6 Dedication of former State forest as nature reserve

- (1) This section has effect subject to section 9.
- (2) The lands described in Part 25 of Schedule 2 are dedicated as a nature reserve to be known as "Koorebang Nature Reserve".
- (3) The lands described in Part 26 of Schedule 2 are dedicated as part of Nadgee Nature Reserve.

7 Revocation of reservation, and reservation, of other lands as national park

- (1) The reservation of land as Barrington Tops National Park is, to the extent that that reservation applies to the land described in Part 1 of Schedule 3, revoked. The land described in that Part is reserved as part of Mount Royal National Park.
- (2) The reservation of land as Werrikimbe National Park is, to the extent that that reservation applies to the land described in Part 2 of Schedule 3, revoked. The land described in that Part is reserved as part of Oxley Wild Rivers National Park.

8 Alteration of names of certain national parks

The name of each of the following national parks is altered to South East Forest National Park with the intention that, on the commencement of this Act, each of the parks becomes part of that Park:

Bemboka National Park
Coolangubra National Park
Genoa National Park
Tantawangalo National Park
Yowaka National Park.

9 Special provision as to access roads

(1) In this section: "**access roads**" means the roads, tracks, trails and other means of access referred to in subsection (2) (a)-(o). "**Environment Minister**" means the Minister administering the *National Parks and Wildlife Act 1974*. "**private land holding**" means land held:

(a) by an owner within the meaning of the *National Parks and Wildlife Act 1974*,
or

(b) as a holding within the meaning of the *Crown Land Management Act 2016*.

(2) This section applies to and in respect of the following roads, tracks, trails and other means of access situated within the lands referred to in Schedule 2 immediately before the commencement of this Act:

(a) all that piece or parcel of land approximately 3 km east of Daunceys Road running roughly south from Mussel Road to Wonboyn River within East Boyd State Forest No 127 indicated on diagram catalogued Misc F 1241 in the Forestry Commission of New South Wales and situated within the proposed additions to Ben Boyd National Park,

(b) all that piece or parcel of land comprising part of Chandlers Creek Fire Trail, Joebill Road, Shannon Creek Road, Marara Road, Middle Creek Road and Quartz Road within Chaelundi State Forest No 996, Boundary Creek State Forest No 627 and Marara State Forest No 628 indicated on diagram catalogued Misc F 1249 in the Forestry Commission of New South Wales and situated within the proposed Chaelundi National Park,

(c) all that piece or parcel of land comprising part of Hanging Rock Road, Kosekai Road and Wilkes Road within Mistake State Forest No 525 indicated on diagram catalogued Misc F 1253 in the Forestry Commission of New South Wales and situated within the proposed Dunggir National Park,

(d) all that piece or parcel of land 10 m wide and approximately 7.5 km long within Fortis Creek State Forest embracing the formation of Wiljulen Trail from Coaldale Road to Portion 16, Parish of Whiteman and situated within the proposed Fortis Creek National Park,

(e) all that piece or parcel of land 20 m wide within Paddys Land State Forest No 362 embracing the formation of Paddys Land Road and situated within the proposed additions to Guy Fawkes River National Park,

(f) all that piece or parcel of land comprising part of Mount Royal Road within Mount Royal State Forest No 297 indicated on diagram catalogued Misc F 1252 in the Forestry Commission of New South Wales and situated within the proposed Mount Royal National Park,

(g) all that piece or parcel of land comprising part of Black Mountain Road within Kangaroo River State Forest No 21 indicated on diagram catalogued Misc F 1251 in the Forestry Commission of New South Wales and all land west of Black Mountain Road between Portion 72, Parish of Bardool and the Nymboida-Kangaroo River Road and situated within the proposed Nymboi-Binderay National Park,

(h) all that piece or parcel of land comprising part of Culmarin Creek Forest Road and Cambridge Plateau Forest Road within Richmond Range State Forest No 610 indicated on diagram catalogued Misc F 1248 in the Forestry Commission of New South Wales and situated within the proposed Richmond Range National Park,

