## CHAPTER E-0.01 REG 7

### *The Ecological Reserves Act*

#### **Title**

- 1** These regulations may be cited as *The Representative Area Ecological Reserves Regulations*.

#### **Interpretation**

- 2** In these regulations:

- (a) “**Act**” means *The Ecological Reserves Act*;
- (a.1) “**all terrain vehicle**” means an all terrain vehicle as defined in *The All Terrain Vehicles Act*;
- (b) “**department**” means the department over which the minister presides;
- (c) “**ecosystem**” means a biological community of interacting organisms and their physical environment;
- (d) “**permit**” means a permit issued pursuant to these regulations;
- (e) “**permittee**” means the person to whom a permit is issued;
- (f) “**representative area**” means an ecological reserve designated pursuant to section 4;
- (g) “**snowmobile**” means a snowmobile as defined in *The Snowmobile Act*.

5 Mar 99 cE-0.01 Reg 7 s2; 20 Sep 2002 SR 86/  
2002 s3.

#### **Purpose**

- 3** The purpose of these regulations is to create representative areas to serve as benchmarks for measuring environmental change in, and the ecological health of, other areas in Saskatchewan by:

- (a) preserving the ecological resources of representative areas;
- (b) preserving the distinctive geological features of representative areas;  
and
- (c) providing opportunities for scientific research and study related to the ecological health of representative areas.

5 Mar 99 cE-0.01 Reg 7 s3.

#### **Ecological reserves designated**

- 4** The areas described in the Appendix are designated as ecological reserves.

5 Mar 99 cE-0.01 Reg 7 s4.

**Activities allowed in a representative area without a permit**

**5(1)** Unless specifically prohibited from doing so in the Appendix, individuals or groups consisting of 10 or fewer individuals may enter and conduct the following activities in a representative area without a permit if those activities are otherwise authorized by law:

- (a) trapping;
  - (b) hunting;
  - (c) angling;
  - (d) mushroom picking;
  - (e) berry picking;
  - (f) walking, hiking, backpacking and nature observation and appreciation;
  - (g) any activity set out in the Appendix for that representative area.
- (2) Notwithstanding subsection (1):
- (a) a group of more than 10 students may, without a permit, enter and conduct nature observation and appreciation in a representative area as part of an organized educational activity or pursuit; and
  - (b) a group of more than 10 individuals may, without a permit, enter a representative area and conduct any activity mentioned in subsection (1) if:
    - (i) those activities are otherwise authorized by law; and
    - (ii) the Appendix for that representative area exempts the representative area from the limitation on the number of individuals.
- (3) Unless authorized to do so in the Appendix for that representative area, no individual entering a representative area for any purpose mentioned in subsection (1) or (2) shall:
- (a) introduce into the representative area any plant or animal species; or
  - (b) leave in the representative area any articles or materials taken into the representative area by that individual.

5 Mar 99 cE-0.01 Reg 7 s5; 20 Sep 2002 SR 86/  
2002 s4.

**Permit necessary for certain activities**

**6(1)** A person who wishes to enter a representative area and conduct any of the following activities must obtain a permit authorizing that entrance and those activities from the minister:

- (a) access trail development;
- (b) research studies for the purpose of measuring and monitoring environmental change and ecological health in the representative area;
- (c) any activity mentioned in subsection 5(1) where that activity is to be conducted by more than 10 individuals and is otherwise authorized by law;
- (d) any activity set out in the Appendix for that representative area.

(2) Notwithstanding clause (1)(c), more than 10 individuals may enter a representative area without a permit and conduct the activities mentioned in subsection 5(1) if:

- (a) those activities are otherwise authorized by law; and
- (b) the Appendix for that representative area exempts the representative area from the limitation on the number of individuals.

5 Mar 99 cE-0.01 Reg 7 s6; 20 Sep 2002 SR 86/  
2002 s5.

**Permit application**

**7** An application for a permit must be in a form acceptable to the minister and must include the following:

- (a) the name of the applicant;
- (b) where the person who will be responsible for directing the activity on the representative area is not the applicant, the name of the person who will be responsible for directing the activity;
- (c) the number of individuals who will be entering the representative area and, if requested by the minister, the names of those individuals;
- (d) a description of the proposed activity and methodology;
- (e) a description of the portion of the representative area to be used, with an accompanying map;
- (f) a description of the means of access to, and within, the representative area;
- (g) a statement regarding the proposed frequency and duration of the use of the representative area and the proposed dates that the activity will take place;
- (h) a statement regarding the predicted ecological impact of the activity and the methods that will be used to determine the impact;
- (i) a statement outlining the actions to be undertaken to mitigate the ecological impact of the activity;
- (j) any other information or material that the minister may require.

