Purpose and aims of statutory measure and the relation thereof to the objectives of the Act

2. The purpose and aims of the statutory measure is to compel the parties set out herein to keep records and render returns to Protea Producers SA (PPSA). This is necessary to ensure that continuous, timeous and accurate technical and other information relating to the products as defined, is available to all role players. Such information is deemed essential for all role players in order for them to make informed decisions. By prescribing the keeping of records with the rendering of returns on an individual basis, export and production information of fynbos products can be processed and disseminated.

opportunities or fair labour practice. Any information obtained will be dealt with in a confidential manner and no sensitive or potentially sensitive client-specific information will be made available to any party without the prior approval of the party whose rights may be affected.

The measure will be administered by HORTGRO^{SERVICES}, a company established in terms of the Companies Act (as amended), 1973 (Act 61 of 1973). HORTGRO^{SERVICES} will implement and administer the measure as set out in the Schedule on behalf of PPSA.
