O.C. 1366-96, s. 1; O.C. 84-2002, s. 1.

2. An authorized person who witnesses an offence against the provisions of the Plant Protection Act (1995, c. 54) shall immediately prepare an offence report in accordance with the Regulation respecting the form of offence reports, made under the Code of penal procedure (R.S.Q., c. C-25.1).

O.C. 1366-96, s. 2.

3. An authorized person shall place a numbered and dated receipt on any lot of property seized or confiscated under the Plant Protection Act. The receipt shall bear, in addition to the authorized person's signature, the particulars indicated in the Form in Schedule I.

Action taken in respect of the seizure or confiscation of property shall be stated in minutes dated and signed by the authorized person and bearing the particulars indicated in the Form in Schedule II.

O.C. 1366-96, s. 3.

4. A release of seizure shall be given in writing by any authorized person, where one of the situations provided for in section 21 of the Plant Protection Act occurs or where the property that has been seized must be returned under another Act.

The release shall be dated and signed by the authorized person and shall bear the particulars indicated in the Form in Schedule III.

O.C. 1366-96, s. 4.

5. Where any samples are taken, minutes dated and signed by the authorized person shall be drafted immediately.

Those minutes shall bear the particulars indicated in the Form in Schedule IV.

O.C. 1366-96, s. 5.

6. All minutes shall be drawn up in triplicate in accordance with the Form in Schedule II or IV, as the case may be.

The first copy shall be sent by the authorized person to the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation within 24 hours. One copy shall be left with the owner or custodian of the property that has been taken, seized or confiscated or with his representative. One copy shall be kept by the authorized person.

O.C. 1366-96, s. 6.

7. Every sample taken shall be placed under seal and sent, together with the minutes, to the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation. If special measures for the preservation of a sample are required, the sample shall be sent immediately to the laboratory where such measures will be taken. Mention of such dispatch shall be made in the minutes. The seals shall be affixed on the container enclosing the samples. Each sample shall bear a numbered tag bearing the particulars indicated in the Form in Schedule V.

O.C. 1366-96, s. 7.

8. Within 24 hours of its receipt, the sample shall be forwarded to the laboratory.

On the day following the end of the time period required to complete the analysis, the laboratory shall submit a report to the Ministère de l'Agriculture, des Pêcheries et de l'Alimentation containing the particulars indicated in the Form in Schedule VI.

O.C. 1366-96, s. 8.

9. Omitted.

N.B. S. 17: An inspector may, in the performance of his duties, seize a plant or equipment to which the Act applies, if he has reasonable cause to believe that the plant or the equipment has been used to commit an offence under the Act, or that an offence has been committed in connection with the plant or equipment, or where an owner or a custodian of premises where a plant is found has failed to comply with an order.

S. 19: The owner or custodian of the seized property shall have custody thereof. However, the inspector may, if he considers it expedient, move the seized property to other premises for purposes of custody. The custodian shall also have custody of any seized property produced as evidence, unless the judge having received it in evidence decides otherwise.

Custody of the seized property shall be maintained until it is disposed of in accordance with sections 21 to 25 or, if proceedings are instituted, until the judge disposes of it otherwise.

S.20: No person may use or remove seized property or allow seized property to be used or removed except with the authorization of the inspector.

N.B. S.8: If the owner or custodian fails to comply with the inspector's notice, the inspector may confiscate the plants and cause them to be destroyed at the expense of the owner or custodian. The sums involved bear interest at the rate determined under section 28 of the Act respecting the Ministère du Revenu.

S.11: If the owner or custodian fails to comply with the Minister's order, an inspector may carry out the order or cause it to be carried out at the expense of the owner or custodian.

An inspector may also, where an order for the destruction of plants is not complied with, confiscate the plants for destruction at the expense of the owner or custodian.

The sums involved bear interest at the rate determined under section 28 of the Act respecting the Ministère du Revenu.
