- (4) If the Tribunal requires information to be sent to a customer under subsection (2), the SCA may satisfy that requirement by sending the information to the customer with the next account or bill to be sent to the customer by the SCA or, if the SCA is sending other information to that customer before the next account or bill, with that other information.
- (5) Action may be taken under this section only if the SCA has knowingly contravened the operating licence.
- (6) The monetary penalty that the Tribunal may impose under this section must not exceed \$10,000 for the first day on which the contravention concerned occurs and a further \$1,000 for each subsequent day (not exceeding 30 days) on which the contravention continues.
- (7) The Tribunal must not take action under this section unless:
 - (a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and

- (b) the Tribunal has considered the action that the SCA has taken or is likely to take in respect of the contravention and the cost to the SCA in taking that action, and is satisfied that it is nevertheless appropriate to take action under this section.
- (8) The Tribunal is required to consider the seriousness of the contravention concerned in determining to impose a monetary penalty under this section.
- (9) The Tribunal must not take action under this section unless:
 - (a) notice of the proposed action has been given to the SCA, and
 - (b) the SCA has been given a reasonable opportunity to make submissions with respect to the proposed action, and

- (3) If the person given a catchment correction notice complies with the notice but was not the person who carried out the targeted activity, the cost of complying with the notice may be recovered by the person who complied with the notice as a debt in a court of competent jurisdiction from the person who carried out the targeted activity.
