ANIMALS (IMPORTATION) CONTROL REGULATIONS*made under section 15*

Citation.

1. These Regulations may be cited as the Animals (Importation) Control Regulations.

Interpretation.
[26/1967].

2. In these Regulations—

“animal” does not include a fish or a monkey;

“Commonwealth Caribbean Territories” means Anguilla, Antigua, Barbados, Dominica, Grenada, Guyana, Jamaica, Montserrat, St. Kitts-Nevis, St. Lucia, St. Vincent and the British Virgin Islands;

“Chief Technical Officer” means the Chief Technical Officer (Agriculture) or any officer of the Ministry of Agriculture lawfully authorised by him in writing;

“prescribed certificate” means a certificate which purports to have been given—

- (a) in the case of Great Britain, by the Ministry of Agriculture and Fisheries;
- (b) in the case of Northern Ireland, by the Ministry of Agriculture;
- (c) in the case of the Republic of Ireland, by the Department of Agriculture;
- (d) in the case of Canada, by the Department of Agriculture;
- (e) in the case of the United States of America, by the Bureau of Animal Husbandry;
- (f) in the case of a Commonwealth Caribbean Territory, by a Government Veterinary Officer of such Territory; and

*These Regulations (GN 27/1955) have been amended by GNs 174/1955, 210/1955, 79/1956, 124/1956, 88/1957, 19/1959, 57/1960, 51/1961, 143/1961, 150/1961, 90/1962, 25/1963, 74/1964, 97/1964, 3/1965, 42/1965, 26/1967, 40/1967, 192/1977, 123/1978, Acts Nos. 45 of 1979, 47 of 1980; LNs 124/1980, 165/1984, 47/1988, 48/1988, 253/1988, Act No. 6 of 1993, LNs 54/1994, 35/1996, 234/1997, 280/1997, 114/1998, 129/1998, 131/1999, 215/1999, 80/2000, 251/2000, 4/2003.

*These Regulations were further amended by Legal Notices Nos. 84 and 85/2004 and LN No. 68/2005 but these Legal Notices were not laid in Parliament by the end of the year 2007 and accordingly have not been included in the Regulations. As a consequence it is not possible to accommodate amendments made to the Second Schedule of these Regulations by LN No. 72/2005.

(g) in the case of any other country, by an Official Veterinarian of the National Government of such country;

“vessel” means any ship, schooner, boat or other floating craft.

3. (1) No animal shall be imported into Trinidad and Tobago except in accordance with these Regulations. Importation of animals.

(2) No animal shall be imported into Trinidad and Tobago except in accordance with the terms of a permit granted by the Chief Technical Officer.

4. (1) No animal shall be landed at any port, except the ports of Port-of-Spain, San Fernando and Scarborough or at any aerodrome other than the Piarco Airport and the Crown Point Airfield. Landing of animals.

(2) Notwithstanding subregulation (1) the Chief Technical Officer may in his absolute discretion grant a permit in writing for an animal to be landed at such port or at such aerodrome and upon such conditions as may be specified in the permit.

5. (1) The port of Port-of-Spain shall be such part of the Gulf of Paria as is confined within a radius of three miles from the Customs House of Port-of-Spain. Defining of ports. [45 of 1979].

(2) The port of San Fernando shall be such part of the Gulf of Paria as is confined within a radius of three miles from the Customs House of San Fernando.

(3) The port of Scarborough shall be such part of Rockly Bay as is confined within a radius of one mile from the Customs House of Scarborough.

(4) The Piarco Airport and the Crown Point Airport, respectively, shall have the boundaries set out in the Designation of Airports Notice 1978. 69/1978.

Inspection,
disinfection and
quarantine of
vessels and
aircraft.

6. Where any vessel or aircraft by which animals are imported arrives in Trinidad and Tobago the following provisions shall have effect:

- (a) the Agent or Owners of the vessel or aircraft shall notify the Inspector of the fact that animals are being imported by the vessel or aircraft;
- (b) the Master or Captain and the agents or owners of the vessel or aircraft shall afford every facility to the Inspector for the proper inspection of the animals;
- (c) the Inspector may place in quarantine the vessel or aircraft or any portion thereof as he may deem necessary for preventing the introduction or spread of any communicable disease, and the vessel or aircraft or portion thereof shall remain in quarantine during such period as the Inspector may direct;
- (d) the Master or Captain of the vessel or aircraft shall carry out such written directions as he may receive from the Inspector with respect to the quarantine;
- (e) the Master or Captain of the vessel or aircraft shall take such measures as the Inspector may direct for the cleaning and disinfection of all stalls and boxes in and of any portion of the vessel or aircraft used for the transportation of animals.

Inspection of
animals.

