### EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations, provide for the implementation of Commission Directive [2009/106/EC](#) amending Council Directive [2001/112/EC](#) relating to fruit juices and certain similar products intended for human consumption (OJ No. L212, 15.8.2009, p.42).

Commission Directive [2009/106/EC](#) makes two amendments to Council Directive [2001/112/EC](#) (OJ No. L10, 12.1.2002, p. 58). First, it makes a small linguistic change in relation to mixed juice products containing fruit juice and fruit juices from concentrate and to nectars obtained wholly or partly from one or more concentrated products, in order to alleviate translational difficulties across Member States of the EU. Second, it introduces a table laying down the minimum Brix levels for fruit juices from concentrate.

These Regulations amend the Fruit Juices and Fruit Nectars Regulations (Northern Ireland) 2003 ([S.R. 2003 No. 305](#)), so as to—

- (a) provide that a fruit juice from concentrate must contain the minimum Brix levels specified in Schedule 6, read together with the Notes to that Schedule (*regulation 2(2) and the Schedule*);
- (b) make a small linguistic change to the labelling and description of mixed juice products containing fruit juice and fruit juices from concentrate, and of nectars obtained wholly or partly from one or more concentrated products (*regulation 2(3)*);
- (c) amend Schedule 1 (Reserved Descriptions For Designated Products) so that item 3 (Fruit juice from concentrate) of Schedule 1 cross-refers to Schedule 6 (Minimum Brix Levels For Fruit Juices From Concentrate) (*regulation 2(4)(a) and the Schedule*);
- (d) amend Schedule 1 so that an incorrect reference within item 5 (Fruit nectar) is corrected (*regulation 2(4)(b)*); and
- (e) add as Schedule 6 a new Schedule which provides ‘Minimum Brix Levels For Fruit Juices From Concentrate’ (*regulation 2(5) and the Schedule*).
