- (c) the amount of compensation to which the licence holder is entitled.

6 Notification of unsuccessful election

Within 28 days after receiving an unsuccessful election to surrender a licence, the Victorian Fisheries Authority must notify the licence holder in writing stating—

- (a) that the election made by the licence holder to surrender their licence has been unsuccessful; and
- (b) the reasons why the election was unsuccessful; and
- (c) that the licence holder may submit a further election to surrender their licence in accordance with clause 3; and

Part 3—Calculation of compensation

7 Calculation of compensation

- (1) The amount of compensation payable to a licence holder whose licence is cancelled under section 153O or 153P is determined in accordance with Table 1 where—

T is the annual average catch value of the catch taken under the licence held by the licence holder over the survey period (whether or not the licence holder held the licence for the whole of that period).

Table 1

<i>Column 1</i>	<i>Column 2</i>
<i>Date on which licence cancelled</i>	<i>Formula for determining compensation</i>
1 April 2020	The amount (A) = \$371 000 + \$60 000 + (3 × T)
1 April 2021	The amount (B) = A × 8/10

- (2) For the purposes of subclause (1), the annual average catch value taken under a licence over the survey period (**T**) is determined as follows—
- (a) for each species of fish specified in column 1 of Table 2—
- (i) the total catch, in kilograms, of the species is determined based on the catch history of the licence over the survey period indicated in the records held by the Victorian Fisheries Authority; and
 - (ii) the total catch is multiplied by the value per kilogram specified opposite in column 2 of Table 2 to determine the total catch value of the species over the survey period; and
 - (iii) the total catch value of the species over the survey period is divided by 5 to determine the annual average catch value of the species;

(b) the annual average catch values of each of the species, as determined under paragraph (a), are added together.

INTERPRETATION OF LEGISLATION ACT 1984 (ILA)

Style changes

Section 54A of the ILA authorises the making of the style changes set out in Schedule 1 to that Act.

References to ILA s. 39B

Sidenotes which cite ILA s. 39B refer to section 39B of the ILA which provides that where an undivided section or clause of a Schedule is amended by the insertion of one or more subsections or subclauses, the original section or clause becomes subsection or subclause (1) and is amended by the insertion of the expression "(1)" at the beginning of the original section or clause.

Interpretation

As from 1 January 2001, amendments to section 36 of the ILA have the following effects:

- **Headings**

All headings included in an Act which is passed on or after 1 January 2001 form part of that Act. Any heading inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, forms part of that Act. This includes headings to Parts, Divisions or Subdivisions in a Schedule; sections; clauses; items; tables; columns; examples; diagrams; notes or forms. See section 36(1A)(2A).

- **Examples, diagrams or notes**

All examples, diagrams or notes included in an Act which is passed on or after 1 January 2001 form part of that Act. Any examples, diagrams or notes inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, form part of that Act. See section 36(3A).

- **Punctuation**

All punctuation included in an Act which is passed on or after 1 January 2001 forms part of that Act. Any punctuation inserted in an Act which was passed before 1 January 2001, by an Act passed on or after 1 January 2001, forms part of that Act. See section 36(3B).

- **Provision numbers**

All provision numbers included in an Act form part of that Act, whether inserted in the Act before, on or after 1 January 2001. Provision numbers include section numbers, subsection numbers, paragraphs and subparagraphs. See section 36(3C).

- **Location of "legislative items"**

A "legislative item" is a penalty, an example or a note. As from 13 October 2004, a legislative item relating to a provision of an Act is taken to be at the foot of that provision even if it is preceded or followed by another legislative item that relates to that provision. For example, if a penalty at the foot of a provision is followed by a note, both of these legislative items will be regarded as being at the foot of that provision. See section 36B.

- **Other material**

Any explanatory memorandum, table of provisions, endnotes, index and other material printed after the Endnotes does not form part of an Act. See section 36(3)(3D)(3E).
