**1.** In this Act, “pesticide” means any substance, matter or microorganism intended to directly or indirectly control, destroy, mitigate, attract or repel any organism that is injurious to or noxious or troublesome for humans, animal life, vegetation, crops or any other object, or intended for use as a plant growth regulator, except a vaccine or a medication other than a topical medication for external use on animals.

1987, c. 29, s. 1; 1993, c. 77, s. 1.

**2.** This Act does not apply to waste consisting in whole or in part of pesticides or contaminated by pesticides.

1987, c. 29, s. 2.

**3.** For the purposes of this Act, a partnership is considered to be a person.

1987, c. 29, s. 3.

**4.** This Act neither affects nor limits the application of the Environment Quality Act (chapter Q-2) in respect of pesticides.

Notwithstanding the foregoing, the emission, deposit, issuance or discharge of a pesticide into the environment is not prohibited within the meaning of the second paragraph of section 20 of the Environment Quality Act if it results from an activity carried out in accordance with this Act or the regulations or orders of the Minister made under this Act, unless the risk of harmful effects, damage or impairment referred to in that section is unreasonable.

1987, c. 29, s. 4.

**5.** The rights and obligations arising from the application of this Act prevail over those arising from the application of the Sustainable Forest Development Act (chapter A-18.1) and over any inconsistent provision of a plan or program devised pursuant to that Act.

1987, c. 29, s. 5; 2010, c. 3, s. 322.

**6.** This Act is binding on the Government and government departments and agencies that are mandataries of the State.

1987, c. 29, s. 6; 1999, c. 40, s. 211.

**7.** Nothing in this Act affects the rights and prerogatives of the members of a professional order governed by the Professional Code (chapter C-26).

1987, c. 29, s. 7; 1994, c. 40, s. 457.

## CHAPTER II

The objects of the programs shall be

## PESTICIDES

(2) to contribute to the development of alternatives to the use of pesticides, such as biological or integrated pest control, and to promote the use of such alternatives.

1987, c. 29, s. 8; 1994, c. 17, s. 75; 1999, c. 36, s. 158; 2006, c. 3, s. 35.

##### DIVISION II

###### PESTICIDES MANAGEMENT CODE

**11.** The object of the Pesticides Management Code (chapter P-9.3, r. 1) is to regulate and control the activities referred to in section 10 so as to prevent or mitigate harmful effects on the health of humans and other living species, as well as damage to the environment or to property.

**DIVISION III**

**PREVENTIVE AND CORRECTIVE MEASURES**

§ 1. — *Orders*

**13.** The Minister may issue an order requiring a person who is about to carry on or is carrying on activities contemplated in section 10 to comply with the Pesticides Management Code (chapter P-9.3, r. 1) and fix a time limit therefor.

He may, in addition, indicate to the person the measures to be taken to comply with the order.

1987, c. 29, s. 13.

**14.** The Minister may issue an order requiring a person who is about to carry on, is carrying on or has carried on an activity contemplated in section 10 to take the measures he indicates within the time he determines, if he is of the opinion that such measures will make it possible to avoid or mitigate harmful effects on the health of humans or of other living species or damage to the environment or to property.

The order may, in particular, restrict or prohibit access to or compel closure or evacuation of the place or part thereof where the activity is carried on. The place cannot be reopened nor access allowed to it except by order of the Minister.

1987, c. 29, s. 14.

**15.** Where the Minister considers that an activity contemplated in section 10 constitutes an unreasonable risk of harmful effects to the health of humans or other living species or of damage to the environment or to property, he may make an order requiring a person, temporarily or permanently, not to carry on or to cease carrying on that activity or part thereof.

1987, c. 29, s. 15.

**16.** Before issuing an order under section 13, 14 or 15, the Minister shall, as prescribed by section 5 of the Act respecting administrative justice (chapter J-3), notify to the person to whom the order applies a prior notice of at least 15 days indicating the grounds which appear to justify the order and the proposed date on which it shall take effect and giving the person an opportunity to present observations. The notice shall be accompanied with a copy of any analysis or research report or any other technical report taken into account by the Minister before issuing the order.

The Minister shall also transmit a copy of the prior notice to any person having submitted a sworn complaint to him in respect of the facts giving rise to its issue.

Notice of the proposed order shall be published twice in a daily newspaper distributed in the locality where the events giving rise to the application of this section occurred or, if none is distributed in that locality, in a daily newspaper distributed in the nearest locality.

The Minister shall also transmit a copy of the prior notice to the secretary-treasurer or clerk of the local municipality in whose territory the facts giving rise to the application of this section occurred. The person to whom an order is notified without prior notice may, within the time specified in the order, present observations to the Minister so that the order may be reviewed.

