- (a) must also make (as nearly as possible) the same modifications of those conditions for the purposes of their incorporation in licences granted after that time, and

CHAPTER 4

SPECIAL ADMINISTRATION REGIME

Transport and storage administration orders

42 Transport and storage administration orders

- (1) A transport and storage administration order means an order which—
 - (a) is made by the court in relation to a company which holds a licence under section 7, and
 - (b) directs that, while the order is in force, the affairs, business and property of the company are to be managed by a person appointed by the court.

- (3) The T&S administrator of a company must manage the company’s affairs, business and property, and exercise and perform all the powers and duties of a T&S administrator, so as to achieve the objective set out in [section 43](#).
- (4) In relation to a T&S administration order applying to a non-GB company, references in this section to the affairs, business and property of the company are references only—

Status: This is the original version (as it was originally enacted).

- (a) to its affairs and business so far as carried on in Great Britain or a relevant controlled place, and
 - (b) to its property in Great Britain or a relevant controlled place.

 - (i) is efficient and economical, and
 - (ii) ensures the safety and security of the transport and storage network, or the part of that network, to which the licence relates, and
 - (b) that it becomes unnecessary, by one or both of the following means, for the T&S administration order to remain in force for that purpose.
- (2) Those means are—
- (a) the rescue as a going concern of the company subject to the T&S administration order, and
 - (b) transfers falling within subsection (3).
- (3) A transfer falls within this subsection if it is a transfer as a going concern—

- of so much of that undertaking as it is appropriate to transfer for the purpose of achieving the objective of the transport and storage administration.
- (4) The means by which transfers falling within subsection (3) may be effected include, in particular—
- (a) a transfer of the undertaking of the company subject to the T&S administration order, or of a part of its undertaking, to a wholly-owned subsidiary of that company, and
 - (b) a transfer to a company of securities of a wholly-owned subsidiary to which there has been a transfer falling within paragraph (a).
- (5) The objective of a transport and storage administration may be achieved by a transfer falling within subsection (3) to the extent only that—
- (a) the rescue as a going concern of the company subject to the T&S administration order is not reasonably practicable or is not reasonably practicable without such a transfer,
 - (b) the rescue of that company as a going concern will not achieve that objective or will not do so without such a transfer,
 - (c) such a transfer would produce a result for the company’s creditors as a whole that is better than the result that would be produced without it, or

Status: This is the original version (as it was originally enacted).

- (d) such a transfer would, without prejudicing the interests of those creditors as a whole, produce a result for the company’s members as a whole that is better than the result that would be produced without it.
- (6) In [subsection \(1\)\(a\)](#)—
- (a) the reference to the activities authorised by the licence of the T&S company to which the administration relates includes a reference to any construction work or other activities needing to be carried out to commence those activities, and
 - (b) the reference to the safety and security of the transport and storage network, or the part of that network, to which the licence relates includes a reference to the safety and security of any infrastructure and facilities being constructed for that network, or that part of that network.

- (1) The Secretary of State may designate a statement as the strategy and policy statement for the purposes of this Part (“the CCUS strategy and policy statement”) if the requirements set out in [section 102](#) are satisfied (consultation and laying requirements).
- (2) The CCUS strategy and policy statement is a statement prepared by the Secretary of State that sets out—
 - (a) the strategic priorities, and other main considerations, of His Majesty’s government in formulating its carbon dioxide capture, usage and storage policy for the United Kingdom (“strategic priorities”),
 - (b) the particular outcomes to be achieved as a result of the implementation of that policy (“policy outcomes”), and
 - (c) the roles and responsibilities of persons (whether the Secretary of State, the economic regulator or other persons) who are involved in implementing that policy or who have other functions that are affected by it.
- (3) In preparing a statement for designation under [subsection \(1\)](#) (or undertaking a review under [section 101](#)), the Secretary of State must take account of any statement for the time being designated under section 131 of the Energy Act 2013 (strategy and policy statement in respect of energy policy).
- (4) The Secretary of State must publish the CCUS strategy and policy statement (including any amended statement following a review under [section 101](#)) in such manner as the Secretary of State considers appropriate.
- (5) For the purposes of this section, carbon dioxide capture, usage and storage policy “for the United Kingdom” includes such policy for—
 - (a) the territorial sea adjacent to the United Kingdom, or
 - (b) waters in a Gas Importation and Storage Zone (within the meaning given by section 1 of the Energy Act 2008).

Status: This is the original version (as it was originally enacted).

