the National Park, hunting reserve or other forest office and up to the designation prescribed by the Government of Nepal wants to inspect the hunting register, killed or captured wildlife or birds, trophies or arms and ammunitions which are together any person then he/she shall show it to them.
19. **License (AnugyaPatra) not to be transferred:** The licensee shall not transfer the license obtained by him/her self to anyone in any form.
20. **License (Anugya Patra) to be returned:** The licensee shall return the license along with the hunting register, within the thirty-five days of expiry of the license which has been obtained by him/her. District Hunting License shall be returned to the place from where it has been received and other types of licenses shall be returned to the National Parks and Wildlife Conservation Office or to the place from where that has been received.
21. **⁹Block (Kshetra) reservation license in hunting reserve:** Any officer assigned to the job by the chief or the Government of Nepal may issue block reservation license to the licensee of District Hunting License or General Hunting License to hunt within the hunting reserve by taking the fees as pursuant to Schedule - 1. It has been prohibited to

⁹ Amended by Third Amendment.

allow to play or to assist to make playing the hunting by the foreigners, by making reservation of the block in the name of a Nepalese citizen.

22. License to be obtained to collect the specimen (sample) or to catch or to hunt the wildlife or birds: (1) Any person desiring to catch or hunt any wildlife or birds or to collect any other insects, bacteria, fish or any natural products for the scientific research shall submit an application before the Chief.

(2) If the person submitting the application pursuant to Sub-rule (1) ¹⁰ has been the official of any recognized academic institution or zoo or scientific laboratory and If it has been believed that such a person can catch or take care in the following way, the Chief may issue a license in the case of other wildlife or birds except than those mentioned in Schedule -1 of the Act, to hunt the concerned wildlife or birds or to catch the insects or bacteria by taking the fees as pursuant to Schedule -2.

- (a) If the applicant will make the supervision of the activity for catching or collecting of the concerned wildlife, birds or insects, bacteria etc. by attending him/her self or by sending an expert representative for that job,
- (b) If the technique for catching the, concerned wildlife or birds has been considered appropriate and not causing more torture than that has to be required,
- (c) If have the ability to make an appropriate care to transfer the caught wildlife or birds.

23. The fees required to catch the wildlife and birds: The fees required to catch the wildlife and birds or insects or bacteria pursuant to

¹⁰ Amended by Third Amendment.

Rule 22 shall be as prescribed in Schedule -2 and such fees may be paid as follows –

- (a) The chief may recover the required fees from the applicant by making a condition that the whole required fee or its fifty percent to be paid at the beginning and the Fifty percent after catching the concerned wildlife or birds.
- (b) If any wildlife or birds died during the catching or after catching, it shall be counted in the number that has been allowed to catch in the license and the fees required for them shall also be paid.
- (c) If the Chief has convinced that any licensee, who has received the license to catch any wildlife or birds, has been unable to catch any wildlife or any wildlife or bird has not died or been injured during the catching, he/she shall return up to seventy-five percent of the amount of the fees that has to be paid by the licensee.

24. The application to be submitted for a license and permit, and

its format and fees: (1) The format of the license and permit that has to be issued pursuant to these Rules shall be as prescribed in Schedule - 5, 7, 9 and 11 and the format of the application to be submitted to receive these shall be as prescribed in Schedule -3, 4, 6, 8 and 10. The person applying for Hunting License and Hunting Guide License shall also submit two copies of his/her recently taken photograph.

(2) The person receiving a license or a permit pursuant to Sub-rule (1) shall pay the fees required as pursuant to Schedule -1.

25. Provisions for providing a hunting license to a foreign citizen:

While issuing any type of hunting license to a foreign citizen, a condition may be imposed by allowing him/her to go for hunting only with the professional hunting license holder (licensee).

Provided that,

If the license issuing officer has realized that any foreign citizen has the ability for hunting without the assistance of a professional hunter and he/she has been generally acquainted with the Act and the Rules that has been framed under the Act, an exemption may be provided to go for hunting even without the company of professional hunter.

