PART IV

WATER SUPPLY AND SANITATION AUTHORITIES

(a) Establishment of Water Supply and Sanitation Authorities

9.-(1) The Minister may, in consultation with the Minister responsible for local government authority and by notice in the *Gazette*-

Establish-
ment of
Water
Authority

- (a) establish water authority; and
- (b) cluster water authorities in order to achieve commercial viability.

(2) The service area of a water authority established pursuant to subsection (1) may include the administrative boundaries of one or more local government authorities as may be determined in accordance with this Act or other written laws for the most efficient and economical provision of water supply and sanitation services.

(3) The Minister may declare any water authority established under subsection (1) to be a commercial water supply and sanitation authority basing on the criteria as the Minister may determine.

(4) The declared commercial water authority shall be financially autonomous depending on the commercial viability of providing water and sewerage services.

(5) The water authority shall be a body corporate with perpetual succession and a common seal and shall have power, in and by its corporate name, to sue and be sued and, in the exercise and performance of its powers and functions, to do and permit all such things as may lawfully be done or permitted by a body corporate in furtherance of its objects.

(6) Without prejudice to the provisions of subsection (1), a water authority established prior to the commencement of this Act shall continue to operate and for all purposes and intent be treated as though it was established under this Act.

10.-(1) There shall be a Board of Directors for each water authority responsible for carrying out the functions and managing the business and affairs of the water authority.

Board of
Directors
of
authorities

(2) The First Schedule shall have effect in respect to the membership and procedure of the Board of the water authority.

Appoint-
ment of
members
of the
Board

11. The Minister shall, upon consultation with the regional administration or the relevant local government authority, appoint the chairman and members of the Board of the water authority other than those whose membership is by virtue of office held.

Powers
of the
Board
to
delegate

12.-(1) The Board shall be responsible for the management of the water authority.

(2) Subject to subsection (6), the Board may, by instrument, appoint and delegate on such terms and conditions as it may specify, to any of the employees of the water authority or any committee appointed by it any of the functions, powers, authorities or duties conferred upon it by or under this Act .

(3) Where any delegation is made under subsection (2) the delegated function, power, authority or duty may be performed or as the case may be, exercised as such subject to the terms, conditions and restrictions specified in writing by instrument of delegation.

(4) The Board may revoke a delegation made under this section.

(5) No delegation so made shall prevent the Board from itself performing or exercising the function, power or duty delegated.

(6) The Board shall not delegate its function, power, authority or duty in relation to-

- (a) approval of plan and budget;
- (b) approval of the annual report or audited accounts; or
- (c) borrowing the sums of money as may be necessary for the water authority.

Obligation
to
provide
water
supply
and
sanitation
services

13-(1) Notwithstanding any other law to the contrary and subject to the other provisions of this Act, a water authority shall do all things necessary to provide water supply and sanitation services to the area falling under its jurisdiction, except where-

- (a) a person provides such services solely for that person's own use; or
- (b) a community owned water supply organisation established in accordance with section 31 provides such services for a defined area within the water authority's area of jurisdiction.

(2) It shall be lawful for members of the community in areas within the water authority approved areas of jurisdiction where operators of water supply services do not extend to abstract and use water from that community source even if the operator has lawful access:

Provided that such serviced area is known and approved by the water authority.

14. A water authority shall not operate except in accordance with this Act and under the authority of a licence issued by EWURA.

Licensing
of
authori-
ties
Cap. 414'

15.- (1) A water authority shall, as a licensee, be responsible for the efficient and economical provision of water supply and sanitation services authorised by the licence.

Powers
and
functions
of
authorities

(2) Water supply and sanitation services authorised by a licence may be provided by a service provider appointed under section 19.

(3) Without prejudice to the generality of section 14 a water authority may, for the purpose of the provision of water supply and sanitation services and in accordance with its business plan under section 29 (2)

(b)-

- (a) purchase, lease or otherwise acquire premises, plant, equipment and facilities; and
- (b) purchase, lease or otherwise acquire land, or arrange for compulsory acquisition of land under section 21.

(4) A water authority shall have such other powers and functions as may be conferred or imposed on it by or under this Act or any other written law.

Transfer
of
existing
assets

connection with water and sanitation services shall, without any compensation of costs incurred, be transferred to the water authority upon its establishment together with any associated liabilities.

(2) Notwithstanding the provisions of subsection (1), the Minister responsible for finance, in consultation with the Minister may decide not to transfer associated liabilities to a water authority where such a transfer would unduly prevent the water authority from carrying out its functions on a commercially sound basis.

Managing
Director

17. (1) There shall be a Managing Director of the water authority who shall be appointed by the Minister on recommendation of the Board for a term not exceeding four years, as may be specified in the instrument of appointment, but shall be eligible for re-appointment.

(2) The Board shall make the recommendation in subsection (1) on the basis of a competitive recruitment process and shall provide evidence thereof as may be required by the Minister.

(3) The Managing Director shall be a person who-

(a) possesses the relevant experience and knowledge of the functions of water supply and sanitation authorities; and

(b) in the opinion of the Board, is suitable to perform the functions and duties competently and with integrity.

(4) The Managing Director shall be the principal officer of the water authority and, subject to the directions of the Board, shall be responsible for the day to day management of the affairs of the water authority.

Staff of
a water
supply
and
sanitation
authority

18. The Board may appoint such number of staff on the basis of qualifications, experience and merit as may be necessary for the proper and efficient conduct of the business and activities of the water authority and upon such terms and conditions as it may determine.

Appoint-
ment of
service
providers

19.-(1) For the purposes of section 15(2) a water authority may, in accordance with this section, arrange for the exercise and performance of all or any of its powers and functions under the licence by one or more agents, to be known as service providers.

(2) The agreement shall specify the powers and functions under the licence which shall be performed by the service provider during the

currency of the agreement.

(3) The agreement may also make provision for or with respect to-

- (a) the concurrent performance, by the water authority and the service provider, of the same functions in different parts of the area of jurisdiction of the water authority;
- (b) the indemnity by the service provider of any liability of the water authority arising from the performance or non-performance of functions conferred by the licence and;
- (c) the maintenance, rehabilitation and development, by the service provider, of water and sanitation infrastructure and facilities of the water supply and sanitation authority.

(4) The water authority may enter into agreements with more than one service provider in respect of its area of jurisdiction.

(5) A power or function conferred by a licence or otherwise conferred by or under this Act which, pursuant to an agreement may be exercised or performed by a service provider shall be deemed, when exercised or performed by the service provider, to have been exercised or performed under the authority of the licence.

(b) Functions of Water Supply and Sanitation Authorities

20. The functions of a water authority shall be to-

(a) provide water supply for uses as are required by this Act or any other written law dealing with the management of water resources, water quality standards and the environment;
