

3

THE WILDLIFE CONSERVATION (REGISTRATION OF TROPHIES)  
REGULATIONS, 1974

[Subsidiary]

G.N. 1974  
Nos. 265  
and 276

1. These Regulations may be cited as the Wildlife Conservation (Registration of Trophies) Regulations, 1974 and shall come into operation on the 1st day of December, 1974.

2. For the purposes of these Regulations, "prescribed marking" means, in relation to a trophy produced for registration to a licensing officer having jurisdiction over any district or urban centre specified in the first column of the First Schedule to these Regulations, the marking prescribed in relation to such district or centre in the second column of the said Schedule and every such marking shall be affixed by causing the same to be indented or impressed on the trophy.

3. The licensing officer to whom any trophy is produced for registration, shall, if he is, after such enquiry as he may consider necessary, satisfied that such trophy was lawfully obtained—

- (a) in the case of raw ivory or rhinoceros horn—
  - (i) weigh and mark the trophy with the prescribed marking and the appropriate serial number;
  - (ii) record such weight, mark, number, owner's name, date, licence details and any other relevant information in the register of trophies which shall be in the form prescribed in the Second Schedule to these Regulations;
  - (iii) issue in respect of the trophy a trophy certificate of registration in the form prescribed in the Third Schedule to these Regulations;
  - (iv) record the particulars of such trophy certificate of registration on the register of trophies as well as on the licence, permit or other authority under which the animal from which the trophy came was hunted or otherwise killed;
- (b) in the case of raw hippopotamus teeth, animal tusks or bones—
  - (i) weigh all the pieces of each species together;
  - (ii) record such weight, number of pieces, owner's name, date, licence details and other relevant information on the official register of trophies;
  - (iii) issue in relation to all the pieces of each species so produced one trophy certificate of registration;
  - (iv) record the particulars of such trophy certificate of registration on the official register of trophies as well as on the relevant licence or permit;
- (c) in the case of a raw skin, ear, foot, tail or any other raw part of any animal whatsoever—
  - (i) issue for each of them a trophy certificate of registration and record the details of such certificate on the relevant licence;
  - (ii) record the particulars of the trophy certificate of registration and the relevant licence on the official register of trophies;

[Subsidiary]

(d) in the case of a manufactured trophy—

- (i) issue in respect thereof a trophy certificate of registration in the form prescribed in the Fourth Schedule to these Regulations;
- (ii) assign such trophy a serial number and record such number on such trophy certificate of registration for manufactured trophy;
- (iii) record on the trophy certificate of registration the particulars of any certificate of registration or other authority authorizing possession of the raw trophy out of which the manufactured trophy was produced.

4. The fee specified on the prescribed form shall be payable in respect of a trophy certificate of registration to which the form relates.

5.—(1) Every dealer of manufactured trophy who displays for sale or offers for sale any manufactured trophy shall affix on such manufactured trophy a label, clearly visible to any person looking at the manufactured trophy, giving particulars of the price for which the trophy is to be sold and the serial number of the trophy certificate of registration issued in respect of the trophy.

(2) Any person who contravenes any provision of this regulation shall be guilty of an offence and shall be liable on conviction to a fine not exceeding fifteen thousand shillings or to imprisonment for a term not exceeding three years or to both such fine and such imprisonment.

6.—(1) Where the owner of any trophy to which section 62 of the Wildlife Conservation Act, 1974 proposes to transfer the trophy to any other person he shall produce the trophy certificate of registration issued in respect of the trophy to a licensing officer and apply for permission to transfer the trophy to which the certificate relates.

(2) The licensing officer to whom a trophy certificate of registration is produced under paragraph (1) may, if he is satisfied that the proposed transaction is *bona fide* and not against the public interest authorize the transfer by endorsing on the certificate (in the space provided therefor) the name of the transferor and the name of the transferee. When such endorsement has been duly signed by the transferor, the transferee and the licensing officer and stamped with the official stamp, it shall constitute a transfer permit under the said section 62 of the Wildlife Conservation Act, 1974.

7. Any person who fails to comply with any of the provisions of these Regulations, or makes any false statement in any application or other document or to any authorized officer performing any function under the Act or any subsidiary legislation shall be guilty of an offence and shall be liable on conviction to a fine not exceeding fifteen thousand shillings or to imprisonment for a term not exceeding these years or to both such fine and such imprisonment.
