

83/1993 Coll.

REGULATION of the Ministry for the Environment of the Slovak Republic dated March 23, 1993

concerning state nature reservations

Amendment: 287/1994 Coll.

The Ministry for the Environment of the Slovak Republic, according to Article 6 par. 3 and Article 10 par. 2 of the Slovak National Council (SNR) Act No. 1/1955 Coll. SNR concerning state nature preservation, orders:

Article 1

(1) To protect natural ecosystems¹⁾ or their parts which are especially important for the preservation of a variety of both, flora and fauna, as well as for the preservation of rare or endangered species and their genofund, state nature reservations (hereafter "reservations") listed in the Annex to this regulation shall be established . The Annex also specifies territories of reservations and their protected ranges.

(2) Territories of reservations and their protected ranges shall be marked out by institutions of geodesy, cartography and cadastre in landregisters. Maps where territories of reservations and their protected ranges are marked out shall be deposited at the Ministry for the Environment of the Slovak Republic, at the Slovak Institute for Nature Preservation, at state nature preservation centres, at national parks' administrations, at both District and Subdistrict Environmental Offices where reservations are located, as well as at the regional institutions of geodesy, cartography and cadastre.

1) Article 3 of the Act No. 17/1992 Coll. concerning the environment.

This regulation shall enter into force on May 1, 1993.

Act No. 287/1994 Coll. shall enter into force on January 1, 1995.
