

chapter P-9, r. 25

Parks Regulation

Parks Act

(chapter P-9, ss. 9 and 9.1)

DIVISION I

SCOPE AND DEFINITIONS

1. This Regulation applies to the parks referred to in section 3, subject to the exercise by the Native people referred to in section 10 of the Act respecting hunting and fishing rights in the James Bay and New Québec territories (chapter D-13.1) of the right to harvest provided for in Chapter VI of that Act as regards the parks located in the territory referred to in that Act.

O.C. 838-2000, s. 1; O.C. 1323-2003, s. 1.

2. In this Regulation,

(1) “natural environment zone” means the part of the territory of a park allocated to the discovery or exploration of the environment; (zone d'ambiance)

(2) “maximum preservation zone” means the part of the territory of a park allocated to the preservation of the integrity of the environment; (zone de préservation extrême)

(3) “preservation zone” means the part of the territory of a park allocated to the preservation of the environment in general; (zone de préservation)

(4) “intensive recreation zone” means the part of the territory of a park allocated to outdoor intensive recreation; (zone de récréation intensive)

(5) “services zone” means the part of the territory of a park allocated to reception, information or management. (zone de services)

O.C. 838-2000, s. 2.

DIVISION III

AUTHORIZATION TO ENTER, STAY AND ENGAGE IN ACTIVITIES

§1. Definition

4. For the purposes of this division, an “organized group” means a group of at least 15 persons who travel together and who enter a park at the same time by using the same means of transport.

O.C. 838-2000, s. 4.

§2. Entrance

5. Subject to the exemptions provided for in section 6, any person who enters a park, travels or engages in an activity in a park shall hold an authorization to enter issued under section 6.1 of the Parks Act (chapter P-9).

The authorization shall be issued, subject to the exemptions provided for in section 7, upon payment of the fees provided for in section 1 of Schedule 1; the fees include the amount of any payable tax.

The daily authorization to enter shall be valid until midnight.

The yearly authorization to enter shall be valid for the year following the date on which it was issued.

The date or year for which entering a park, travelling or engaging in an activity in a park is allowed shall be indicated on any authorization to enter.

O.C. 838-2000, s. 5.

6. The following persons shall be exempted from the obligation to hold the authorization provided for in the first paragraph of section 5:

(1) persons who travel across Parc national du Mont-Orford by taking La Montagnarde bicycle path, who travel across Parc national d'Oka by taking La Vagabonde bicycle path, or who travel across Parc national d'Aiguebelle or Parc national du Bic by taking La Route Verte bicycle path;

(2) persons who travel across Parc national de la Gaspésie by taking the route linking Mont-Saint-Pierre to the road circling Monts McGerrigle;

(3) persons who, to the extent allowed in section 21, travel by snowmobile in Parc national du Mont-Tremblant;

(4) persons who enter Parc national du Mont-Orford, Parc national du Mont-Saint-Bruno or Parc national du Mont-Tremblant for the sole purpose of going to a territory subject to a contract establishing superficies, under section 8.1 of the Parks Act (chapter P-9), or who are returning directly from there;

(5) (paragraph revoked);

(6) employees of the Société des établissements de plein air du Québec or of another contracting party referred to in section 8.1 of the Parks Act, who must enter a park for work purposes.

O.C. 838-2000, s. 6; O.C. 157-2002, s. 2; S.Q. 2006, c. 14, s. 6; O.C. 316-2011, s. 3.

7. The following persons shall be exempted from paying the fees provided for in the second paragraph of section 5, in the cases stipulated hereafter and if they so request an employee of the Société or an employee of another contracting party referred to in section 8.1 of the Parks Act (chapter P-9), appointed by the Minister pursuant to section 6.1 of the Act to issue the authorizations provided therein:

(1) children aged 5 or under;

(2) (paragraph revoked);

(3) students in an organized group from a school board or a private institution holding a permit issued under the Act respecting private education (chapter E-9.1), located in Québec, to offer preschool education or education at the elementary or secondary level;

(4) students in an organized group from a college or university-level educational institution, located in Québec, who enter a park for educational purposes within the framework of a school program;

(5) persons who must enter a park for work purposes;