(6) In this Chapter—

“the CCUS strategy and policy statement” means the statement for the time being designated under [subsection \(1\)](#) as the strategy and policy statement for the purposes of this Part;

“economic regulator” has the same meaning as in [Part 1](#) (see [section 55](#));

“policy outcomes” has the meaning given in [subsection \(2\)\(b\)](#);

“strategic priorities” has the meaning given in [subsection \(2\)\(a\)](#).

100 Duties with regard to considerations in the statement

(1) The economic regulator must have regard to the strategic priorities set out in the CCUS strategy and policy statement when carrying out CCUS-related functions under this Part or [Part 1](#).

(2) The Secretary of State and the economic regulator must carry out their respective CCUS-related functions under [Part 1](#) and this Part in the manner which the Secretary of State or the economic regulator (as the case may be) considers is best calculated to further the delivery of the policy outcomes.

(3) [Subsection \(2\)](#) is subject to the application of the principal objectives in the carrying out of any such function.

(4) [Subsections \(1\) and \(2\)](#) do not apply to anything done by the economic regulator—

(a) in the exercise of functions relating to the determination of disputes;

(b) in the exercise of functions under [section 36\(1\)](#) or [37\(1\)](#).

(5) The duties imposed by [subsections \(1\) and \(2\)](#) do not affect the obligation of the economic regulator or the Secretary of State to perform or comply with any other duty or requirement (whether arising under this Act or another enactment or otherwise).

(6) The economic regulator must give notice to the Secretary of State if at any time the economic regulator concludes that a policy outcome contained in the strategy and policy statement is not realistically achievable.

(7) A notice under [subsection \(6\)](#) must include—

(a) the grounds on which the conclusion was reached;

(b) what (if anything) the economic regulator is doing, or proposes to do, for the purpose of furthering the delivery of the outcome so far as reasonably practicable.

(8) In this section—

“CCUS-related functions” means functions to which the strategic priorities are relevant (not including functions under [sections 69 to 72, 84\(1\) or \(2\) or 89](#), or other functions so far as carried out in connection with those functions);

“principal objectives” means the principal objectives of the Secretary of State and the economic regulator set out in [section 1\(1\)](#).

- (2) In this section “relevant time”, in relation to the CCUS strategy and policy statement, means—
- (a) the time when the statement was first designated under [section 99](#), or
 - (b) if later, the time when a review of the statement under this section last took place.
- (3) A review under [subsection \(1\)](#) must take place as soon as reasonably practicable after the end of the 5 year period.
- (4) The Secretary of State may review the CCUS strategy and policy statement at any other time if—
- (a) a Parliamentary general election has taken place since the relevant time,
 - (b) the economic regulator has given notice to the Secretary of State under [section 100\(6\)](#) since the relevant time,
 - (c) a significant change in the policy of His Majesty’s government with regard to carbon dioxide capture, usage and storage has occurred since the relevant time,
 - (d) the Secretary of State has commenced a review under section 134 of the Energy Act 2013 since the relevant time,
 - (e) the Parliamentary approval requirement in relation to an amended statement was not met on the last review (see [subsection \(13\)](#)).
- (5) The Secretary of State may determine that a significant change in the government’s policy with regard to carbon dioxide capture, usage and storage has occurred for the purposes of [subsection \(4\)\(c\)](#) only if—
- (a) the change was not anticipated at the relevant time, and
 - (b) if the change had been so anticipated, it appears to the Secretary of State likely that the statement would have been different in a material way.
- (6) On a review under this section the Secretary of State may—
- (a) amend the statement (including by replacing the whole or part of the statement with new content),
 - (b) leave the statement as it is, or
 - (c) withdraw the statement’s designation as the strategy and policy statement.
- (7) The amendment of a statement under [subsection \(6\)\(a\)](#) has effect only if the Secretary of State designates under [section 99](#) the amended statement as the strategy and policy statement (and the procedural requirements under [section 102](#) apply in relation to any such designation).
- (8) For the purposes of this section, corrections of clerical or typographical errors are not to be treated as amendments made to the statement.
- (9) The designation of a statement as the strategy and policy statement ceases to have effect upon a subsequent designation of an amended statement as the strategy and policy statement in accordance with [subsection \(7\)](#).
- (10) Before proceeding under [subsection \(6\)\(b\)](#) or [\(c\)](#) the Secretary of State must give notice to the appropriate consultees—
- (a) setting out the Secretary of State’s proposed decision, and
 - (b) specifying the period (of not less than 28 days from the date on which the notice is given) within which representations must be made,

Status: This is the original version (as it was originally enacted).

and the Secretary of State must consider any representations which are duly made and not withdrawn.