5 Mar 99 cE-0.01 Reg 7 s7.

**Minister may issue permit**

**8(1)** The minister, after receiving and reviewing an application for a permit and any other information or material that the minister considers relevant, shall:

- (a) issue the permit, subject to any terms the minister considers appropriate;  
or
- (b) refuse to issue the permit if, in the opinion of the minister:
  - (i) the activity is adverse to the principles of ecosystem-based management;
  - (ii) the activity is adverse to the ecosystem of the representative area;

- (iii) the activity may conflict with the activities of other permittees in the representative area;
  - (iv) the activity may conflict with management plans that are in place for the representative area; or
  - (v) it is appropriate to do so for any other reason.
- (2) The minister shall notify an applicant of the decision to refuse to issue a permit.

5 Mar 99 cE-0.01 Reg 7 s8.

**Implied terms**

**9** Unless the permit indicates otherwise, it is an implied term of every permit that the person authorized to enter the representative area under the permit shall not:

- (a) introduce into the representative area any plant or animal species; or
- (b) leave in the representative area any articles or materials taken into the representative area by that person.

5 Mar 99 cE-0.01 Reg 7 s9.

**Permit may be amended, suspended or cancelled**

**10(1)** The minister may amend, suspend or cancel a permit where the minister is satisfied that:

- (a) the permittee or a person authorized to enter the representative area has contravened the terms of the permit or the provisions of any Act or regulations made pursuant to an Act that apply to activities in the representative area;
  - (b) the activities of the persons authorized to enter the representative area under the permit are adverse to the ecosystem of the representative area or
  - (c) any of the conditions mentioned in section 8 for refusing to issue a permit exist.
- (2) Unless exigent circumstances exist, where the minister proposes to amend, suspend or cancel a permit, the minister shall provide the permittee with written reasons for the proposed amendment, suspension or cancellation and an opportunity to make written representations respecting that proposal.

5 Mar 99 cE-0.01 Reg 7 s10.

**Disposition of representative area land**

**11** For the purposes of section 7 of the Act, nothing in these regulations precludes the Government from granting, transferring, assigning, leasing or disposing of any right, title, interest or estate in the land of a representative area where the grant, transfer, assignment, lease or disposition is respecting an activity authorized pursuant to section 5 or 6 or an activity set out in the Appendix for that representative area.

5 Mar 99 cE-0.01 Reg 7 s11.

**Posting**

**12** For the purposes of section 8 of the Act, the publication of the Appendix in the Saskatchewan Gazette is deemed to be posting of a representative area.

5 Mar 99 cE-0.01 Reg 7 s12.

## Appendix

### PART I

#### Wapawekka Hills Representative Area

##### Activities for which a permit is not required

**1** For the purposes of clause 5(1)(g) of the regulations, in the Wapawekka Hills Representative Area a permit is not required for the following activities:

- (a) pipestone collection for personal use;
- (b) outfitting, where that activity is carried out under an outfitter's licence issued or renewed pursuant to *The Outfitter and Guide Regulations, 2004* prior to the coming into force of this Part;
- (c) placement of bait, where that activity is carried out:
  - (i) in accordance with *The Wildlife Regulations, 1981*; and
  - (ii) in conjunction with the outfitting activity mentioned in clause (b);
- (d) wild rice harvesting, where that activity is carried out under a licence or permit issued or renewed pursuant to *The Wild Rice Regulations* prior to the coming into force of this Part;
- (e) staking a mineral claim in the areas described in section 4 of this Part;
- (f) use of the land respecting a recreation lease, where the lease was issued prior to the coming into force of this Part;
- (g) any activity mentioned in clause (b), (d) or (f) where that activity is carried out pursuant to a licence, permit or lease issued or renewed after the coming into force of this Part on the basis of a licence, permit or lease that existed prior to the coming into force of this Part.

##### Activity for which a permit is required

**2** For the purposes of clause 6(1)(d) of the regulations, a permit is required for mineral exploration in the areas described in section 4 of this Part.

