

**THE GAME (PRESERVATION AND  
CONTROL) ACT.**

Statutory Instrument 226—8.

**Authority To Use Poison.**

*(Section 33 of the Act).*

G.Ns.—  
1611 of 1959,  
1015 of 1961,  
1202 of 1964

1. The use of poison in the Acholi District for the purpose of killing baboons causing or being likely to cause loss, damage or destruction of or to anything on occupied land or crops or domestic animals is authorised subject to the following conditions—

- (a) such poison shall be used only on occupied land;  
and
- (b) such poison shall not be handled or controlled by any person other than a vermin poisoner duly appointed by the Acholi District administration.

2. The use is hereby authorised of poison—

- (a) by the Bunyoro Ranching Company Limited for the purpose of killing hyenas on the company's estate;
- (b) by the Game Warden, Karamoja, for the purpose of killing hyenas in Karamoja District in such areas as he may think necessary for the protection of human life and domestic animals.
