

PLANT PROTECTION (DECLARATION OF NOTIFIABLE DISEASE) ORDER

made under section 4A(a) and (d)

268/2004.

- 1.** This Order may be cited as the Plant Protection (Declaration of Notifiable Disease) Order.
- 2.** The *Mycosphaerella fijiensis* (Black Sigatoka) disease is hereby declared a notifiable disease.
- 3.** The boundaries of the area infected with the Black Sigatoka disease are described in the Schedule hereunder.

SCHEDULE

That area of land in the Ward of Cedros in the County of St. Patrick in the island of Trinidad and bounded on the North by the Gulf of Paria, on the South by the Columbus Channel, on the East by Chatham Road and on the West by the Serpent's Mouth (sea).