##### Description of Wapawekka Hills Representative Area

**3** The Wapawekka Hills Representative Area consists of all those lands lying within the boundaries described as:

- (a) commencing at a point of latitude 54°51'22" longitude 104°00'00";
- (b) thence westerly approximately 7.2 kilometres along the line of approximate latitude 54°51'22" to a point of longitude 104°06'43";
- (c) thence southerly approximately three kilometres along the line of approximate longitude 104°06'43" to a point of latitude 54°49'48";
- (d) thence due west approximately three kilometres along the line of latitude 54°49'48" to a point of longitude 104°09'32";
- (e) thence southerly approximately three kilometres along the line of approximate longitude 104°09'32" to a point of latitude 54°48'11";
- (f) thence due west approximately two kilometres along the line of latitude 54°48'11" to a point of longitude 104°11'28";

- (g) thence southerly approximately four kilometres along the line of approximate longitude 104°11'28" to point of latitude 54°46'01";
  - (h) thence westerly approximately two kilometres along the line of approximate latitude 54°46'01" to a point of longitude 104°13'23";
  - (i) thence southerly approximately six kilometres along the line of approximate longitude 104°13'23" to a point of latitude 54°42'50";
  - (j) thence westerly approximately 20.1 kilometres along the line of approximate latitude 54°42'50" to a point of longitude 104°32'02";
  - (k) thence northerly approximately 11 kilometres along the line of approximate longitude 104°32'02" to a point of latitude 54°48'50";
  - (l) thence due west approximately three kilometres along the line of latitude 54°48'50" to a point of longitude 104°34'48";
  - (m) thence due north approximately two kilometres along the line of longitude 104°34'48" to a point of latitude 54°49'55";
  - (n) thence due west approximately two kilometres along the line of latitude 54°49'55" to a point of longitude 104°36'40";
  - (o) thence due north approximately two kilometres along the line of longitude 104°36'40" to a point of latitude 54°51'00";
  - (p) thence due west approximately one kilometre along the line of latitude 54°51'00" to a point of longitude 104°37'34";
  - (q) thence due north approximately one kilometre along the line of longitude 104°37'34" to a point of latitude 54°51'32";
  - (r) thence westerly approximately 2.1 kilometres along the line of approximate latitude 54°51'32" to a point on the south bank of Wapawekka Lake at approximate longitude 104°39'22";
  - (s) thence north-easterly approximately 66 kilometres along the south bank of Wapawekka Lake to the point where the south bank of Wapawekka Lake intersects with the south bank of Deschambault River at approximate latitude 54°55'42" longitude 104°01'36";
  - (t) thence easterly approximately two kilometres along the south bank of Deschambault River to the point where the south bank intersects with longitude 104°00'00" at approximate latitude 54°55'23";
  - (u) thence due south approximately 7.6 kilometres along the line of longitude 104°00'00" to the point of commencement;
- excepting lands identified as Parcel A as shown on registered plan #91PA20640, being 0.41 hectares (1 acre) more or less.

**Mineral exploration areas**

4 For the purposes of clauses 1(e) and section 2 of this Part, the area in which the staking of a mineral claim and mineral exploration may take place consists of all those lands lying within the boundaries described as:

Firstly:

