Short title

1. These regulations may be cited as the Waste Diversion Regulations .

Back to Top

Definitions

2. In these regulations

(a) "Act" means the Environmental Protection Act ;

(b) "designated material" means a material designated by the minister under section 3;

(c) "effective date" means the date stated in accordance with paragraph 4(e); and

(d) "waste disposal site" means real property, a building or a structure upon which waste material is deposited and disposed of in accordance with an approval.

Designated material ban

3. The minister may, for a specified area of the province or a part of the province, designate a material as a designated material that is banned from disposal into one or more waste disposal sites.

[Back to Top](#)

Ban information

4. (1) Where the minister makes a designation under section 3, that designation shall

(a) be in writing;

(b) describe the banned designated material;

(c) describe the area to which the designated material ban applies;

(d) indicate the waste disposal sites that shall not accept the banned designated material for disposal; and

(e) state the date upon which the designated material ban will come into effect.

(2) The minister may vary or revoke a designation made under section 3 and paragraphs (1)(a) to (e), with the necessary changes, shall apply to that variation or revocation.