- (11) For the purposes of subsection (10), the “appropriate consultees” are—
- (a) the economic regulator;
 - (b) so far as the decision as to whether or not to proceed relates to Scottish devolved matters, the Scottish Ministers;
 - (c) so far as that decision relates to Welsh devolved matters, the Welsh Ministers;
 - (d) so far as that decision relates to Northern Ireland devolved matters, the Department for the Economy in Northern Ireland.
- (12) For the purposes of subsection (2)(b), a review of a statement takes place—
- (a) where the decision on the review is to amend the statement under subsection (6)(a)—
 - (i) at the time when the amended statement is designated as the CCUS strategy and policy statement under section 99, or
 - (ii) if the amended statement is not so designated, at the time when the amended statement was laid before Parliament for approval under section 102(9);
 - (b) where the decision on the review is to leave the statement as it is under subsection (6)(b), at the time when that decision is taken.
- (13) For the purposes of subsection (4)(e), the Parliamentary approval requirement in relation to an amended statement was not met on the last review if—
- (a) on the last review of the strategy and policy statement to be held under this section, an amended statement was laid before Parliament for approval under section 102(9), but
 - (b) the amended statement was not designated because such approval was not given.
- (14) For the purposes of this section—
- (a) something relates to Welsh devolved matters so far as it relates to any matter provision about which would be within the legislative competence of Senedd Cymru if it were contained in an Act of the Senedd (ignoring any requirement for the consent of a Minister of the Crown imposed under Schedule 7B to the Government of Wales Act 2006);
 - (b) something relates to Scottish devolved matters so far as it relates to any matter provision about which would be within the legislative competence of the Scottish Parliament if it were contained in an Act of that Parliament;
 - (c) something relates to Northern Ireland devolved matters so far as it relates to any matter provision about which—
 - (i) would be within the legislative competence of the Northern Ireland Assembly if it were contained in an Act of that Assembly, and
 - (ii) would not, if it were contained in a Bill in the Northern Ireland Assembly, result in the Bill requiring the consent of the Secretary of State under section 8 of the Northern Ireland Act 1998.

102 Procedural requirements

- (1) This section sets out the requirements that must be satisfied in relation to a statement before the Secretary of State may designate it as the CCUS strategy and policy statement.
- (2) In this section references to a statement include references to a statement as amended following a review under [section 101\(6\)\(a\)](#).
- (3) The Secretary of State must first—

- (4) The “required consultees” are—
 - (a) the economic regulator,
 - (b) the Scottish Ministers,

CHAPTER 5

CARBON STORAGE INFORMATION AND SAMPLES

Introductory

107 Chapter 5: key definitions

- (1) This section applies for the purposes of this Chapter.
- (2) “Carbon storage licence” means a licence granted, or having effect as if granted, by the OGA under section 18(1) of the Energy Act 2008 (and references to a “licensee” are to a person who holds such a licence).
- (3) “Exploration operator”, in relation to a carbon storage licence, means a person who is responsible for organising or supervising—
- (a) the carrying on of exploration, within the area within which activities are authorised under the licence, with a view to, or in connection with, the carrying on of activities within section 17(2)(a) or (b) of the Energy Act 2008, or
 - (b) the establishment or maintenance in a controlled place (as defined in section 17 of the Energy Act 2008) of an installation for the purposes of such exploration.
- (4) “Carbon storage information” means information acquired or created by or on behalf of a licensee in the course of carrying out activities under the licensee’s carbon storage licence.

108 Retention of information and samples

- (1) Regulations made by the Secretary of State may require—
- (a) specified licensees to retain specified carbon storage information;

- (5) Regulations under this section may not impose requirements which have effect in relation to particular carbon storage information or particular carbon storage samples at any time when an information and samples plan dealing with the information or samples has effect.
- (6) Requirements imposed by regulations under this section are sanctionable in accordance with this Chapter.
- (7) Before making regulations under this section, the Secretary of State must consult each licensing authority that may under section 18(1) of the Energy Act 2008 grant a licence in respect of the carrying on, in a place to which the regulations would apply, of activities within section 17(2) of that Act.
- (8) Regulations under this section are subject to the negative procedure.

109 Preparation and agreement of information and samples plans

- (1) The responsible person must prepare an information and samples plan in connection with any of the following (each “a licence event”)—
- (a) where a licensee is a company, a change in control of the company within the meaning of paragraph 6 of Schedule 1 to the Carbon Dioxide (Licensing etc.) Regulations 2010 (S.I. 2010/2221) (inserted by [Schedule 6](#) to this Act);
 - (b) a change in the identity of—

Status: This is the original version (as it was originally enacted).

