CHAPTER 125

FISH PROTECTION

RULES

Under section 3 (1)

G.N.
95 of 1951.**The Fish Protection (Importation Restriction) Rules**

Title.

1. These Rules may be cited as the Fish Protection (Importation Restriction) Rules.

Prohibition of importation of certain kinds of live fish.

2. No person shall import into the Protectorate any live fish of the following kinds:—

(a) carp (*Cyprinus carpis*) including its golden coloured variety;

(b) goldfish (*Carassius auratus*) and all its varieties; and

(c) prussian carp (*Carassius carassius*).

Restriction on importation of live fresh water fish.

3. No person shall import into the Protectorate any live fresh water fish without the permission in writing of the fisheries officer first had and obtained.

Seizure and destruction of fish imported.

4. The fisheries officer may order the seizure and destruction of any fish imported into the Protectorate in contravention of the provisions of rules 2 and 3.
