

Dairy Industry Amendment Act (No 2) 2000 2000 023

Commenced: 12 October 1990

ANALYSIS

Analysis

Title

1 Title

2 Commencement

3 Milk not to be sold if tainted or impure

4 New section 16A inserted

5 Dairy Industry Regulations 1990 consequentially amended

The Parliament of New Zealand enacts as follows:

1. Title

(1) This Act is the Dairy Industry Amendment Act (No 2) 2000.

(2) In this Act, the Dairy Industry Act 1952 is called "the principal Act".

2. Commencement

This Act is deemed to have come into force on 12 October 1990.

3. Milk not to be sold if tainted or impure

Section 16(b) of the principal Act is amended by omitting the words ", or that has calved within 4 clear days before the day on which the milk was so drawn".

4. New section 16A inserted

The principal Act is amended by inserting, after section 16, the following section:

"16A Sale or supply of colostrum to dairy permitted if nature of milk clearly stated in writing

"(1) A person must not sell or supply to a dairy milk given by, or milk containing milk given by, a milking animal within 4 days after giving birth, unless the nature of the milk is clearly stated, in writing, at the time of the sale or supply.

"(2) In subsection (1), milking animal means a cow, ewe, or goat, kept for milking."

5. Dairy Industry Regulations 1990 consequentially amended

Regulation 40 of the Dairy Industry Regulations 1990 is amended by---

(a) revoking paragraph (c); and

(b) omitting the words "period of time since giving birth,".