1987, c. 29, s. 17; 1997, c. 43, s. 412.

**18.** The Minister, before issuing an order to a municipality, metropolitan community or intermunicipal board which entails expenses for the latter, shall consult the Minister of Municipal Affairs, Regions and Land Occupancy.

**23.** Every application for an injunction made under section 20 shall be heard and decided by preference.

1987, c. 29, s. 23.

**24.** The court, in granting an injunction, may order, if necessary, that measures be taken at the expense of the person it indicates or authorize the Minister to take them at the expense of that person.

1987, c. 29, s. 24.

**25.** An order issued to the owner of an immovable may be registered against the immovable.

The Minister may register a copy of the order at the registry office. The order may thenceforth be set up against any purchaser whose title is registered subsequently and that purchaser is required to assume the obligations imposed on the former owner pursuant to the order.

1987, c. 29, s. 25; 1999, c. 40, s. 211; 2000, c. 42, s. 197.

§ 2. — *Other measures available to the Minister*

The Minister may claim the costs entailed by the measures taken from the person who carried on the activities, in the same manner as any debt owing to the Government, whether or not the person has been prosecuted for an offence under this Act. Where there are several debtors, they are jointly and severally liable.

Notwithstanding the foregoing, the Minister may issue or renew a temporary permit for a shorter period if he considers it advisable.

1987, c. 29, s. 40; 1993, c. 77, s. 6; 1999, c. 40, s. 211.

**41.** A permit may be modified at the request of its holder upon payment of any fees fixed by regulation.

In order to change the subclass of the permit or the class of pesticides indicated thereon or to add a subclass or class to the permit, the holder must meet the requirements for obtaining a permit of the subclass of permit or for the class of pesticides he is applying for.

1987, c. 29, s. 41.

**42.** A permit may also be cancelled at the request of its holder if the Minister considers it advisable.

1987, c. 29, s. 42.

**43.** No person may transfer a permit without the authorization of the Minister.

1987, c. 29, s. 43.

1987, c. 29, s. 45.

**46.** Every permit holder shall keep up to date registers prescribed by regulation, in accordance with the regulations.

The Minister may require of any permit holder that he transmit to him, within the time and on the conditions fixed, all or part of the information recorded in the registers prescribed under the first paragraph concerning the nature, origin, properties, quantities and destination of the pesticides received, sold or used by the permit holder.

1987, c. 29, s. 46; 1993, c. 77, s. 7.

**47.** Every permit holder shall keep the registers and other documents prescribed by regulation for the period indicated therein.

1987, c. 29, s. 47.

**48.** Every permit holder shall inform the Minister of any change which makes the information furnished for the issue or renewal of his permit inaccurate or incomplete.

He shall also notify the Minister of the cessation of his activities.

Every partnership or legal person which holds a permit shall inform the Minister of any amalgamation, sale or transfer to which it is subject and of any change in its name.

1987, c. 29, s. 48.

**49.** Every permit holder contemplated in subparagraph 1 or 2 of section 34 shall post his permit or a duplicate thereof issued by the Minister in full view in each of his establishments.

1987, c. 29, s. 51.

**52.** The certificate attests to the certificate holder's competence in the field of pesticides and authorizes him to carry on activities of the class or subclass indicated on the certificate with respect to the class of pesticides indicated therein.

1987, c. 29, s. 52.

**53.** Every person wishing to obtain a certificate must apply therefor in writing to the Minister. The application shall contain the information prescribed by regulation.

1987, c. 29, s. 53.

**54.** A certificate shall be issued to any natural person

(1) who has successfully completed the examination prescribed or recognized by the Minister for the issuance of the certificate applied for or who, in the case of a natural person having neither domicile nor residence in Québec, has established to the Minister's satisfaction that he has the required competence to obtain the certificate;

(2) who has not been convicted of an offence contemplated in Chapter IX in the 12 months preceding the application;

(3) who is not the holder of a certificate of the same class or subclass;

(4) who pays the fees fixed by regulation;

Notwithstanding the foregoing, the Minister may refuse to issue a certificate if the applicant was the holder of a certificate cancelled within the 12 months preceding the application.

1987, c. 29, s. 54; 1990, c. 4, s. 639.

**55.** A certificate is valid for the five-year term. The Minister shall renew the certificate for the same term provided its holder

(1) has successfully completed the examination, if any, required pursuant to paragraph 4 of section 61;

(2) has paid the fees fixed by regulation;

(3) has complied with this Act and the regulations during the term which is ending.

Notwithstanding the foregoing, the Minister may issue or renew a certificate for a shorter term if he considers it advisable.