- meaning of regulation 1(3) of the Carbon Dioxide (Licensing etc.) Regulations 2010);
- (c) a transfer of rights under a carbon storage licence, whether in relation to all or part of the area in respect of which the licence was granted;

 - (a) carbon storage information held by the responsible person before the event, and
 - (b) carbon storage samples held by that person before the event.
 - (5) The responsible person must agree the information and samples plan with the OGA—
 - (a) in the case of a licence event mentioned in [subsection \(1\)\(a\), \(b\), \(c\), \(d\) or \(e\)](#), before the licence event takes place, or
 - (b) in the case of a licence event mentioned in [subsection \(1\)\(f\) or \(g\)](#), within a reasonable period after the termination of the carbon storage licence or revocation of the storage permit.
 - (6) An information and samples plan has effect once it is agreed with the OGA.
 - (7) If an information and samples plan is not agreed with the OGA as mentioned in [subsection \(5\)\(a\) or \(b\)](#), the OGA—
 - (a) may itself prepare an information and samples plan in connection with the licence event, and
 - (b) may require the responsible person to provide it with such information as the OGA may require to enable it to do so.
 - (8) The OGA must inform the responsible person of the terms of any information and samples plan it prepares in connection with a licence event.
 - (9) Where the OGA—
 - (a) prepares an information and samples plan in connection with a licence event, and
 - (b) informs the responsible person of the terms of the plan,
 the plan has effect as if it had been prepared by the responsible person and agreed with the OGA.
 - (10) Where an information and samples plan has effect in connection with a licence event, the responsible person must comply with the plan.

- (11) The requirements imposed by [subsection \(5\)](#) and [\(10\)](#), or under [subsection \(7\)\(b\)](#), are sanctionable in accordance with this Chapter.

 - (b) the transfer of any such information or samples to a new licensee, or
 - (c) appropriate storage of such information or samples.
- (5) Where an information and samples plan makes provision under [subsection \(4\)](#) for a person, other than the responsible person, to hold information or samples in accordance with the plan—
- (a) the plan may, with the consent of that other person, impose requirements on that person in connection with the information and samples, and
 - (b) any such requirements are sanctionable in accordance with this Chapter.

- (7) An information and samples plan may provide for the storage of information or samples as mentioned in [subsection \(4\)\(c\)](#) to be the responsibility of the OGA.
- (8) Where a transfer of rights under a carbon storage licence relates to only part of the area in relation to which the licence was granted, the information and samples plan prepared in connection with the transfer is to relate to all carbon storage information and carbon storage samples held by the responsible person before the licence event, and not only information and samples in respect of that part of the area.
- (9) In this section, “licence event” and “responsible person” have the same meaning as in [section 109](#).

- (6) The OGA must not give a sanction notice to the person or persons in respect of a failure to comply with the requirement until after the end of the representations period specified in the sanction warning notice.

- (7) Having regard to representations made during the representations period specified in the sanction warning notice, the OGA may decide—
- (a) to give the person or persons a sanction notice in respect of the failure to comply with the requirement detailed in the sanction warning notice under [subsection \(3\)\(c\)](#),
 - (b) to give the person or persons a sanction notice in respect of a failure to comply with the requirement which differs from the failure detailed in the sanction warning notice under [subsection \(3\)\(c\)](#), or
 - (c) not to give the person or persons a sanction notice in respect of a failure to comply with the requirement.

121 Publication of details of sanctions

- (1) The OGA may publish details of any sanction notice given in accordance with this Chapter.
- (2) But the OGA may not publish anything that, in its opinion—
- (a) is commercially sensitive,
 - (b) is not in the public interest to publish, or
 - (c) is otherwise not appropriate for publication.
- (3) If, after details of a sanction notice are published by the OGA, the sanction notice is—
- (a) cancelled on appeal, or
 - (b) withdrawn under [section 123](#),
- the OGA must publish details of the cancellation or withdrawal.

