Regulations

- 1 Title**
These regulations are the Fisheries (Commercial Fishing) Amendment Regulations 2014.

2 Commencement

These regulations come into force on 21 February 2014.

3 Principal regulations

These regulations amend the Fisheries (Commercial Fishing) Regulations 2001 (the **principal regulations**).

4 Regulation 3 amended (Interpretation)

- (1) In regulation 3, insert in its appropriate alphabetical order:
“**automatic location communicator** has the same meaning as in regulation 2 of the Fisheries (Satellite Vessel Monitoring) Regulations 1993”.
- (2) In regulation 3, definition of **pilchard**, replace “*neopilchardus*” with “*sagax*”.

Michael Webster,
for Clerk of the Executive Council.

Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 21 February 2014, amend the Fisheries (Commercial Fishing) Regulations 2001 by inserting a definition of automatic location communicator. That phrase is defined in the Fisheries (Satellite Vessel Monitoring) Regulations 1993. Consequentially, the definition inserted in the Fisheries (Commercial Fishing) Regulations 2001 cross-references the definition in the 1993 regulations.

These regulations also correct the species description for pilchard.