- (6) persons who travel across Parc national d'Aiguebelle by taking Route 1 linking Mont-Brun to Taschereau or the sections of route to the east of that route or by taking Rivière Kinojévis to go to Canton Mandeville;
- (6.1) persons who, from Municipalité de Saint-Michel-du-Squatec, take the Vieille route road that is part of Parc national du Lac-Témiscouata for the sole purpose of getting to the territory situated outside the park, to the northwest of that road, or who are returning directly from there;
- (6.2) persons who take chemin Lafrenière that is part of Parc national d'Opémican for the sole purpose of getting to the territory situated outside the park or who are returning directly from there;
- (7) persons who travel across Parc national de la Pointe-Taillon by taking La Véloroute des bleuets bicycle path;
- (8) persons who must enter a park for the sole purpose of going to their residence or their private property or of returning from there, as well as their guests;
- (9) persons who enter Parc national du Bic or Parc national des Îles-de-Boucherville for the sole purpose of going to a territory subject to a contract establishing superficies, under section 8.1 of the Parks Act, or who are returning directly from there;
- (10) persons living in Tadoussac and who enter Parc national du Fjord-du-Saguenay for the sole purpose of going to Maison des Dunes, or who are returning directly from there;
- (11) persons who accompany handicapped persons within the meaning of section 1 of the Act to secure handicapped persons in the exercise of their rights with a view to achieving social, school and workplace integration (chapter E-20.1) for whom it would be impossible, because of their handicap, to enter a park, to travel or to engage in an activity in a park without being so accompanied;
- (12) persons who enter a park for the sole purpose of taking part in an activity in the context of a particular event lasting one day or less, organized by the Société or by another contracting party or together with the Société or the other contracting party, or who are returning directly from there after taking part in that activity;
- (13) members of a Native community, referred to in Column I of section 3 of Schedule 1, who engage in an activity for food, ritual or social purposes in a park referred to in Column II.

An application for exemption for a child aged five or under may be made by any person who has custody of the child or who is responsible for watching him.

O.C. 838-2000, s. 7; O.C. 1124-2009, s. 2; O.C. 316-2011, ss. 4 and 5; O.C. 1201-2013, s. 2.

§3. Stay

8. A person who stays in a park must hold a staying authorization issued under section 6.1 of the Parks Act (chapter P-9).

A staying authorization must specify the period and the place of the stay.

A staying authorization shall serve as the authorization to enter provided for in section 5, from midnight to the time indicated thereon, for the last day of stay specified thereon.

For the purposes of this section, the expression “to stay in a park” means to be at some place in a park to sleep, between 10:00 p.m. and 8:00 a.m.

O.C. 838-2000, s. 8.

9. Section 8 does not apply to members of a Native community, referred to in Column I of section 3 of Schedule 1, who engage in an activity for food, ritual or social purposes in a park referred to in Column II.

O.C. 838-2000, s. 9.

§4. Fishing

10. In addition to the authorization to enter referred to in section 5, any person who fishes in a park shall hold an authorization to fish issued under section 6.1 of the Parks Act (chapter P-9).

The authorization shall be issued upon payment of the fees provided for in section 2 of Schedule 1; the fees do not include the amount of the payable taxes.

Where lodging in a camp is not provided, the fees provided for in paragraph 2.1 of section 2 of that Schedule shall include the cost of the authorization to fish for a child under 18 years of age accompanied by the person having parental authority, holding an authorization to fish, or who is part of a group whose supervision is the responsibility of a person of 18 years of age or over, holding an authorization to fish.

O.C. 838-2000, s. 10.

10.1. No authorization to fish may be issued in the territory of Parc national du Mont-Saint-Bruno except in favour of the owners of landlocked parcels who benefit from a fishing servitude on lakes Seigneurial and du Moulin.

The said owners are exempted from payment of the fees provided for in the second paragraph of section 10.

O.C. 1024-2013, s. 1.

11. Section 10 does not apply:

(1) to persons who fish in Parc national du Bic, Parc national de l'Île-Bonaventure-et-du-Rocher-Percé, Parc national des Îles-de-Boucherville, Parc national de Miguasha, Parc national du Mont-Orford, Parc national d'Oka, Parc national de la Pointe-Taillon, Parc national de la Yamaska, Parc national de Plaisance, the part of Saint-François and Maskinongé lakes situated in Parc national de Frontenac, the part of Lac Témiscouata situated in Parc national du Lac-Témiscouata, the part of Kipawa and Témiscamingue lakes situated in Parc national d'Opémican or the part of Lac Provost situated in Parc national du Mont-Tremblant;

(2) to members of a Native community referred to in Column I of section 3 of Schedule 1 who fish in a park referred to in Column II under a communal licence issued under the Aboriginal Communal Fishing Licences Regulations (SOR/93-332) or under a food fishing licence for an aboriginal issued under the Québec Fisheries Regulations (1990) (SOR/90-214).