122 Subsequent sanction notices

- (1) This section applies where the OGA gives a sanction notice in respect of a particular failure to comply with a sanctionable requirement (whether the notice is given alone or at the same time as another type of sanction notice).
- (2) If the sanction notice given is a revocation notice or an operator removal notice, no further sanction notices may be given in respect of the failure to comply.
- (3) If the sanction notice given is a financial penalty notice which does not require compliance with the sanctionable requirement, no further sanction notices may be given in respect of the failure to comply.
- (4) Subsection (5) applies if the sanction notice given is—
- (a) an enforcement notice, or
 - (b) a financial penalty notice which requires compliance with the sanctionable requirement.
- (5) No further sanction notices may be given in respect of the failure to comply before the end of the period specified under [section 116\(1\)\(c\)](#) or [117\(1\)\(c\)\(i\)](#), as the case may be (period for compliance with sanctionable requirement).

123 Withdrawal of sanction notices

- (1) The OGA may, at any time after giving a sanction notice, withdraw the sanction notice.

Status: This is the original version (as it was originally enacted).

- (2) If a sanction notice is withdrawn by the OGA—
 - (a) the notice ceases to have effect, and
 - (b) the OGA must notify the following persons of the withdrawal of the notice—
 - (i) the person or persons to whom the notice was given;
 - (ii) in the case of an operator removal notice, the licensee under whose carbon storage licence the exploration operator operates.

124 Sanctions: information powers

- (1) This section applies for the purposes of an investigation which—
 - (a) concerns whether a person has failed to comply with a sanctionable requirement, and
 - (b) is carried out by the OGA for the purpose of enabling it to decide whether to give the person a sanction notice, or on what terms a sanction notice should be given to the person.
- (2) The OGA may by notice in writing, for the purposes of that investigation, require the person to provide specified documents or other information.
- (3) “Specified” means specified, or of a description specified, in a notice under this section.
- (4) A requirement under [subsection \(2\)](#) applies only to the extent—
 - (a) that the documents requested are documents in the person’s possession or control, or
 - (b) that the information requested is information in the person’s possession or control.
- (5) A requirement imposed by a notice under [subsection \(2\)](#) is sanctionable in accordance with this Chapter.
- (6) The documents or information requested—
 - (a) may include documents or information held in any form (including in electronic form);
 - (b) may include documents or information that may be regarded as commercially sensitive;
 - (c) may not include items that are subject to legal privilege.
- (7) The notice must specify—
 - (a) to whom the information is to be provided;
 - (b) where it is to be provided;
 - (c) when it is to be provided;
 - (d) the form and manner in which it is to be provided.

General

125 Appeals

In [Schedule 8](#)—

Status: This is the original version (as it was originally enacted).

- (a) Part 1 contains provision about appeals against decisions by the OGA relating to the preparation of an information and samples plan and appeals against the giving of a notice under [section 112](#), and
- (b) Part 2 contains provision about appeals against the imposition of sanction notices and appeals against the giving of a notice under [section 124](#).

126 Procedure for enforcement decisions

- (1) The OGA—
 - (a) must determine the procedure that it proposes to follow in relation to enforcement decisions, and
 - (b) must issue a statement of its proposals.
- (2) The procedure mentioned in [subsection \(1\)\(a\)](#) must be designed to secure, among other things, that an enforcement decision is taken—
 - (a) by a person falling within [subsection \(3\)](#), or
 - (b) by two or more persons, each of whom falls within [subsection \(3\)](#).
- (3) A person falls within this subsection if the person was not directly involved in establishing the evidence on which the enforcement decision is based.
- (4) The statement mentioned in [subsection \(1\)\(b\)](#) must be published in whatever way appears to the OGA to be best calculated to bring the statement to the attention of the public.
- (5) When the OGA takes an enforcement decision, the OGA must follow its stated procedure.
- (6) If the OGA changes its procedure in a material way, it must publish a revised statement.
- (7) A failure of the OGA in a particular case to follow its procedure as set out in the latest published statement does not affect the validity of an enforcement decision taken in that case.
- (8) But [subsection \(7\)](#) does not prevent the Tribunal from taking into account any such failure in considering an appeal under paragraph 4 or 5 of [Schedule 8](#) in relation to a sanction notice.
- (9) In this section, “enforcement decision” means—
 - (a) a decision to give a sanction notice in respect of a failure to comply with a sanctionable requirement, or
 - (b) a decision as to the details of the sanction to be imposed by the notice.

PART 3

LICENSING OF HYDROGEN PIPELINE PROJECTS

Introductory

130 Key definitions for Part 3

(1) In this Part—

“designated person” means a person in relation to whom a designation under [section 131\(1\)](#) has effect (and any reference to designation, in relation to a person, is to be construed accordingly);

“designated project”, in relation to a person, means a hydrogen pipeline project in relation to which the person is designated;

“gas transporter licence” means a licence under section 7 of the Gas Act 1986;

“hydrogen” means any gas that consists wholly or mainly of hydrogen;

“hydrogen pipeline project” means a project involving the construction, alteration or operation of a pipeline for the purpose of the conveyance of hydrogen.