(i) all that piece or parcel of land comprising part of Nitens Road and Bull Road within Glenbog State Forest No 149 indicated on diagram catalogued Misc F 1243 in the Forestry Commission of New South Wales and situated within the proposed South East Forest National Park,

(j) all that piece or parcel of land comprising part of Rockton Fire Trail within the Bondi State Forest No 128 indicated on diagram catalogued Misc F 1247 in the

Forestry Commission of New South Wales and situated within the proposed South East Forest National Park,

(k) all that piece or parcel of land comprising part of Farnell Road within Spirabo State Forest No 321 and Morven Fire Trail within Curramore State Forest No 763 indicated on diagram catalogued Misc F 1268 in the Forestry Commission of New South Wales and situated within the proposed additions to Washpool National Park,

(l) all that piece or parcel of land comprising part of the access road from Forbes River Road to Portion 12, Parish of Moorabark within Mount Boss State Forest No 910 indicated on diagram catalogued Misc F 1250 in the Forestry Commission of New South Wales and situated within the proposed additions to Werrikimbe National Park,

(m) roads of access within the meaning of section 33A of the *Forestry Act 1916*,

(n) roads used, immediately before the commencement of this Act, for access to private land holdings within the lands referred to in this section,

(o) roads through the lands referred to in this section to State forests or private land holdings that adjoin or are in the vicinity of the lands.

(3) The access roads to which this section applies are not, on the commencement of this Act, reserved as, or as part of, a national park by the operation of section 5 or dedicated as, or as part of, a nature reserve by the operation of section 6 but vest in the Environment Minister on behalf of the Crown for the purposes of Part 11 of the *National Parks and Wildlife Act 1974* for an estate in fee simple, freed and discharged from:

(a) all trusts, obligations, estates, interests, rights of way or other easements, and

(b) any dedication, reservation, Crown grant or vesting to which the lands were subject, and any such dedication, reservation, grant or vesting is revoked by the operation of this section.

(4) The access roads may continue, subject to this section, to be used for the purposes for which they were used immediately before the commencement of this Act.

(5) Within 6 months after the commencement of this Act (or within such further period as the Environment Minister may, by notice published in the Gazette, notify before the expiration of that period) the Environment Minister must, by one or more orders published in the Gazette, declare which of the access roads to which this section applies:

(a) are excluded from reservation as part of a national park or dedication as part of a nature reserve, or

(b) are not so excluded and are reserved as part of the national park or dedicated as part of the nature reserve in which they are situated.

An order under this subsection may be published only with the concurrence of the Minister administering the *Forestry Act 1916*.

(6) On the publication of an order under subsection (5):

(a) the access roads that are referred to in the order as excluded from reservation as part of a national park or dedication as part of a nature reserve remain vested in the Environment Minister for the purposes of Part 11 of the *National Parks and Wildlife Act 1974* and may, subject to this section, continue to be used for the purposes for which they were used immediately before the commencement of this Act, and

(b) the access roads that are not so excluded are reserved as part of the national park or dedicated as part of the nature reserve within which they are situated.

(7) Nothing in this section affects the exercise of any power, authority, duty or function by the Environment Minister or any other person under and in accordance with the *National Parks and Wildlife Act 1974* in relation to any access road to which this section applies.

(8) While a private land holding is in private ownership, nothing in this section authorises

the Environment Minister to close any access road that comprises the only means of access to the land holding.

(9) This section has effect despite the provisions of the *Forestry Act 1916*.

10 Exclusion of specified land from national park reservation

(1) This section applies to and in respect of all that piece or parcel of land containing about 400 hectares in the Shire of Nymboida, Parish of Bardool and County of Fitzroy situated within Kangaroo River State Forest No 21 as indicated by hatching on diagram catalogued Misc F 1251 in the Forestry Commission of New South Wales.

(2) The land to which this section applies is not, on the commencement of this Act, reserved as, or as part of, a national park by the operation of section 5 but vests in the Environment Minister on behalf of the Crown for the purposes of Part 11 of the *National Parks and Wildlife Act 1974* for an estate in fee simple, freed and discharged from:

- (a) all trusts, obligations, estates, interests, rights of way or other easements, and
- (b) any dedication, reservation, Crown grant or vesting to which the lands were subject, and any such dedication, reservation, grant or vesting is revoked by the operation of this section.