7. (1) Every animal before being landed shall be subject to inspection by the Inspector who may —

- (a) if satisfied—
 - (i) that any such animal is suffering from disease; or
 - (ii) that any condition of a permit permitting the importation of any such animal has not been complied with,
 refuse permission for any such animal to be landed; or
- (b) grant permission for any such animal to be landed either unconditionally or subject to such conditions as he may impose.

(2) No animal shall be landed without the prior written permission of the Inspector in the Form set out in the First Schedule. Form
First Schedule.

(3) Any animal landed in contravention of this regulation may be seized by the Inspector and, in his discretion, detained, destroyed or otherwise disposed of as he shall direct.

8. (1) Subject to regulations 7 and 10 and if so required by the Inspector, every animal upon being landed in Trinidad and Tobago shall be removed by such means, in such manner and subject to such conditions as the Inspector may direct to a quarantine station approved by the Inspector for the purpose of quarantine and shall there be kept in quarantine for such period as the Inspector may direct. Quarantine of
animals.

(2) The release from quarantine of any animal shall be subject to and dependent upon the result of re-inspection and of any diagnostic examination and any tests which the Inspector may consider necessary to employ for the detection of disease.

(3) Notwithstanding the expiry of the period of quarantine directed by the Inspector under subregulation (1), no animal shall be removed from any quarantine station without the prior written permission of the Inspector and the permission may be either unconditional or subject to such conditions as may be specified.

9. (1) The expenses of and incidental to the keeping in quarantine of an animal shall be borne by the consignee of the animal. Expenses of and
destruction of
animals in
quarantine.

(2) Every animal shall be kept in quarantine at the risk of the consignee.

(3) When any animal, while in quarantine in accordance with the provisions of these Regulations, develops or, in the opinion of the Inspector, shows symptoms of any disease the spread of which would endanger the health of animals in Trinidad and Tobago, the animal may, with the approval of the Minister, be destroyed without payment of any compensation.

Chap. 67:02 *Animals (Diseases and Importation)*

[Subsidiary]

Animals (Importation) Control Regulations

Saving.
[88/1957
35/1996].

10. The provisions of such of these Regulations as relate to the importation of animals do not apply to any animal imported by, with the concurrence of, or on behalf of the Government.

Dog or cat.
[57/1960].
Second
Schedule.

11. (1) Subject to regulation 8 where a dog or cat is imported directly from any of the countries specified in the Second Schedule, the dog or cat shall not be landed unless—

(a) the owner or consignee thereof produces to the Inspector a certificate stating—

(i) that the dog or cat is in good health and free from symptoms of infectious or contagious diseases;

(ii) that there has been no rabies among unquarantined dogs and cats or other animals in the country from which the dog or cat was exported during the six months immediately preceding the exportation of the dog or cat; and, if the dog or cat has been in quarantine in that country, that it has completed a six-month period of quarantine; and

(b) the dog or cat has, during the period of transportation, been free from contact with any other dog or cat other than a dog or cat in respect of which a certificate referred to in paragraph (a) has been given:

Provided that the Inspector may, in his discretion permit any such dog or cat which may have had contact while in transit with a dog or cat in respect of which a certificate referred to in paragraph (a) has not been given to be landed on the terms and conditions applicable to dogs and cats imported under subregulation (2).

Second
Schedule.

(2) Any dog or cat imported from any country other than a country specified in the Second Schedule shall, notwithstanding anything to the contrary contained in regulation 8, but subject to

regulation 7(1)(a), upon being landed in Trinidad and Tobago, be removed to a quarantine station kept for that purpose and approved by the Inspector and shall there be kept in quarantine for a period of at least six months or for such additional period as the Inspector in his discretion may direct.

(3) Nothing in regulation 7(1)(b) shall be deemed to apply to dogs or cats other than those specified in the Second Schedule.

Second
Schedule.

12. (1) No horse shall be imported into Trinidad and Tobago except the horse is imported directly from one of the countries specified in the Third Schedule.

Horses.
[26/1967].

Third Schedule.

(2) No horse so imported shall be landed in Trinidad and Tobago unless there is produced to the Inspector in respect thereof the prescribed certificate.

(3) The certificate shall state—

- (a) that the country from which the horse was exported is free from foot and mouth disease;
- (b) if the country is not free from foot and mouth disease, that the area from which it originated and through which it was transported to the port of exportation is free from foot and mouth disease;
- (c) that the horse is healthy and free of infectious diseases;
- (d) that the horse has been subjected to the Mallein test for glanders (farcy) with negative results; and
- (e) so far as it has been possible to ascertain no case of dourine (*mal du coit*), *mal de caderas*, glanders (farcy), epizootic lymphangitis, ulcerative lymphangitis, influenza, equine infectious aenemia, equine encephalomyelitis, or mange, has occurred in the stables or on the premises where the horse was kept during the thirty days prior to the date of exportation.