1987, c. 29, s. 55; 1993, c. 77, s. 8.

**56.** A certificate may be modified at the request of its holder upon payment of any fees fixed by regulation.

In order to change the subclass of the certificate or the class of pesticides indicated thereon or to add a subclass or class thereto, the holder must meet the requirements for obtaining a certificate applicable to the subclass of certificate or the class of pesticides he is applying for.

1987, c. 29, s. 56.

**57.** The certificate may also be cancelled at the request of its holder if the Minister considers it advisable.

1987, c. 29, s. 57.

**58.** A certificate is not transferable.

1987, c. 29, s. 58.

**59.** Every certificate holder shall comply with the requirements prescribed by regulation.

1987, c. 29, s. 59.

**62.** Every holder of a certificate shall have it in his possession when carrying on his activities. He shall produce it to an inspector upon request.

1987, c. 29, s. 62.

## **DIVISION IV**

### **NULLITY OF CONTRACT**

**63.** Any person may institute legal proceedings in nullity of a contract he has entered into to cause the performance of work involving the use of pesticides if he ascertains

(1) that the work has been or very likely will be performed by a natural person who is neither the holder of a certificate prescribed by regulation nor, on the premises where he performs the work, under the supervision of such a holder;

(2) that the work has been or very likely will be performed in contravention of the Pesticides Management Code (chapter P-9.3, r. 1).

1987, c. 29, s. 63.

**64.** Nullity entitles the plaintiff to equivalent monetary restitution of all the prestations he has made under the contract without his being required to make any restitution to the defendant.

Notwithstanding the foregoing, the court may, by way of exception, withdraw the plaintiff's right to restitution of prestations where restitution would have the effect of giving him an excessive advantage, having regard to all the circumstances.

1987, c. 29, s. 64.

**65.** Every person who avails himself of this division shall notify the Minister thereof without delay.

1987, c. 29, s. 65.

(2) fails to comply with the requirements, obligations and restrictions that apply to the carrying out or performance of his activities;

(3) has failed or refused to submit to the examination required under section 61;

(4) has ceased his activities.

1987, c. 29, s. 66.

**67.** Before rendering a decision under section 66, the Minister shall notify the holder of a permit or certificate in writing as prescribed by section 5 of the Act respecting administrative justice (chapter J-3) and allow the holder at least 10 days to present observations.

### INSPECTION, SEIZURE AND CONFISCATION

**79.** For the purposes of this Act and the regulations thereunder, the Minister may generally or specially authorize any person to act as an inspector.

1987, c. 29, s. 79.

**80.** An inspector shall, on request, identify himself and produce the certificate of his capacity signed by the Minister.

1987, c. 29, s. 80.

**81.** No person may hinder an inspector in the performance of his duties, mislead him by concealment or false declarations, refuse to provide him with any information or document he is entitled to require or examine under section 83, or hide or destroy any document or property necessary for an inspection.

1987, c. 29, s. 81.

**82.** No inspector may be prosecuted for official acts done in good faith in the performance of his duties.

1987, c. 29, s. 82.

**83.** In the performance of his duties, an inspector may

(1) have access at any reasonable time to any place where an activity governed by this Act and the regulations is carried on, and inspect it;

(2) examine the products or other things contemplated by this Act and the regulations which are found in that place;

(3) take samples free of charge, install measuring devices and make analyses;

(4) examine the records, files or any other document related to activities governed by this Act and the regulations and obtain copies thereof;

(5) require any information or document related to activities governed by this Act and the regulations.

1987, c. 29, s. 83.

**84.** Where, in conducting an inspection, the inspector has reasonable grounds to believe that any pesticide or other thing referred to in this Act or the regulations has been used to commit an offence under the terms thereof or that an offence has been committed thereunder, he may seize it.

1987, c. 29, s. 84.

**85.** Where an inspector discovers that pesticides contemplated in section 84 are mixed or combined with other materials or substances so as to make it impossible or very difficult to distinguish one from the other, he may seize the materials or substances with which the pesticides are mixed or combined.

1987, c. 29, s. 85.

**86.** Every inspector effecting a seizure under this Act shall draw up a minute setting out

(1) the date and place of the seizure;

(2) the grounds for which the seizure was made;

(3) a summary description of the thing seized;

(4) the name of the person from whom the thing was seized;

(5) any information permitting the owner or lawful possessor of the thing seized to be identified or located;

(6) the name and capacity of the seizer.

1987, c. 29, s. 86; 1990, c. 4, s. 640.