(2) References in this Part to the extension or restriction of a licence are to the giving of a direction in respect of the licence under (respectively) section 7(4) or (4A) of the Gas Act 1986.

Designation in relation to hydrogen pipeline projects

131 Designation

(1) The Secretary of State may by notice given to a person designate the person in relation to a hydrogen pipeline project.

(2) The Secretary of State may designate a person in relation to a hydrogen pipeline project only if the Secretary of State is of the opinion—

(a) that it is likely to be appropriate for conditions described in [section 137\(1\)\(a\)](#) and (b) to be included in any gas transporter licence held by the person for the purposes of the project (whether or not the person already holds such a licence), and

(b) that the project is likely to result in value for money.

(3) A person may be designated only with the person’s consent.

(4) A designation may not relate to more than one hydrogen pipeline project (but a person who is designated in relation to one project may be designated separately in relation to another).

132 Designation: procedure

(1) The Secretary of State must publish a statement setting out—

(a) the procedure that the Secretary of State expects to follow in determining whether to exercise the power under [section 131\(1\)](#), and

Status: This is the original version (as it was originally enacted).

- (b) how the Secretary of State expects to determine whether the conditions in [section 131\(2\)](#) are met.
- (2) A duty imposed by [subsection \(1\)](#) may be satisfied by things done before the passing of this Act (as well as by things done after that time).
- (3) A designation notice must include—
 - (a) a description of the hydrogen pipeline project to which the designation relates,
 - (b) the Secretary of State’s reasons for the designation,
 - (c) details of any conditions to which the designation is subject, and
 - (d) the date of the notice.
- (4) The Secretary of State must give the GEMA a copy of a designation notice.
- (5) The Secretary of State must publish a designation notice, but may exclude from publication any material the disclosure or publication of which the Secretary of State considers—
 - (a) would be likely to prejudice the commercial interests of any person, or
 - (b) would be contrary to the interests of national security.
- (6) In this section, “designation notice” means a notice under [section 131\(1\)](#).

133 Revocation of designation

- (1) The Secretary of State may by notice given to a designated person revoke the person’s designation in relation to a hydrogen pipeline project if—
 - (a) either of the conditions in [section 131\(2\)](#) ceases to be met in relation to the project,

 - (c) the person consents to the designation being revoked.
- (2) [Section 132\(3\)\(a\), \(b\) and \(d\), \(4\) and \(5\)](#) applies (with necessary modifications) in relation to the revocation of a person’s designation as it applies in relation to the designation of a person.
- (3) Where the Secretary of State gives a notice to a person under [subsection \(1\)](#), the person’s designation in relation to the hydrogen pipeline project in question ceases to have effect at the end of the day on which the notice is given to the person.
- (4) The revocation of a person’s designation in relation to a hydrogen pipeline project does not affect anything done in relation to the licence by the Secretary of State under or by virtue of this Part while the person was designated in relation to the project.

Grant etc of gas transporter licence

134 Grant, extension or restriction of gas transporter licence by Secretary of State

- (1) The Secretary of State may exercise the power under [section 7\(2\)](#) of the Gas Act 1986 (grant of gas transporter licences) so as to grant a gas transporter licence to a designated person, subject to [subsection \(2\)](#).

 - (b) is considering whether to apply for financial support for activities relating to the production, transportation, storage or use of hydrogen.
- (3) The conditions referred to in subsection (2) are conditions that require the licence holder to comply with a direction given by the Secretary of State or the GEMA requiring the holder to provide to the candidate—
- (a) information in relation to the activities authorised by the licence, and
 - (b) any other assistance that the candidate may reasonably require for the purpose of determining whether to—
 - (i) apply for a relevant licence, or
 - (ii) apply for financial support as mentioned in subsection (2)(b).
- (4) A person (“P”) may not under section 8(3) of the Gas Act 1986 modify a condition of a relevant licence unless P is of the opinion that the modification is such that—
- (a) the licence holder would not be unduly disadvantaged in competing with one or more other holders of relevant licences, and
 - (b) no other holder of a relevant licence would be unduly disadvantaged in competing with other holders of such licences (including the holder of the relevant licence to be modified).