Chap. 67:02 *Animals (Diseases and Importation)*

[Subsidiary]

Animals (Importation) Control Regulations

(4) Notwithstanding subregulation 3(d), the Inspector may permit the landing in Trinidad and Tobago of any horse shipped from Great Britain or a Commonwealth Caribbean Territory without the prescribed certificate; but, if he thinks fit, the animal shall be detained and dealt with in accordance with regulations 8 and 9.

(5) For the purpose of this regulation, “horses” includes mares, mules, donkeys and zebras.

Cattle, sheep
and goats.

Fourth
Schedule.

13. (1) No cattle, sheep or goats shall be imported into Trinidad and Tobago except any such animal is imported directly from one of the countries specified in the Fourth Schedule.

(2) No cattle so imported shall be landed in Trinidad and Tobago unless there is produced to the Inspector in respect thereof the prescribed certificate.

(3) The certificate shall state that—

- (a) the country from which the cattle were imported is free from foot and mouth disease;
- (b) the cattle are physically sound, in good health, and free of symptoms of paratuberculosis (Johne’s disease) and other infectious diseases;
- (c) the cattle have passed negative to an intradermal tuberculin test within ten days prior to the date of exportation;
- (d) the cattle have reacted negatively to the serum-agglutination test for Brucellosis within thirty days prior to the date of exportation.

(4) Notwithstanding subregulations (1) to (3), the Chief Technical Officer may, in his discretion, permit cattle to be imported for slaughter purposes subject to such conditions and directions as he may impose in writing.

(5) No sheep so imported shall be landed unless there is produced to the Inspector in respect thereof the prescribed certificate.

- (6) The certificate shall state that—
- (a) the country from which the sheep was exported is free from foot and mouth disease; and
 - (b) the sheep is physically sound, in good health and free from infectious and contagious diseases.
- (7) No goat so imported shall be landed unless there is produced to the Inspector in respect thereof the prescribed certificate.
- (8) The certificate shall state that—
- (a) the country from which the goat was exported is free from foot and mouth disease;
 - (b) the goat is physically sound and free from symptoms of infectious or contagious diseases;
 - (c) the goat has passed negatively to an intradermal tuberculin test within ten days prior to the date of exportation; and
 - (d) the goat has reacted negatively to the serum-agglutination test for Brucellosis within thirty days prior to the date of exportation of the goat.

14. (1) No pig shall be imported into Trinidad and Tobago except any such pig is imported directly from one of the countries specified in the Fifth Schedule. Pigs.
Fifth Schedule.

(2) No pig so imported shall be landed in Trinidad and Tobago unless there is produced to the Inspector in respect thereof the prescribed certificate.

- (3) The certificate shall state—
- (a) that the country from which the pig was exported is free from foot and mouth disease and from swine fever (hog cholera); or
 - (b) if the country is not free from foot and mouth disease and swine fever, that the area from which the pig originated and through which it was transported to the port of exportation is free from foot and mouth disease and swine fever; and
 - (c) that the pig is free from symptoms of infectious and contagious diseases.

Chap. 67:02 *Animals (Diseases and Importation)*

[Subsidiary]

Animals (Importation) Control Regulations

Poultry.
[42/1965].

Sixth Schedule.

15. (1) Poultry may be imported into Trinidad and Tobago only—

(a) from one of the countries specified in the Sixth Schedule; and

(b) in accordance with the terms and conditions of a permit granted by the Chief Technical Officer.

(2) No poultry shall be landed unless there is delivered to the Comptroller of Customs and Excise in respect thereof the prescribed certificate.

(3) The certificate shall state that the poultry are free from and have not been exposed to Newcastle disease (fowl pest).

Pigeons.
[40/1967].

16. (1) Notwithstanding regulation 15, pigeons may be imported into Trinidad and Tobago from Venezuela subject to the terms and conditions specified in a permit granted by the Chief Technical Officer.

(2) No such pigeons shall be landed unless there is delivered to the Comptroller of Customs and Excise in respect thereof the prescribed certificate.

(3) The certificate shall state that the pigeon is free from and has not been exposed to Newcastle disease.

Monkeys.

17. No monkey shall be imported into Trinidad and Tobago.

Carcases of
cattle, pigs,
sheep and goats.
[174/1955
210/1955
79/1956].

Seventh
Schedule.

18. (1) No fresh carcase, whether frozen or chilled, nor any cured or pickled or smoked carcase, of any cattle, pig, sheep or goat, or any portion of any such carcase, shall be imported into Trinidad and Tobago except the carcase or portion thereof is imported—

(a) directly from any of the countries specified in the Seventh Schedule, or from any other country from which the Chief Technical Officer is satisfied that the importation is unlikely to result in the introduction or spread of disease in Trinidad and Tobago; and

(b) in accordance with the terms of a permit granted by the Chief Technical Officer.