26. **License to be suspended:** If a crime has been made against the license or permit issued as pursuant to these Rules, then during the proceeding of the case related to such crime, the competent officer having jurisdiction to hear such cases may issue an order to suspend the license or permit obtained by the culprit till the decision has not been received on the submission that has been made before the Government of Nepal.
27. **The copy (duplicate) of the license to be provided:** If the Chief or any other officer assigned by the Government of Nepal for the job considers that it is reasonable (appropriate) to issue the duplicate of the license or permit if any type of license or permit has been lost or damaged by taking the fees required as pursuant to Schedule -1. The validity of such license or permit that has been provided as a duplicate shall be only for the rest of the valid period of the original license or permit.

Chapter – 5

Miscellaneous

28. **Hunting Register:** Each hunting license shall consist a hunting register in which the full and accurate record of all wildlife and birds that has been injured or killed by the licensee during the course of hunting shall be mentioned. The place, date, species, male, female (for wildlife only) of each wildlife or birds, that has been killed shall be clearly mentioned with the permanent ink in the hunting register

pursuant to Schedule -12 and within the twelve hours of the killing of the animal or birds or prior to leaving the hunting reserve.

29. The wildlife killed in excess to the prescribed type or number to be submitted: If any wildlife or birds of different types than the type that has to be allowed to hunt as according to the obtained license or excess in number than the number that has to be allowed to hunt has been killed or injured by accident, during the hunting by a person then the number and type of such injured or killed wildlife or birds shall be mentioned in his/her hunting register and the killed wildlife or birds that has been collected, shall be submitted to the ¹¹same reserve or nearby forest office.

¹²**29.A. License to catch the wild boar:** (1) If any Nepalese citizen has submitted an application to catch the cub of wild boar from other area than the area of a National Park or a Reserve, the concerned D.F.O. or Chief may issue a license in the format prescribed in Schedule -12A, by taking ¹³One hundred Rupees fee for each cubs of wild boar from such person.

(2) The wild boar to be caught as pursuant to the license shall not be allowed for export.

(3) If a wild boar has died while catching in accordance with the license, no other wild boar shall be allowed to be caught instead of that one.

¹⁴(4)

30. For the export, import or trade of the trophy a recommendation has to be obtained: (1) While submitting an application to obtain a written recommendation of the Government of

¹¹ Inserted by Third Amendment.

¹² Amended by Second Amendment.

¹³ Amended by Third Amendment.

¹⁴ Deleted by the Third Amendment.

Nepal, Ministry of Forest for the purpose of commercial export or import of the trophy, the evidence for the trophy, name of the concerned company, institution or person from the importing country of such trophy and the copy of the exchanged documents related to it also shall be submitted.

(2) If the person asking for the recommendation pursuant to Sub-rule (1) has been seen capable for the export or import of the trophies, the Government of Nepal, Ministry of Forest shall issue a recommendation letter as pursuant to Schedule - 13 by taking the required fees as pursuant to Schedule -1.

- 31. The transit route for export import may be prescribed:** The Government of Nepal may allow to export or import of the trophies only through the custom (transit) prescribed by publishing a notice in the Nepal Gazette and if such prescription has been made, the person having the license for the export or import of trophies shall export or import of the trophy only through that custom (transit).
- 32. Transfer of trophy:** Any person while selling or exchanging or making any type of transfer of title of any trophy that has been possessed by him/her as pursuant to Section 19 of the Act, shall also hand over the certificate of ownership of such trophy to the person receiving such trophy.
- ¹⁵**33. ¹⁵ Amended by First Amendment.

the authorized officer pursuant to Sub-rule (2) ¹⁶within the last date (Masant) of Poush, 2036.

(2) The certificate of the trophy issuing officer as pursuant to Sub-rule (1) shall be the following official for the following region :-

- (a) For the districts within the Kathmandu Valley, the Chief of the National Parks and Wildlife Reserve Office,
- (b) For other districts, the Conservator or D.F.O. of the concerned district,
- (c) For the districts which does not fall under the jurisdiction of any conservator or D.F.O., the chief District Officer of the concerned district.