Other

141 Secretary of State directions to the GEMA

- (1) In exercising any functions it has in relation to relevant gas transporter licences, the GEMA must comply with general or particular directions given to it by the Secretary of State for the purpose of promoting value for money in connection with a hydrogen pipeline project (or in connection with hydrogen pipeline projects generally).

142 Repeal of Part 3

- (1) The Secretary of State may by regulations repeal any of the preceding provisions of this Part.
- (2) So far as any of those provisions is still in force on a relevant date, the Secretary of State must—
 - (a) consider whether it is appropriate to repeal that provision, and
 - (b) if satisfied that it is not appropriate to do so, publish a statement no later than 3 months after that date explaining why not.
- (3) “Relevant date” in subsection (2) means 31 December 2040 and each five-year anniversary of that date.

- (4) Regulations under this section are subject to the affirmative procedure.

PART 12

CORE FUEL SECTOR RESILIENCE

CHAPTER 1

INTRODUCTION

267 General objective

The functions of the Secretary of State under this Part must be exercised with a view to—

- (a) ensuring that economic activity in the United Kingdom is not adversely affected by disruptions to core fuel sector activities, and
- (b) reducing the risk of emergencies affecting fuel supplies.

268 “Core fuel sector activity” and other key concepts

- (1) In this Part “core fuel sector activity” means an activity of a kind mentioned in [subsection \(2\)](#), so far as the activity—
 - (a) is carried on in the United Kingdom in the course of a business, and
 - (b) contributes (directly or indirectly) to the supply of core fuels to consumers in the United Kingdom or persons carrying on business in the United Kingdom.
- (2) The kinds of activity are—
 - (a) storing oil or renewable transport fuel;
 - (b) handling oil or renewable transport fuel;
 - (c) the carriage of oil or renewable transport fuel by sea or inland water;
 - (d) transporting oil or renewable transport fuel by road or rail;
 - (e) conveying oil or renewable transport fuel by pipes;
 - (f) processing or producing oil or renewable transport fuel (whether by refining, blending or otherwise).
- (3) In [subsection \(2\)](#) the references to “oil” do not include crude oil which has not yet entered any refinery or terminal in the United Kingdom.
- (4) In this Part “core fuels” means—
 - (a) crude oil based fuels, and
 - (b) renewable transport fuels.
- (5) In this Part “core fuel sector resilience” means the capability of core fuel sector participants to—
 - (a) manage the risk of,
 - (b) reduce the potential adverse impact of, and
 - (c) facilitate recovery from,disruptions to core fuel sector activities.
- (6) In this Part “core fuel sector participant” means—
 - (a) a person carrying on core fuel sector activities;
 - (b) a [Part 12](#) facility owner.
- (7) For the purposes of this Part there is “continuity of supply of core fuels” where the supply of core fuels to consumers in all areas of the United Kingdom, and persons carrying on business in all areas of the United Kingdom—
 - (a) is reliable and continuous, and
 - (b) is maintained at normal levels.
- (8) In [subsection \(7\)](#) “normal levels” means levels that—
 - (a) are not substantially below average monthly levels of supply in the United Kingdom (taking account of regional variations), and
 - (b) are consistent with a reasonable balance between supply and demand.
- (9) For the purposes of [subsection \(8\)](#) “average monthly levels” are to be calculated by reference to levels of supply in the five years preceding the calculation.
- (10) In this Part “relevant activities or assets”—
 - (a) in relation to a person carrying on core fuel sector activities, means the person’s core fuel sector activities (and includes any land or assets under the person’s control that are associated with those activities);

Status: This is the original version (as it was originally enacted).

- (b) in relation to a [Part 12](#) facility owner, means the owned facility.
- (11) In this Part—
- (a) “[Part 12](#) facility owner” means the owner of a pipeline, terminal, or other facility or infrastructure which is used, or any part of which is used, for the purposes of core fuel sector activities;
 - (b) in relation to a [Part 12](#) facility owner, “the owned facility” means the facility or infrastructure mentioned in [paragraph \(a\)](#).
- (12) In [subsection \(11\)](#) “owner”, in relation to any facility or infrastructure, means—
- (a) a person in whom the facility or infrastructure is vested, or
 - (b) a lessee of the facility or infrastructure.
- (13) In this Part references to a “person carrying on core fuel sector activities” include any person carrying on such activities (whether or not as the owner of the oil or renewable transport fuel).