- (2) Subregulation (1) does not apply to—
- (a) any importation made by or on behalf of the Government; or
 - (b) any commercially canned meats, imported in hermetically sealed metal cans and fully processed in a manner approved by the Chief Technical Officer as being satisfactory for ensuring that the importation is unlikely to result in the introduction or spread of disease in Trinidad and Tobago, and accompanied by the official Meat Inspection Certificate of the country of origin.

19. Notwithstanding regulation 18, beef whether frozen or chilled may be imported into Trinidad and Tobago directly from any of the countries specified in the Eighth Schedule.

Beef.
[90/1962].
Eighth
Schedule.

20. (1) No carcase of any poultry or any portion of the carcase shall be imported into Trinidad and Tobago unless the carcase or portion thereof is imported—

Carcases of
poultry.

- (a) directly from any of the countries specified in the Sixth Schedule; and
- (b) in accordance with the terms of a permit granted by the Chief Technical Officer.

Sixth Schedule.

(2) Subregulation (1) does not apply to any carcase or part of a carcase of any poultry which has been fully cooked.

(3) In this regulation, “fully cooked” means cooked throughout the whole of its substance so as to render it unnecessary for it to be further cooked before being used for human consumption.

21. No animal products including hides, skins, horns, hair, wool, bones, bone meal, meat scrap and tankage shall be imported into Trinidad and Tobago except in accordance with the terms of a permit issued by the Chief Technical Officer and subject to such conditions as he may impose therein.

Animal
products.

Animals (Importation) Control Regulations

Fodder and
litter.

22. (1) No fodder or litter shall be imported into Trinidad and Tobago except—

Ninth Schedule.

(a) directly from any of the countries specified in the Ninth Schedule; and

(b) in accordance with the terms of a permit granted by the Chief Technical Officer.

(2) Notwithstanding subregulation (1), no fodder or litter imported from any country shall be landed in Trinidad and Tobago unless there is produced to the Inspector in respect thereof the prescribed certificate.

(3) The certificate shall state that the area from which the fodder or litter originated and the district through which it was transported to the port of exportation is free from foot and mouth disease.

Dung and dead
carcasses.

23. (1) No dung (other than the excrements of birds) shall be imported into Trinidad and Tobago.

(2) Subregulation (1) does not apply to any dung which is contained in any box or crate in which any animal is lawfully imported into Trinidad and Tobago.

(3) No carcase of an animal which has died or been slaughtered on board a vessel or aircraft while in port or during the voyage shall be landed in Trinidad and Tobago.

Used and
second-hand
animal blankets,
saddle cloth,
cloths, felting,
pads, etc.

24. (1) No used or second hand animal blanket, saddle cloth, felting, pad, or other similar article shall be imported into Trinidad and Tobago.

(2) Subregulation (1) does not apply to any such article which accompanies and forms part of the clothing or individual accoutrement of any animal lawfully imported into Trinidad and Tobago if the article was new at the time of exportation.

25. No used or second-hand harness, saddle, halter, rein, girth, yoke, rope, chain or other trapping shall be landed in Trinidad and Tobago unless the trapping shall first be treated to the satisfaction of the Inspector at the risk of the person to whom the trapping is consigned before delivery to the consignee. Used and second-hand animal trappings.

26. (1) No biological product prepared from animal tissues intended for use in veterinary medicine shall be imported into Trinidad and Tobago except in accordance with the terms of a permit granted by the Chief Technical Officer. Biological products.

(2) In this regulation, “biological product” includes any substance commonly known as hormones, vaccines, sera, toxins, anti-toxins and antigens intended for use in the practice of veterinary medicine.

27. No semen of animals for artificial insemination shall be imported into Trinidad and Tobago except in accordance with the terms of a permit granted by the Chief Technical Officer. Semen.

28. (1) The fees set out in the Tenth Schedule shall be payable, by the consignee or importer of an animal in respect of the matters therein set forth, to the Comptroller of Customs and Excise, the Inspector or other person, as specified therein, and all such fees as are not payable to the Inspector shall be paid to the general revenue of Trinidad and Tobago. Fees. [6 of 1993]. Tenth Schedule.

(2) All fees payable under subregulation (1) may be recovered at the suit of the Chief Technical Officer in any Court of competent jurisdiction.

29. (1) Any person who contravenes these Regulations, or any Order, instruction, or condition lawfully made, given, or imposed by any person under the authority of these Regulations, is liable on summary conviction to a penalty of one thousand dollars. Penalty.