- (a) commencing at a point on the south bank of Wapawekka Lake at latitude 54°55'26" longitude 104°20'38";
- (b) thence southerly approximately 1.3 kilometres along the line of approximate longitude 104°20'38" to a point of latitude 54°54'47";
- (c) thence due west approximately 1.7 kilometres along the line of latitude 54°54'47" to a point of longitude 104°22'16";
- (d) thence due south approximately 0.8 kilometres along the line of longitude 104°22'16" to a point of latitude 54°54'22";
- (e) thence due west approximately 3.2 kilometres along the line of latitude 54°54'22" to a point of longitude 104°25'16";
- (f) thence due south approximately 0.8 kilometres along the line of longitude 104°25'16" to a point of latitude 54°53'56";
- (g) thence westerly approximately 1.6 kilometres along the line of approximate latitude 54°53'56" to a point of longitude 104°26'42";
- (h) thence southerly approximately 0.8 kilometres along the line of approximate longitude 104°26'42" to a point of latitude 54°53'31";
- (i) thence westerly approximately 1.0 kilometres along the line of approximate latitude 54°53'31" to a point of longitude 104°27'40";
- (j) thence southerly approximately 0.8 kilometres along a line of approximate longitude 104°27'40" to a point of latitude 54°53'06";
- (k) thence due west approximately 1.6 kilometres along a line of latitude 54°53'06" to a point of longitude 104°29'10";
- (l) thence due south approximately 1.7 kilometres along a line of longitude 104°29'10" to a point of latitude 54°52'08";
- (m) thence westerly approximately 0.8 kilometres along a line of approximate latitude 54°52'08" to a point of longitude 104°29'53";
- (n) thence due south approximately 0.8 kilometres along a line of longitude 104°29'53" to a point of latitude 54°51'47";
- (o) thence due west approximately 1.6 kilometres along a line of latitude 54°51'47" to a point of longitude 104°31'26";
- (p) thence due south approximately 1.6 kilometres along a line of longitude 104°31'26" to a point of latitude 54°50'56";
- (q) thence due west approximately 0.9 kilometres along a line of latitude 54°50'56" to a point of longitude 104°32'17";
- (r) thence due south approximately 0.9 kilometres along a line of longitude 104°32'17" to a point of latitude 54°50'24";

- (s) thence due west approximately 2.3 kilometres along a line of latitude 54°50'24" to a point of longitude 104°34'26";
- (t) thence due south approximately 0.7 kilometres along a line of longitude 104°34'26" to a point of latitude 54°50'02";
- (u) thence due west approximately 2.0 kilometres along a line of latitude 54°49'55" to a point of longitude 104°36'40";
- (v) thence due north approximately 2.0 kilometres along a line of longitude 104°36'40" to a point of latitude 54°51'00";
- (w) thence due west approximately 1.0 kilometres along a line of latitude 54°51'00" to a point of longitude 104°37'34";
- (x) thence due north approximately 1.0 kilometres along a line of longitude 104°37'34" to a point of latitude 54°51'32";

## PART II

### Seager Wheeler Lake Representative Area

#### Activities for which a permit is not required

1 For the purposes of clause 5(1)(g) of the regulations, in the Seager Wheeler Lake Representative Area a permit is not required for the following activities:

- (a) snowmobiling, where that activity takes place on trails that existed prior to the coming into force of this Part;
- (b) outfitting, where that activity is carried out under an outfitter's licence issued or renewed pursuant to *The Outfitter and Guide Regulations, 2004* prior to the coming into force of this Part;
- (c) placement of bait, where that activity is carried out:
  - (i) in accordance with *The Wildlife Regulations, 1981*; and
  - (ii) in conjunction with the outfitting activity mentioned in clause (b);
- (d) wild rice harvesting, where that activity is carried out under a licence or permit issued or renewed pursuant to *The Wild Rice Regulations* prior to the coming into force of this Part;
- (e) bait fishing, where that activity is carried out under a bait fishing licence issued pursuant to *The Fisheries Regulations*;
- (f) use of the land respecting a recreation lease, where the lease was issued prior to the coming into force of this Part;
- (g) any activity mentioned in clause (b), (d) or (f) where that activity is carried out pursuant to a licence, permit or lease issued or renewed after the coming into force of this Part on the basis of a licence, permit or lease that existed prior to the coming into force of this Part.

**Description of Seager Wheeler Lake Representative Area**

**2** The Seager Wheeler Lake Representative Area consists of all those lands lying west of the Second Meridian within Saskatchewan described as:

- (a) Sections 7 to 11, 14 to 23 and 26 to 34 in projected Township 58, Range 10;
- (b) Sections 7 to 36 in projected Township 58, Ranges 11, 12 and 13;
- (c) Sections 11 to 14, 23 to 27 and 34 to 36 in projected Township 58, Range 14;
- (d) Sections 3 to 10 and 13 to 36 in projected Township 59, Range 10;
- (e) Sections 1 to 36 in projected Township 59, in Ranges 11 and 12;
- (f) Sections 1 to 28 and 33 to 36 in projected Township 59, Range 13;
- (g) Sections 1, 2, 11, 12, 13, 14, 23 and 24 in projected Township 59, Range 14;
- (h) Sections 1 to 36 in projected Township 60, in Ranges 10, 11 and 12;
- (i) Sections 1 to 4, 9 to 16, 21 to 28 and 33 to 36 in projected Township 60, Range 13;