O.C. 838-2000, s. 11; O.C. 1124-2009, s. 3; O.C. 316-2011, s. 6; O.C. 1201-2013, s. 3.

12. To fish Atlantic salmon in the Rivière Sainte-Anne located in Parc national de la Gaspésie, any person must, in addition, have made a reservation.

O.C. 838-2000, s. 12.

13. Any holder of an authorization to fish must rent lodging services, fishing equipment and any other available services related to that activity where they are offered at the place for which the authorization to fish is issued.

O.C. 838-2000, s. 13.

DIVISION IV POWERS AND DUTIES OF EMPLOYEES

14. The park superintendent shall draw up the list of activities offered in the park, for educational or recreational purposes, indicating the periods and areas where the activities may be engaged in except in a maximum preservation zone; he shall also indicate on that list the means of admission authorized in the park, for educational or recreational purposes, as well as the periods and areas where they may be used.

He shall post that list at the reception station or at any other place in the park where it may be easily consulted by any person who enters the park. He shall give a copy thereof to any interested person.

It is the responsibility of the park superintendent to have the information contained in the list displayed on signs, where applicable.

O.C. 838-2000, s. 14.

15. A park superintendent may, for educational, recreational, scientific or management purposes, authorize the practice of an activity that is not set out in the list of activities offered in the park, or the practice of an activity that is offered but during a period or in an area other than what is set out in that list, provided that the practice of the activity does not:

- (1) damage the natural environment;
- (2) disturb the peace and quiet of others or endanger their safety;
- (3) interfere with wildlife.

A park superintendent may also, for the same purposes, authorize means of admission different from those provided for in the list referred to in section 14 or according to periods or areas different from those indicated in that list.

In a maximum preservation zone, an authorization provided for in this section may be issued by a park superintendent only for scientific or management purposes.

O.C. 838-2000, s. 15.

16. A park superintendent may temporarily prohibit the practice of an activity or deny access to part or all of the park:

- (1) if human safety is in jeopardy;
- (2) if facilities have reached or exceeded maximum capacity;
- (3) if there is risk of damage to the environment;
- (4) if there is specific need to protect a wildlife or a plant species.

A park superintendent shall post a notice stating any such prohibition at the reception station or at any other place in the park where it may be easily read by any person who enters the park. He shall give a copy thereof to any interested person.

It is the responsibility of a park superintendent to have such prohibitions indicated on signs.

O.C. 838-2000, s. 16.

17. The employees of the Société who are appointed by the Société to issue the authorizations provided for in section 6.1 of the Parks Act (chapter P-9) or, where a contract was concluded under section 8.1 or 8.1.1 of the Act, the employees of the contracting party who are appointed to that end by the Minister, may require any person who is in a park to produce his or her authorization to enter, stay or fish; they may also require that he or she produce the authorizations issued by a park superintendent under section 15.

O.C. 838-2000, s. 17; O.C. 316-2011, s. 7.

DIVISION V

CONDITIONS FOR STAYING, TRAVELLING AND ENGAGING IN ACTIVITIES

18. Any person who travels, stays or engages in an activity in a park shall comply with the list of activities and means of admission referred to in section 14 and with the periods and areas indicated thereon and on the signs unless he has obtained an authorization from the park superintendent under section 15, in which case, the person shall comply with the authorization.

The first paragraph does not apply to members of a Native community referred to in Column I of section 3 of Schedule 1 who engage in an activity for food, ritual or social purposes in a park referred to in Column II, except in a maximum preservation zone.

O.C. 838-2000, s. 18.

19. Any person who is in a park shall, at the request of an employee referred to in section 17, immediately produce his authorization to enter, stay or fish or those provided for in section 15, where required under this Regulation.

O.C. 838-2000, s. 19.

20. No person who travels, stays or engages in an activity in a park for purposes other than scientific or management purposes may

(1) fell, damage, remove or bring in a tree, a shrub, a herbaceous plant or a part thereof; however, the picking of edible vegetable products is allowed, except for commercial purposes or in a preservation zone or maximum preservation zone;

(2) paint, deface or remove rocks or parts thereof, pebbles, fossils or other natural formations;

(3) feed animals living in the park or leave food for them;

(4) bring in animals or fish except:

(a) guide dogs;

(b) dogs or horses used to engage in an activity offered in the park;

(c) to travel across the park or to travel in the park in possession of an animal or a fish kept at all times inside a vehicle or a boat;

(d) to travel or stay in a park or to engage in an activity in the park with a dog kept at all times on a leash and only at the places marked for that purpose;

(5) make fires at places other than those marked for that purpose;

(6) capture insects or spiders.

