5.8 Die Sekretaris het die reg om al die bosprodukte of regte wat hy vir verkoop aangebied of geadverteer het, of 'n deel daarvan, aan verkoping te onttrek, of hy kan die verkoping weens ongunstige weer of oorstromings of om ander redes uitstel.

5.9 'n Verkoping by openbare veiling of by tender word gereël op 'n wyse wat die Sekretaris die geskikste ag.

Die Sekretaris is nie verplig om 'n tender te oorweeg wat nie in elke opsig voldoen aan die voorwaardes wat in gemelde kennisgewing vervat is nie.

4.2 In cases where the interests of a specific community are affected, the Secretary may, with regard to a servitude or right in respect of a State forest which existed at the commencement of the Forest Act, 1941 (Act 13 of 1941), from time to time determine the place and time at which and the manner in which such servitude or right may be exercised.

5. SALE AND DISPOSAL OF FOREST PRODUCE, OTHER ASSETS AND CERTAIN RIGHTS IN RESPECT OF THE FOREST ESTATE.

5.1 In respect of the forest estate, save as provided in regulation 5.2, the sale or disposal of forest produce or rights to forest produce or the disposal of grazing or cultivation rights or rights to the use of roads, land or buildings on the forest estate, shall be effected by public auction, or by tender, or at tariffs prescribed in terms of the Act.

5.2 In those cases where the demand for a specific forest product or right is such that, in the opinion of the Secretary, no useful purpose will be served by offering it for sale or disposing thereof by means of public auction, or tender or at tariffs, he may dispose of such product or right through negotiation by private treaty.

5.3 Notwithstanding anything to the contrary contained in regulations 5.1 and 5.2, the Secretary may, by means of free samples, make available forest produce for educational, research, testing, demonstration or advertising purposes.

5.4 In respect of the forest estate no forest produce or rights shall, save with the approval of the Treasury, be disposed of otherwise than in accordance with the provisions contained in regulations 5.1, 5.2 and 5.3.

5.5 The disposal of stores, equipment, livestock and other assets constituting part of the forest estate, other than those mentioned in regulations 5.1 and 5.2, shall be governed by the provisions of the Treasury Instructions framed under section 61 of the Exchequer and Audit Act, 1956 (Act 23 of 1956), as amended.

5.6 In the case of sale by public auction of forest produce or rights as set out in regulation 5.1, the Secretary may fix a minimum price, but the highest or any bid need not necessarily be accepted.

5.7 In the event of any purchaser at a sale by public auction of forest produce or rights as set out in regulation 5.1 failing, upon demand by the Secretary, to deposit the purchase money or to furnish a security referred to in regulation 5.14 on the day of the sale, the Secretary may cancel the sale to such purchaser and again put up the forest produce or rights, as the case may be, to auction.

5.8 The Secretary shall have the right to withdraw from sale either the whole or portion of any forest produce or rights offered or advertised for sale by him, or may postpone the sale on account of bad weather or floods or for other reasons.

5.9 A sale by public auction or by tender shall be arranged in a manner which the Secretary considers most suitable.

5.10 Tenders shall be signed, sealed and superscribed on the envelope as directed in the notice calling for tenders and shall be delivered on or before the closing hour and date specified in the said notice at the place mentioned therein. The Secretary shall not be obliged to consider a tender which does not comply in every respect with the conditions stipulated in the said notice.

5.11 Tenders shall remain firm for a period to be stated in the notice calling for tenders.

5.12 The highest or any tender need not necessarily be accepted.

5.14 Van 'n persoon aan wie bosprodukte of 'n reg op die gebruik of die okkupering van grond of 'n saagmeul, fabriek of gebou of 'n ander reg by wyse van ooreenkoms of lisensie verkoop of toegeken is, kan 'n kontantdeposito, bankwaarborg, borgakke of ander sekuriteit deur die Sekretaris goedgekeur, geëis word as waarborg vir die behoorlike nakoming deur sodanige persoon van al sy verpligtings ten opsigte van sodanige produkte of reg, met inbegrip van die betaling van bedrae daarop verskuldig en vergoeding vir skade aan bouseiendom waarvoor hy aanspreeklik mag word, en sodanige waarborg of 'n gedeelte daarvan wat voldoende gegang word om skade of verliese gely, te dek, word verbeur indien sodanige persoon nie sodanige verpligtings nakom nie: Met dien verstande dat die verbeuring van sodanige waarborg sodanige persoon nie vrystel van sy aanspreeklikheid vir verliese of skade bo en behalwe die waarde van sodanige waarborg deur die Departement gely as gevolg van die nie-nakoming van sodanige verpligtings nie.