CHAPTER 2

 - (b) a notice under [section 29\(2\)\(b\)](#) is served on the licence holder which specifies that the notice is served in connection with a concern on the part of the economic regulator that the licence holder may be contravening, or may have contravened, a relevant condition or requirement.
- (2) Where a final or provisional order has been made in relation to a contravention, the economic regulator may not impose a penalty in respect of the contravention unless the notice relating to the penalty under [paragraph 4\(4\)](#) was served on the licence holder under [paragraph 4\(8\)](#)—

- (7) Where the court specifies, as a date by which the penalty or a portion of the penalty is to be paid, a date before the determination of the application under this paragraph it may require the payment of interest on the penalty, or portion, from that date at such rate as it considers just and equitable.

“Mergers of energy network enterprises in Great Britain

68A Relevant merger situations involving energy network mergers

- (1) For the purposes of this Part, a relevant merger situation involves an energy network merger if two or more of the enterprises that cease to be distinct are energy network enterprises of the same type.
- (2) For the purposes of this Part, the types of “energy network enterprise” are—
- (a) an enterprise holding a licence under section 7 of the Gas Act 1986 (gas transporter);

Status: This is the original version (as it was originally enacted).

- (b) an enterprise holding a licence under section 6(1)(b) of the Electricity Act 1989 (transmission of electricity), except as mentioned in subsection (3);

 - (b) either—
 - (i) the enterprise does not hold any other licence of a type mentioned in subsection (2), or
 - (ii) the enterprise holds one or more other licences under section 6(1)(b) or (c) of the Electricity Act 1989 and each of those other licences was granted following a tender exercise.
- (4) The Secretary of State may by regulations amend this section by—
- (a) adding to subsection (2) an enterprise holding a licence under the Gas Act 1986 or the Electricity Act 1989 of a type that is not specified in that subsection;

- (1) The CMA must make a reference to its chair for the constitution of a group under Schedule 4 to the Enterprise and Regulatory Reform Act 2013 if the CMA believes that it is or may be the case that—
- (a) a relevant merger situation involving an energy network merger has been created, and
 - (b) the creation of that situation has caused, or may be expected to cause, substantial prejudice to the ability of the Gas and Electricity Markets Authority, in carrying out its functions under Part 1 of the Gas Act 1986 or Part 1 of the Electricity Act 1989, to make comparisons between energy network enterprises of the type involved in the energy network merger;
- but this is subject to subsections (2) and (3).

68C Further duty to make references in relation to anticipated mergers

- (1) The CMA must make a reference to its chair for the constitution of a group under Schedule 4 to the Enterprise and Regulatory Reform Act 2013 if the CMA believes that it is or may be the case that—
 - (a) arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation involving an energy network merger, and
 - (b) the creation of that situation may be expected to cause substantial prejudice to the ability of the Gas and Electricity Markets Authority, in carrying out its functions under Part 1 of the Gas Act 1986 or Part 1 of the Electricity Act 1989, to make comparisons between energy network enterprises of the type involved in the energy network merger,but this is subject to subsections (2) and (3).
- (2) The CMA may decide not to make a reference under this section if it believes that—
 - (a) the arrangements concerned are not sufficiently far advanced, or are not sufficiently likely to proceed, to justify the making of a reference, or
 - (b) any relevant customer benefits in relation to the creation of the relevant merger situation concerned outweigh the prejudice mentioned in subsection (1)(b).
- (3) The CMA must not make a reference under this section in any circumstances described in section 33(3).
- (4) A reference under this section must, in particular, specify—
 - (a) the enactment under which it is made, and

 - (b) whether any prejudice is outweighed by any relevant customer benefits in relation to the creation of the relevant merger situation.
- (3) The Gas and Electricity Markets Authority must prepare and publish a statement of the methods it considers should be applied in forming an opinion on the matters mentioned in subsection (2).
- (4) The statement must, in particular, set out—
 - (a) the criteria to be used for assessing the effect of any particular energy network enterprises ceasing to be distinct enterprises on the Gas and Electricity Market Authority's ability to make comparisons between such enterprises, and
 - (b) the relative weight to be given to the criteria.
- (5) Before preparing or altering the statement, the Gas and Electricity Markets Authority must consult—
 - (a) the Secretary of State,
 - (b) the Scottish Ministers,
 - (c) the Welsh Ministers,
 - (d) the CMA, and

 - (b) make a reference under both section 33 and section 68C.
- (2) If the CMA does so—
 - (a) the references may be decided by the same group constituted under Schedule 4 to the Enterprise and Regulatory Reform Act 2013;
 - (b) the functions of the CMA referred to in section 34C(1) and (2) may be carried out on behalf of the CMA by the same group in relation to both references; and
