

PASTURAGE (GOVERNMENT LANDS) REGULATIONS – SECTION 3

(Legal Notices 9 of 1966, 4 of 1967 and 1 of 1992)

Short title

1. These regulations may be cited as the Pasturage (Government Lands) Regulations.

Certain lands declared to be lays, etc.

2. Each of the areas of Government land specified in the First Schedule to these regulations (hereinafter in these regulations referred to as “the lands”) shall be reserved as a lay or common for the pasturage of animals.

Council Committee to determine number and kind of animals pastured

3. The number and kind of animals that may be pastured at any time on any of the lands by any individual owner shall be determined by the Council Committee⁹:
Provided that no sheep or goats shall be pastured on the lands.

Fees

4. The fees payable in respect of animals pastured on any of the lands shall be those set out in the Second Schedule to these regulations.

Removal of aged or unsuitable animals

5. The Chief Agricultural and Natural Resources Officer¹⁰ may at his discretion order any animal that is aged or unsuitable for breeding to be removed from the lands or to be destroyed.

Treatment of diseased animals

6. If the Chief Agricultural and Natural Resources Officer¹¹ considers it necessary to treat any animal pastured on any of the lands for any disease or parasitic infection, he may require the owner of such animal to carry out such treatment or he may carry out such treatment himself and require the owner to pay the cost thereof.

Management of pastures

7. The Council Committee may for the better management of the lands—
 - (a) fence or subdivide any of the lands and provide for rotational grazing;
 - (b) exclude any area that is unsuitable for grazing and provide for the afforestation thereof.
