

WATER (PART 6) REGULATION 1997
under the
WATER ACT 1912

UPDATED 9 SEPTEMBER 1997

NO AMENDMENTS (SINCE GAZETTAL OF 29.8.1997)

New South Wales

Water (Part 6) Regulation 1997
under the
Water Act 1912

His Excellency the Lieutenant-Governor, with the advice of the Executive Council, has made the following Regulation under the Water Act 1912.

KIM YEADON, M.P.,
Minister for Land and Water Conservation

Explanatory note

The object of this Regulation is to repeal and remake, without any major modifications, the Water (Part 6) Regulation 1992. The new Regulation deals with:

- (a) the supply of water in districts and provisional districts constituted under Part 6 of the Water Act 1912,
- (b) the payment of charges for water supplies,
- (c) conditions attaching to supplies of water,
- (d) refusal of supplies of water in certain circumstances,
- (e) the prevention of pollution of water.

This Regulation is made under Part 6 of the Water Act 1912, including section 149 (the general regulation making power).

This Regulation is made in connection with the staged repeal of subordinate legislation under the Subordinate Legislation Act 1989.

prescribed work means a work that is constructed or used under Part 6 of the Act.	
the Act means the Water Act 1912.	
4	Application of Regulation
This Regulation applies to the supply of water, and to prescribed works, in:	
(a)	domestic and stock water supply and irrigation districts, and
(b)	domestic and stock water supply districts, and
(c)	provisional domestic and stock water supply and irrigation districts, and
(d)	provisional domestic and stock water supply districts, constituted under Part 6 of the Act.
5	Notes
The explanatory note and table of contents do not form part of this Regulation.	
Part 2	Supply of water
6	Applications for water
(1)	An owner requiring a supply of water is (if required to do so by the Ministerial Corporation) to formally apply in the manner and within the time specified by the Ministerial Corporation.

(2) An application may be made by a person on an owner's behalf if authorised by the owner in writing.

(3) The Ministerial Corporation may, subject to the Act, refuse or approve such an application.

7 Supply of water

(1) Water may be supplied to land by the Ministerial Corporation unconditionally or subject to conditions made known to the owner of the land in writing.

(2) If the supply of water is required for rice growing, the conditions of supply may include conditions regarding the area and location of the land on which rice may be grown.

(3) An owner must comply with any conditions attaching to a supply of water.

8 Payment of charges

(1) An owner is to be notified, by means of a notice of assessment, of:

(a) the charges fixed by the Ministerial Corporation for the current year, and

(b) the amount payable by the owner for water supplied to the owner's land for the period to which the notice relates.

(2) The amount specified in the notice is to be paid to the Ministerial Corporation on or before the date for payment specified in the notice, which date must not be less than 28 days after the date of issue of the notice.

(3) If land first becomes subject to an annual charge after 1 July in any year, the amount of the charge is to be apportioned, for the period from the date from which the land becomes subject to the charge until 30 June next following, on the basis of such proportion of the charge as that period bears to the whole year.

9 Land preparation

An owner of land must prepare and maintain water reticulation works within the land that are, to the satisfaction of the Ministerial Corporation, of a sufficient standard to ensure that water delivered onto the land is properly controlled and efficiently used.

Maximum penalty: 10 penalty units.

10 Use of water

(1) If the Ministerial Corporation requires an owner to formally apply for a supply of water, the owner must use the water supplied for the purpose, and on the land, specified in the application.

(2) An owner of land:

(a) must not allow water delivered onto the land to be wasted, and

(b) must comply with any Ministerial Corporation requirements regarding the construction and maintenance of internal drains and connections to the Corporation's drainage works and the time and manner of discharge of surface or sub-surface drainage water from the land into those works.

Maximum penalty (subclause (2)): 10 penalty units.

11 Alteration of rate of delivery

An owner of land must not, without the written approval of the Ministerial Corporation, construct or use any work within the land if the work is likely to have the effect of altering the rate of delivery of water onto the land.

12 Refusal to supply water

(1) The Ministerial Corporation may refuse to supply water, or may discontinue the supply of water, to any land:

(a) if, in the opinion of the Ministerial Corporation, the supply or continuance of supply is likely to cause damage to the land, or

(b) if the owner has failed to make and maintain adequate provision:

(i) for the drainage of surplus water into the drainage works provided by the Ministerial Corporation for that purpose, or

(ii) if no such drainage works have been provided, for the retention of surplus water on the land in an appropriate manner, or

(c) if the owner fails to comply with a provision of this Part or of any condition attaching to a supply of water.

(2) A refusal to supply or a discontinuation of supply:

(a) does not relieve an owner from liability for payment of any charge in respect of rates or for any water supplied, and

(b) does not prevent the Ministerial Corporation from proceeding against an owner for an offence against the Act or this Regulation.

Part 3 Prevention of pollution of water

13 Pollution of water

(1) A person must not:

(a) by act or omission, pollute any water conserved or distributed in a prescribed work by placing in or on, or by otherwise introducing into or onto, the water any solid, liquid or gaseous matter so that the physical, chemical or biological condition of the water is changed, or

(b) in the vicinity of any such water, carry on any operation of a kind, or in a manner, that is likely to so pollute the water.

Maximum penalty: 100 penalty units.

(2) A person must not place, or cause to be placed, the carcase of any dead animal near any water conserved or distributed in a prescribed work if the carcase is likely to pollute the water.

Maximum penalty: 10 penalty units.

14 Swimming and boating

A person must not, without the consent of the Ministerial Corporation:

(a) enter, bathe, swim or use a boat or any other water craft in any water conserved or distributed in a prescribed work, or

(b) allow any other person, or any animal (other than stock) in the person's control, to enter, bathe or swim in any such water, or

(c) allow any other person to use a boat or any other water craft in any such water.

Maximum penalty: 10 penalty units.

Part 4 Repeal

15 Repeal

(1) The Water (Part 6) Regulation 1992 is repealed.

(2) Any act, matter or thing that, immediately before the repeal of the Water (Part 6) Regulation 1992, had effect under that Regulation continues to have effect under this Regulation.
