No. 1733/24 - WEDNESDAY, NOVEMBER 23, 2011

(Published by Authority)

PART I : SECTION (I) — GENERAL

Government Notifications

L. D. B. 4/1996.

FISHERIES AND AQUATIC RESOURCES ACT, No. 2 OF 1996

REGULATIONS made by the Minister of Fisheries and Aquatic Resources Development under section 61, read with paragraph (c) of Section 8 of the Fisheries and Aquatic Resources Act, No. 2 of 1996.

DR. RAJITHA SENARATNE,
Minister of Fisheries and Aquatic Resources Development.

Colombo,
21st November, 2011.

Regulations

1. These regulations may be cited as Inland Fishing Operations Regulations, 2011.
2. These regulations shall apply to every licensee who engages in inland fishing operation in the areas referred to in the First Schedule.
3. Notwithstanding anything to the contrary contained in the Inland Fisheries Management Regulations of 1996, a licensee shall not engage in any fishing operations in the areas referred to in the First Schedule unless specific written approval is obtained.
4. A person shall not use any fishing gear other than gill nets within the areas referred to in the First Schedule. The maximum number of gill nets and boats (Oru) that could be used, shall be a determined by the respective Fisheries Society of the area referred to in that Schedule with the concurrence of the Director General or a licensing officer specially authorized in writing in that behalf by the Director General.

5. A person shall use a gill net which has a mesh size more than four inches (101.6 mm) and maximum length shall be less than one thousand five hundred (1,500) meshes.

6. Gill nets shall be used in the specified areas only during the hours 3.00 p. m. to 7.00 p. m. for net laying and harvesting from 5.00 a. m. to 09.00 a. m. of the following day. A person shall engage in catching fish in the reservoir in the licence only once a day.

7. Any person, who wished to obtain a licence under regulation 2 may make a written application substantially in Form A of the Second Schedule hereto to the Director-General or a licensing officer specially authorized in writing in that behalf by the Director-General to receive such application together with the specific licensing fee for using a set of gill nets.

8. The Director -General or the licensing officer may, on receipt of an application for a licence, after inquiry either grant to the applicant a licence in Form B in the Second Schedule hereto or, for reasons to be recorded by him, refuse to grant a licence and refund the licence fee.

9. Every licence issued under these regulations shall be valid for a calendar year.

10. Every licence may be renewed by the Director General or the licensing officer, as the case may be, for a further period of one year on payment of a renewal fee for using a set of gill nets.

11. The Fisheries Society of the area referred to in Regulations 4 with the concurrence of the Director General shall identify and designate a fish landing site or sites to carry out activities relating to inland fishing. These activities shall include leaving to engage in fishing activities, landing of fish caught, selling the fish and anchoring of boats.

12. No person shall catch, sell, transport or be in possession of fish belonging to the -

(1) Tilapia species with individual weight of not less than 250 grams ;

(2) Rohu (*Labeo rohita*), Catla (*Catla catla*), Mirigal (*Cirrhinus mrigal*), Bighead carp (*Aristichthys mobilis*), Silver carp (*Hypophthalmichthys molitrix*), Grass carp (*Ctenopharyngodon idella*), species with individual weight of not less than 1,500 grams.

within the half kilo meter distance from any reservoir referred to in Schedule I.

13. In these regulations :

“Director-General” means the Director General of Fisheries and Aquatic Resources appointed under Section 2 of the Fisheries and Aquatic Resources Act, No. 2 of 1996 as amended by Act, No. 4 of 2000 ;

“gill net” means a net set at any depth, surface, mid water or at the bottom layers of water ;

“licensee” means a person to whom a valid licence is issued to engage in any prescribed inland fishing operation.

“set of gill nets” means a unit consisting of not more than six gill nets ;

“Secretary” means the Secretary of the Ministry of the Minister appointed under Article 44 of the Constitution to be in charge of the subject of Fisheries and Aquatic Resources Development.
