THE WILDLIFE CONSERVATION (DEALINGS IN TROPHIES) REGULATIONS, G.Ns. 1974  
1974 Nos. 265  
and 268

1. These Regulations may be cited as the Wildlife Conservation (Dealings in Trophies) Regulations, 1974 and shall come into operation on the first day of December, 1974.

2. A Trophy Dealer's Licence may be issued to any citizen of the United Republic upon an application made by him in the form prescribed in the First Schedule to these Regulations and upon payment of the fee prescribed in the Second Schedule in relation to the dealing in trophy for which a licence is applied for.

3. A Trophy Dealer's Licence shall be in the form prescribed in the Third Schedule to these Regulations.

4. No person shall be issued with a trophy dealer's licence unless—

- (a) the licensing officer is fully satisfied that the applicant is a person of integrity;
- (b) the applicant has been recommended for a trophy dealer's licence by a designated organization.

5.—(1) A licensed trophy dealer shall not—

- (a) carry on any dealing or enter into any transaction in relation to any trophy unless such dealing or transaction is authorized by his licence; or
- (b) carry on his business save on the premises specified in the licence; or
- (c) deal in any category of trophies other than that specified in the licence.

(2) Every licensed trophy dealer shall—

- (a) store the trophies in which he deals in the premises approved by the licensing officer as adequate and suitable for storage of trophies;

[Subsidiary]

- (b) if he is carrying on any other business in addition to his trophy business, assign a portion of his business premises for the carrying on of the trophy business and no other business shall be carried on within such portion:

Provided that it shall not be necessary to separate such portion from the rest of the business premises by any partition if such portion is otherwise easily identifiable as the portion within which trophy business is being carried on;

- (c) exhibit in some conspicuous place within the portion of his business premises in which trophy business is being carried on a notice in the form prescribed in the Fourth Schedule;
- (d) keep and maintain an appropriate trophy dealer's register in the form prescribed in the Fifth or Sixth Schedule to these Regulations (whichever form is applicable in his case) and shall, as soon as may be practicable after the conclusion on any transaction involving a trophy, enter in such register such particulars as are required to be recorded in the registers;
- (e) submit on or before the thirty-first day of January, thirtieth day of April, thirty-first day of July and thirty-first day of October in each year a copy of all the entries in his register relating to all the transactions entered into during the three months immediately preceding the month in which such copy is to be submitted.

(3) Any person who contravenes any of the provisions of this Regulation shall be guilty of an offence and shall be liable on conviction to a fine not exceeding fifteen thousand shillings or to imprisonment for a term not exceeding three years or to both such fine and such imprisonment.

6.—(1) A trophy export certificate under section 63 of the Wildlife Conservation Act, 1974 shall be in the form prescribed in the Seventh Schedule to these Regulations and may be issued upon payment by applicant of a fee of two shillings.

(2) A licensing officer may refuse to issue a trophy export certificate in relation to a trophy if in his opinion the trophy was not lawfully acquired or that it is against the public interest for the trophy to be exported.

(3) Every trophy export certificate shall be valid for a period of one month from the date of issue save where a longer period is specified in such certificate.

(4) Where two or more trophies are sought to be exported as one consignment, the licensing officer may issue one trophy export certificate in relation to all the trophies in that consignment.

(5) Notwithstanding the foregoing provisions of this regulation a trophy export certificate in respect of any animal or trophy made from any part of an animal specified in the Eighth Schedule to these Regulations and which is protected by the 1973 Convention of Inter-

[Subsidiary]

national Trade in Endangered Species of Wild Fauna and Flora entered into at Washington shall be valid only if issued and signed both by the Director and the Chief Research Officer of the Game Division.

7. No person shall, without the prior approval in writing of the Director, import or export any trophy otherwise than through one of the customs posts specified in the Ninth Schedule to these Regulations.

8. Any trophy which is in Tanganyika in transit from one country to another shall forthwith upon being brought into Tanganyika be produced to a licensing officer who may, if he is satisfied that the trophy was lawfully acquired by the owner, direct the owner to deposit the trophy in a customs bonded warehouse or in such other place as the Director may from time to time specify for such purpose until such trophy is exported.

9. Any person who fails to comply with any of the provisions of these Regulations or makes any false statement in any application or other document or to any authorized officer performing any function under the Act or any subsidiary legislation shall be guilty of an offence and shall be liable on conviction to a fine not exceeding fifteen thousand shillings or to imprisonment for a term not exceeding three years or to both such fine and such imprisonment.
