- (1) The provisions of the *Crown Lands Act 1989* specified in Schedule 2 (and any regulations under that Act having effect for the purposes of those provisions) apply to and in respect of land in the Western Division in the same way as they apply to and in respect of land in the Eastern and Central Division.
- (2) Those provisions so apply with the modifications, and subject to the restrictions, specified in Schedule 2.

(11) For the purpose only of enabling an appeal to be made under subsection (10), a failure by the Commissioner to determine an application for a consent under this section within 6 months after the application is received by the Commissioner constitutes a refusal by the Commissioner to give the consent.

(12) A lease to which this section applies shall be liable to forfeiture if any part of the land the subject of the lease is cultivated in contravention of this section or any conditions imposed under this section.

(13) No act, matter or thing which a lessee, under or in conformity with a consent under this section, does upon or in relation to the land the subject of the lease shall render the lease liable to forfeiture under this Act merely by reason of the fact that the doing of the act, matter or thing constitutes a breach or non-performance of any covenant, condition or provision applicable to the lease.

18DB Condition relating to clearing native vegetation and protected land

(1) This section applies to any lease granted or issued for any purpose under this Act (whether before or after the commencement of this section) unless the land leased has an area of 0.5 hectares or less.

(2) In this section, "**clearing**" and "**native vegetation**" have the same meanings as they have in the *Native Vegetation Act 2003*, and "**State protected land**" has the same meaning as it has in clause 4 of Schedule 3 to that Act.

(3) It is a condition of any lease to which this Act applies that any native vegetation on the land the subject of the lease, and any part of that land that is State protected land, must not be cleared except in accordance with the *Native Vegetation Act 2003* (including the *Native Vegetation Conservation Act 1997* as applied by that Act and the regulations under that Act).

(b) the new leases shall commence on the date upon which the application under subsection (1) is granted and the term of the lease for such residue shall be the balance of the term of the lease subsisting at that date,

(c) the lease for the residue of the land shall, subject to this section, be held subject to the conditions appertaining to the lease at the date of the said application,

(d) the cost of any necessary survey shall be paid by the holder in the manner and at the time prescribed and upon default of payment the leases shall become liable to forfeiture.

Part 9D – Carbon sequestration and related forestry rights

35V Definitions

In this Part:

"carbon sequestration right" and "forestry right" have the same meanings as in section 87A of the *Conveyancing Act 1919*.

A forestry right is defined in section 87A of the *Conveyancing Act 1919* to include a carbon sequestration right in relation to land (carbon sequestration being the process by which a tree or forest absorbs carbon dioxide from the atmosphere). This Part applies to a forestry right only to the extent that it consists in whole or in part of a carbon sequestration right.

A forestry right is, for all purposes, taken to be a profit *À prendre* (see section 88AB of the *Conveyancing Act 1919*).

35W Application of Part

This Part applies only in relation to the granting or creation of a forestry right to the extent that it consists in whole or in part of a carbon sequestration right.

35X Granting and creation of forestry rights in respect of land held under lease

(1) The Minister may:

(a) on application made in the approved form, and

(b) on such terms and conditions as the Minister determines,

grant a forestry right in respect of land held under a lease, but only with the consent of the lessee of that land.

(2) In the case of land that is the subject of a lease in perpetuity, the Minister may, on such terms and conditions as the Minister determines, consent to the lessee granting a forestry right in respect of the land the subject of the lease.

(3) The lessee of any land that is the subject of a lease in perpetuity may, with the consent of the Minister under subsection (2), grant a forestry right in respect of the land on such terms and conditions as the Minister determines.

(4) A forestry right referred to in this section:

(a) is, in the case of land that is subject to the provisions of the *Real Property Act 1900*, created in the way provided in that Act or in section 88B of the *Conveyancing Act 1919*, or

(b) is, in the case of land that is not subject to the provisions of the *Real Property Act 1900*, created:

(i) in the way provided in section 88B of the *Conveyancing Act 1919*, or

(ii) if the Minister so consents, by instrument registered in the General Register of Deeds, or

(iii) by notification in the Gazette (except in the case of a forestry right granted by a perpetual lessee).

(5) Without limiting the terms and conditions that may be determined by the Minister under this section, any such terms and conditions may restrict any dealings in the forestry right.

(6) Before granting a forestry right in respect of land that is Crown-timber land within the meaning of the *Forestry Act 2012* (or before consenting to the granting of any such forestry right), the Minister must consult the Minister administering the *Forestry Act 2012*. In the case of Crown-timber land that is a State forest or timber reserve, it is the Forestry Corporation that may grant a forestry right in respect of the land.

(7) Without limiting the operation of Division 4 of Part 6 of the *Conveyancing Act 1919*, restrictions on the use of land and covenants may, in accordance with that Division, be imposed on land that is the subject of a forestry right granted under this section.