5.15 Die aanname van so 'n waarborg ten opsigte van 'n bosprodukt of van 'n reg is onderworpe aan die voorwaarde dat die borg hom regtens verbind as borg *in solidum* en medehoofskuldenaar en afstand doen van die voorregte van die ekspesie van uitwinning en skuldverdeling.

5.18 Tensy in die verkoopvoorwaardes anders bepaal word, is 'n verkoping van bosprodukte wat van die bouseiendom verkry is, nie bindend nie voordat die koopprys of die gelde vir 'n toegestane reg betaal of, na gelang van die geval, die nodige lisensie of kwitansie uitgereik of die nodige ooreenkoms aangeaan is.

5.19 Die Sekretaris kan, op voorwaardes wat hy stel, toegewings doen vir gebreke in bosprodukte indien sodanige gebreke in die bosprodukte of deel daarvan na sy mening die bosprodukte minder waardevol of minder bruikbaar maak vir die doel waarvoor dit vir verkoop aangebied was.

5.20 Die persoon aan wie bosprodukte in 'n Staatsbos toegeken of verkoop is, verbeur sy reg op soveel van sodanige produkte as wat nie binne die tydperk in die betrokke lisensie of verkoopakte genoem uit die betrokke Staatsbos of na 'n plek deur 'n bosbeampte in sodanige Staatsbos aangewys, verwyder is nie. Die Sekretaris kan 'n verlenging van genoemde tydperk toestaan. Indien sodanige persoon dan nog in gebreke bly om sodanige bosprodukte binne die verlengde tydperk te verwyder, beskik die Sekretaris daarvoor.

5.21 Die Sekretaris kan, ondanks andersluidende bepalinge van hierdie regulasies, bosprodukte deur bemiddeling van 'n goedgekeurde agent van die hand sit op die wyse bepaal in regulasie 5.2.

5.15 The acceptance of such a guarantee in respect of any forest produce or of any right shall be subject to the surety binding himself in law as surety *in solidum* and co-principal debtor, renouncing the benefits of the exceptions of *excussion* and *division*.

5.16 A forest officer shall at all reasonable times for official purposes have the right of access to any premises, sawmills or plants where wood obtained from the forest estate is treated, converted or processed.

5.20 The person to whom any forest produce in a State forest has been allotted or sold shall forfeit his rights to so much of such produce as has not been removed from the State forest concerned, or to a place in such State forest indicated by a forest officer, within the period stipulated in the relevant licence or deed of sale. The Secretary may grant an extension of the said period. If such person still fails to remove such forest produce within the extended period, the Secretary shall dispose thereof.

5.21 Notwithstanding anything to the contrary in these regulations, the Secretary may dispose of any forest produce through an approved agent in the manner prescribed in regulation 5.2.

5.22 Subject to the provisions of these regulations, the Secretary shall, in respect of any State forest, have the power to prescribe the conditions attaching to the sale or disposal of trees, wood or other forest produce and to the use of land for cultivation, grazing or camping, or for picknicking or for residential purposes and to hunting or fishing.

6.7 Die volume en waarde van hout vir verkoop word bepaal voordat die bewerking of verwerking daarvan 'n aanvang neem: Met dien verstande dat die verantwoordelike bosbeampte 'n koper kan magtig om hout in bome wat gebreke het, te bewerk of verwerk in die mate wat nodig is om sodanige beampte daartoe in staat te stel om die waarde daarvan te bepaal, en gemelde waarde sluit die waarde van die dele in wat na die mening van sodanige beampte by die vel of bewerking of verwerking, onnodig verkwis is.

7.3 Die volume van 'n ronde blok, paal, lat of spanpaaltjie is die produk van sy lengte en sy gemiddelde stamvlak.

7.4 Vir die berekening van volume soos in regulasie 7.3 bepaal, kan die Sekretaris, wanneer deursnee, omtrek en lengte gemeet is, breuke van 'n deursnee-, omtrek-, of lengtemaat, na gelang van die geval, afrond en kan hy die gemiddelde stamvlak van blokke, pale, latte of spanpaaltjies bereken ooreenkomstig reëls en metodes deur hom voorgeskryf.