**87.** The inspector shall remit a duplicate of the minute to the person from whom the thing has been seized or, if no one is on the premises, he shall deposit the duplicate in the office of the clerk of the Court of Québec for the judicial district in which the thing has been seized.

If there is no one on the premises while an inspection is carried on, the person conducting an inspection shall leave a notice in a conspicuous place stating that a search or inspection of the premises has been conducted. If anything has been seized, the notice shall also indicate the office where the duplicate of the minute of the seizure has been filed and where to obtain information on the place of detention of the thing seized.

1987, c. 29, s. 87; 1988, c. 21, s. 66; 1990, c. 4, s. 641.

**88.** The inspector shall, without delay, forward a report in writing to the Minister of any seizure effected by him.

1987, c. 29, s. 88.

**89.** The owner or lawful possessor of the thing seized pursuant to this Act shall have custody of it. The inspector may, where he considers it advisable, transfer the thing seized to other premises for purposes of safekeeping.

In addition, the inspector shall have custody of the things seized and submitted in evidence, unless the judge to whom they were submitted in evidence decides otherwise.

The thing seized or, in the cases described in section 91, the proceeds of the sale thereof shall remain under safekeeping until they are disposed of in accordance with sections 92 to 96 or, if proceedings are instituted, until a court decides otherwise in accordance with section 97.

1987, c. 29, s. 89; 1990, c. 4, s. 642; 1992, c. 61, s. 434.

**90.** No person may use or remove the thing seized or allow it to be used or removed except with the authorization of the inspector.

**91.** If any of the things seized are perishable, the person who has custody of them may apply to a judge for authorization to sell them.

The sale shall be made on the terms and conditions fixed by the judge and by the person designated by him.

At least one clear day's notice of the filing of the application shall be served on the inspector and on the owner or lawful possessor of the thing seized, if known, unless he has custody of it.

Where the deterioration of the thing is imminent, the judge may exempt the person having custody of it from the service of the notice.

The proceeds of the sale are deposited with the Bureau général de dépôts pour le Québec.

1987, c. 29, s. 91; 1992, c. 61, s. 435; 1999, c. 40, s. 211; I.N. 2016-01-01 (NCCP); 2016, c. 7, s. 183

**92.** In no case may the thing seized or the proceeds of sale thereof be retained more than 90 days from the date of seizure unless proceedings are instituted or an order to extend that period is issued.

1987, c. 29, s. 92.

**93.** Before the expiry of the detention period, the seizer may apply to a judge for an extension of the period for not over 90 days.

Prior notice of the application for extension shall be served on the person from whom the thing has been seized and on the persons claiming entitlement to the thing seized or the proceeds of sale thereof.

1987, c. 29, s. 93; 1992, c. 61, s. 435.

**94.** The seizer shall return the thing seized or the proceeds of sale thereof to the person from whom the thing has been seized as soon as detention thereof is no longer necessary in the interests of justice.

1987, c. 29, s. 94.

**95.** The owner or lawful possessor of the thing seized may at any time apply to a judge to obtain the release of the thing.

The application shall be served on the seizer or, if proceedings are instituted, on the prosecutor.

The judge shall grant the application if he is satisfied that the applicant will suffer serious or irreparable damage if detention of the thing is maintained and the release of the thing will not hinder the course of justice.

1987, c. 29, s. 95; 1992, c. 61, s. 435.

**96.** If the owner or lawful possessor of the thing seized or of the proceeds of sale thereof is unknown or cannot be found, the thing seized shall be confiscated 90 days after the day it was seized; it shall then be disposed of according to the Minister's instructions.

1987, c. 29, s. 96.

**97.** Upon pronouncing a conviction for an offence under section 110 or 111, a judge may, on the application of the prosecutor and where a seizure has been made under this Act, order the confiscation of the things seized or the proceeds of the sale thereof.

Prior notice of the application for confiscation shall be given by the prosecutor to the person from whom the things were seized and to the defendant, except where they are in the presence of the judge.

The Minister shall prescribe the manner in which anything confiscated under this section is to be disposed of.

For the purposes of the inquiry, the Minister or the person designated by him shall be vested with the powers and immunity of commissioners appointed under the Act respecting public inquiry commissions (chapter C-37), except the power to order imprisonment.

1987, c. 29, s. 98.

**99.** Where a person believes that any harm to his health or damage to his property may be attributable to any activity referred to in this Act, he may, within 30 days of ascertaining the harm or damage, apply to the Minister for an inquiry.

1987, c. 29, s. 99.

**100.** The Minister shall send a report of the results of any inquiry he considers necessary under section 99 to the person who, in his opinion, is responsible for the harm or damage, to the complainant and to the local municipality in whose territory the facts justifying the inquiry occurred.
