# Information about this reprint

This plan is reprinted as at 1 July 2010. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

**Also see endnotes for information about—**

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

## Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

## Dates shown on reprints

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

**Replacement reprint date** If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

# Fisheries (Gulf of Carpentaria Inshore Fin Fish) Management Plan 1999

[as amended by all amendments that commenced on or before 1 July 2010]

## Part 1 Preliminary

### 1 Short title

This management plan may be cited as the *Fisheries (Gulf of Carpentaria Inshore Fin Fish) Management Plan 1999*.

### 2 What is the *gulf inshore fin fish fishery*

The *gulf inshore fin fish fishery* is activities by way of fishing relating to fish (*gulf fin fish*) that—

- (a) are fin fish, other than coral reef fin fish; and
- (b) are in tidal waters—
  - (i) west of longitude 142°31'49" east; and
  - (ii) of waterways that flow into the Gulf of Carpentaria south of the intersection of longitude 142°31'49" east with the mainland shore.

### 3 Application of plan

This plan applies in relation to the taking, possessing and other uses of gulf fin fish.

### 4 Objective of plan and its achievement

- (1) The objective of this management plan is to provide for the use, conservation and enhancement of the community's gulf

[s 5]

---

fin fish resources by managing the commercial fishery for gulf fin fish in a way that seeks to—

- (a) apply and balance the principles of ecologically sustainable development; and
  - (b) promote ecologically sustainable development.
- (2) The objective is to be achieved mainly by—
- (a) restricting access to the gulf fin fish fishery for trade and commerce to holders of licences on which the fishery symbol ‘N3’, ‘N9’ or ‘N11’ is written; and
  - (b) restricting the fishing apparatus used to take gulf fin fish under licences on which the fishery symbol ‘N3’, ‘N9’ or ‘N11’ is written.

- (3) In this section—

*principles of ecologically sustainable development* see section 3(5) of the Act.

*Notes—*

- 1 This plan does not make any fisheries declarations. For relevant fisheries declarations for gulf fin fish, see chapters 2, 3 and 4 and schedule 2 of the regulation.
- 2 This plan does not regulate the taking of gulf fin fish by recreational fishers. For relevant provisions about that matter, see chapters 2, 3 and 4 and schedule 2 of the regulation.
- 3 This plan does not apply to acts done under Aboriginal tradition or Island custom. See section 14 (Aborigines’ and Torres Strait Islanders’ rights to take fisheries resources etc.) of the Act.

## 5 Interpretation

- (1) Unless this plan provides otherwise, terms used in it have the meaning given under the regulation.
- (2) Subsection (1) is not limited to a term defined under the regulation but also applies to a provision of the regulation that aids the interpretation of a term used in the regulation.

*Examples of provisions for subsection (2)—*

chapter 1, part 2, divisions 3 to 7 of the regulation

- (3) Schedule 4, part 2 and the dictionary in schedule 4, part 3 define particular words used in this plan.

## **Part 5                      Commercial fisheries**

### **Division 1                General**

#### **20            Application of pt 5**

This part applies to the taking or possession of gulf fin fish for trade or commerce.

#### **21            Who may fish for trade or commerce**

A person may take or possess a gulf fin fish only if—

- (a) either—
  - (i) the person holds a commercial fishing boat licence with an 'N3', 'N9' or 'N11' fishery symbol written on it; or
  - (ii) the holder of the commercial fishing boat licence has allowed the person to take or possess gulf fin fish under the licence; and
- (b) the primary boat identified in the licence is used to take the fish; and
- (c) the person is a commercial or assistant fisher.

#### **21A        Authorisations and conditions of licences under divs 3–6**

Each of divisions 3 to 6 provides for the authorisations and conditions applying to the relevant licence to which the division relates.

[s 22]

---

## Division 2                      Authorities

### 22        Restrictions on writing fishery symbols on licences

- (1) The chief executive may write an 'N3', 'N9' or 'N11' fishery symbol on a commercial fishing boat licence only—
  - (a) if the licence is a replacement licence; or
  - (b) if the chief executive has approved a fishery symbol movement application and, under the application, the symbol is to be written on the licence; or
  - (c) under a written approval by the chief executive for the symbol to be written on the licence.
- (2) The chief executive may write an 'N9' fishery symbol on a commercial fishing boat licence only if—
  - (a) the holder of the licence holds more than 1 commercial fishing boat licence with the 'N3' fishery symbol written on each of them and applies to the chief executive in writing to amend 2 or more of the licences by—
    - (i) writing all of the types of fishery symbols written on 2 or more of the licences (other than the 'N3' fishery symbol) on 1 of the licences (the *stated licence*); and
    - (ii) taking all the fishery symbols off the licences to which the application relates, other than the stated licence; and
    - (iii) writing the 'N9' fishery symbol on the stated licence; or
  - (b) the licence is a replacement licence; or
  - (c) the chief executive has approved a fishery symbol movement application and, under the application, the symbol is to be written on the licence.
- (3) However, the chief executive must not write the fishery symbol 'N3' and the fishery symbol 'N9' on the same licence.

(4) In this section—

*replacement licence* means—