11 Exclusion of freehold and certain leasehold interests

Despite any other provision of this Act, no land that a person holds:

- (a) for an estate in fee simple, or
- (b) under a continued perpetual lease, a continued special lease or a continued term lease within the meaning of Schedule 1 to the *Crown Land Management Act 2016*,

is, by the operation of this Act, reserved as, or as part of, a national park or dedicated as, or as part of, a nature reserve.

12 Ancillary provisions

Schedule 4 has effect.

Schedule 4 Ancillary provisions

(Section 12)

1 Definitions

In this Schedule:

"**Forestry Act**" means the *Forestry Act 1916*.

"**NPW Act**" means the *National Parks and Wildlife Act 1974*.

2 Revocation of dedication of State forest

Section 4 has effect despite the provisions of the Forestry Act.

3 Reservation of lands as national parks

(1) The lands reserved as national parks by section 5 (2)-(10) are, for the purposes of the

NPW Act, taken to have been so reserved by proclamation made under section 33 (2) of that Act.

(2) The lands reserved as parts of national parks by sections 5 (11)-(25), 7 and 9 (6) (b) are, for the purposes of the NPW Act, taken to have been so reserved by proclamation made under section 33 (3) of that Act.

(3) A reference in the NPW Act to the publication of a proclamation under section 33 (2) or (3) of that Act is, in relation to a reservation referred to in section 5, 7 or 9, taken to be a reference to the enactment of this Act.

(4) Section 35 of the NPW Act does not apply to a reservation of land as, or as part of, a national park that is effected by this Act.

4 Names of national parks

(1) A name assigned to a national park by section 5 (2)-(10) is taken to have been assigned to that park by a proclamation referred to in section 36 (a) of the NPW Act.

(2) The alteration of the name of a national park by section 8 is taken to have been made by a proclamation referred to in section 36 (b) of the NPW Act.

5 Dedication of lands as nature reserve

(1) The lands dedicated as a nature reserve by section 6 (2) are, for the purposes of the NPW Act, taken to have been so dedicated by proclamation made under section 49 (1) of that Act.

(2) The lands dedicated as part of a nature reserve by section 6 (3) or 9 (6) (b) are, for the purposes of the NPW Act, taken to have been so dedicated by proclamation made under section 49 (2) of that Act.

(3) A reference in the NPW Act, being a reference to, or a reference to be construed as a reference to, the publication of a proclamation under section 49 (1) or (2) of that Act is, in relation to a dedication referred to in section 6 or 9, taken to be a reference to the enactment of this Act.

(4) Section 35 of the NPW Act as applied to nature reserves by section 58 (b) of that Act does not apply to a dedication of land as, or as part of, a nature reserve that is effected by this Act.

6 Name of nature reserve

A name assigned to a nature reserve by section 6 (2) is taken to have been assigned to that reserve by a proclamation referred to in section 51 (a) of the NPW Act.

7 Existing leases under Forestry Act

Section 42 (2) of the NPW Act applies to and in respect of a lease under the Forestry Act, being a lease:

(a) affecting any of the lands described in Schedule 2, and

(b) current and in force immediately before the commencement of this Act,

in the same way as it applies to a licence or permit under the Forestry Act, affecting lands within a national park.

8 Administration of existing leases and similar interests

(1) In this clause, "**existing interest**" means a lease, licence, permit or occupancy current and in force immediately before the commencement of this Act.

(2) The administration of matters relating to existing interests, to the extent that those interests affect any of the lands described in Schedule 2, is vested in the Minister administering the NPW Act.

(3) For the purposes of subclause (2), the Minister administering the NPW Act has:

(a) in respect of existing interests under the Forestry Act--the powers of the Minister administering that Act, and

(b) in respect of existing interests under the *Crown Land Management Act 2016*

--the powers of the Minister administering that Act.

9 Saving in relation to revocations

A revocation effected by this Act does not affect anything done or omitted to be done before the commencement of this Act.
