Agricultural and Veterinary Chemicals (Control of Use) Order 2000

Version current from 4 October 2000 to date (accessed 28 September 2018 at 14:43)

TASMANIA

Agricultural and Veterinary Chemicals (Control of Use) Order 2000

I make the following order under section 20 of the Agricultural and Veterinary Chemicals (Control of Use) Act 1995 .

19 September 2000

D. E. LLEWELLYN

Minister for Primary Industries, Water and Environment

1. Short title

This order may be cited as the Agricultural and Veterinary Chemicals (Control of Use) Order 2000 .

2. Commencement

This order takes effect on the day on which its making is notified in the *Gazette*.

3. Interpretation

In this order –

hormonal growth promotant means a veterinary chemical product containing a substance that is, or a mixture of substances that are, responsible for oestrogenic, androgenic or gestagenic activity to enhance growth or production in bovines or bubalines.

4. Prohibition relating to hormonal growth promotant

A person must not handle a hormonal growth promotant by implanting it in cattle.

Penalty: Fine not exceeding 200 penalty units.

5.

The amendment effected by this clause has been incorporated into the authorised version of the Agricultural and Veterinary Chemicals (Control of Use) (Hormonal Growth Promotants) Order 1998 (S.R. 1998, No. 134) .

Displayed and numbered in accordance with the *Rules Publication Act 1953*.

Notified in the *Gazette* on 4 October 2000

This order is administered in the Department of Primary Industries, Water and Environment.