(3) The certificate pursuant to Sub-section (2) of Section 17 and Sub-section (1) of Section 18 shall be issued in the format prescribed in the Schedule -15.

(4) The authorized official responsible to issue the legal ownership certificate pursuant to Sub-rule (3) shall stamp (seal) of his/her office in all the trophies and the detail of such stamp (seal) or proof (sign) shall also be mentioned in the legal certificate of ownership.

34. The injured wildlife also be counted in the number to be hunted: If the licensee injured to the wildlife during the hunting, it shall be killed by finding out as early as possible and the detail of such injured wildlife shall be mentioned in his/her hunting register.

Provided that,

Even if the wounded wildlife has not been traced (founded), it shall be counted in the number of wildlife that has to be hunted by the licensee.

¹⁶ Amended by Third Amendment.

35. Notice to be given: (1) While hunting, if someone has not been able to kill any ferocious wildlife by making them wounded then a notice shall be given as early as possible to ¹⁷the reserve or the nearby forest office mentioning the types of such wildlife and any other details, if available, and ¹⁸in such circumstances the concerned reserve or forest office shall also notify to the residents of all surrounding villages or towns to be careful of such wildlife.

(2) If any wildlife has been wounded or died while using the arms and ammunitions by someone for the protection of him/her self or any other person or any domestic animal as pursuant to Section 21 of the Act, it's notice shall be given to the ¹⁹chief of the any nearby office of the National Parks or Reserve or Forest Office in the districts where such office exists and within the twenty four hours except than the required time for travel.

36. Any wildlife or birds may be declared dangerous:
Notwithstanding anything mentioned above in the Rules, the Government of Nepal, Ministry of Forest and Land Conservation may declare any other wildlife or birds, except than those wildlife and birds mentioned in Schedule -1 of the Act, as a dangerous (harmful) to the agriculture in any particular area for a particular period of time, by publishing a notice in Nepal Gazette and the wildlife or birds, and such declared dangerous wildlife or birds may be chased, caught or killed in the field, farm or garden even without a license and under the terms and restrictions prescribed in that notice.

37. The amendment may be made on Schedule: The Government of Nepal if deemed necessary may make amendment in the Schedule of the Rules, by publishing notice in the Nepal Gazette.

¹⁷ Inserted by Third Amendment.

¹⁸ Inserted by Third Amendment.

¹⁹ Inserted by Third Amendment.

²⁰**38. Adjudicating Authority:** (1) The warden of the concerned National Park or Reserve shall have the power to adjudicate the cases of the offenses under the Rules and for other territory (area) it shall have to the concerned District Forest Controller.

(2) Without any adverse effect on the general validity of Sub-rule (1), the power to adjudicate the cases of the following offenses shall be on the assistant warden of the concerned National Park or Reserve and in his/her absence or unavailability, it shall be on the area forest conservator.

- (a) If entered in the National Park or Reserve without a permit,
- (b) If killed, caught or wounded wildlife has not been mentioned in the hunting register,
- (c) If played hunting without keeping the license together with him/herself,
- (d) If the camp established in another place other than the place prescribed,
- (e) If violated any terms and conditions prescribed in the hunting license,
- (f) If a plant or tree, up to the value of five hundred rupees, has been cut, fell down or destroyed in any way within the National Park or Reserve.

39. Repeal: Hunting Rules, 2026 has been repealed.

Note: 1. Backlog cases to be transferred: The cases that have been registered before the Conservator and Chief District Officer under the original Rules and remaining to be decided at the time of commencement of these Rules shall be transferred before (to) the D.F.O. (District Forest Officer) after the

²⁰ Inserted by Third Amendment.

commencement of these Rules. (As according to the Rule 6 of Second Amendment)

2. **Alteration:** In place of the following words, which has been used in the original Rules by the third amendment, alteration has been made by inserting the following words:-

- (a) Instead of "Ministry of Forest", "Ministry of Forests and Soil Conservation".
- (b) Instead of "National Park and Wildlife Conservation Office", "National Park and Wildlife Conservation Department."
- (c) Instead of "D.F.O.", "District Forest Controller".
- (d) Instead of "Ranger", "Area Forest Conservator".