Notwithstanding the first paragraph, members of a Native community referred to in Column I of section 3 of Schedule 1 who engage in an activity for food, ritual or social purposes in a park referred to in Column II are authorized to fell trees to make fires or to heat a temporary camp on the premises.

O.C. 838-2000, s. 20; O.C. 316-2011, s. 8.

21. No person may travel in a park, for purposes other than scientific or management purposes, by off-highway vehicle referred to in section 1 of the Act respecting off-highway vehicles (chapter V-1.2); however, that prohibition does not apply to persons travelling by off-highway vehicles referred to in subparagraph 1 or 2 of the first paragraph of section 1 of that Act during the periods and on the trails marked for that purpose, where the practice of those activities is expressly authorized by the Minister of Sustainable Development, Environment and Parks.

Notwithstanding the first paragraph, members of a Native community referred to in Column I of section 3 of Schedule I who engage in an activity for food, ritual or social purposes in a park referred to in Column II are

authorized to travel by snowmobile, except in a maximum preservation zone.

O.C. 838-2000, s. 21.

22. The possession of fishing tackle is prohibited in a park except for holders of an authorization to fish and for members of a Native community referred to in Column I of section 3 of Schedule 1 who fish in a park referred to in Column II under a communal licence issued under the Aboriginal Communal Fishing Licences Regulations (SOR/93-332) or under a food fishing licence for an aboriginal issued under the Québec Fisheries Regulations (1990) (SOR/90-214).

Furthermore, that prohibition does not apply to a person who fishes in Parc national du Bic, Parc national de l'Île-Bonaventure-et-du-Rocher-Percé, Parc national des Îles-de-Boucherville, Parc national de Miguasha, Parc national du Mont-Orford, Parc national d'Oka, Parc national de la Pointe-Taillon, Parc national du Fjord-du-Saguenay, Parc national de la Yamaska, Parc national de Plaisance, the part of Saint-François and Maskinongé lakes situated in Parc national de Frontenac, the part of Lac Témiscouata situated in Parc national du Lac-Témiscouata, the part of Kipawa and Témiscamingue lakes situated in Parc national d'Opémican or the part of Lac Provost situated in Parc national du Mont-Tremblant.

O.C. 838-2000, s. 22; O.C. 1124-2009, s. 4; O.C. 316-2011, s. 9; O.C. 1201-2013, s. 4.

23. The possession of arms or hunting or trapping implements is prohibited in a park.

O.C. 838-2000, s. 23.

24. A holder of an authorization to fish shall, after practising his activity, report his activity at the place provided for that purpose at the reception station by indicating the number of fish he has caught per day, if any; certain parts of the fish may be taken for study purposes.

A person who has caught an Atlantic salmon shall bring it whole to the place provided for that purpose to have it measured and registered.

This section also applies to members of a Native community referred to in Column I of section 3 of Schedule 1 who fish in a park referred to in Column II under a communal licence issued under the Aboriginal Communal Fishing Licences Regulations (SOR/93-332) or under a food fishing licence for an aboriginal issued under the Québec Fisheries Regulations (1990) (SOR/90-214).

O.C. 838-2000, s. 24.

DIVISION VI ADMINISTRATIVE SANCTION

25. Every person who infringes the Parks Act (chapter P-9), this Regulation, the Act respecting the conservation and development of wildlife (chapter C-61.1) or the Fisheries Act (R.S.C. 1985, c. F-14) may be ejected from a park or from part of the park where that person is at the time of the infringement; that person shall obey that expulsion order immediately.

O.C. 838-2000, s. 25.

DIVISION VII PENAL PROVISION

26. Every person who infringes any of the provisions of sections 5, 8, 10, 12, 13 or 18 to 25 or an authorization given by a park superintendent pursuant to section 15 or a prohibition to enter or to engage in an activity ordered by him pursuant to section 16, is guilty of an offence punishable according to section 11.3 of the Parks Act (chapter P-9).

O.C. 838-2000, s. 26.

27. (Omitted).

O.C. 838-2000, s. 27.

28. (Omitted).

O.C. 838-2000.
