LIST OF USED CONSUMER GOODS BANNED FROM IMPORT

*(Issued together with the Ministry of Trade's
Circular No.05/2000/TT-BTM
of February 21, 2000)*

This list was drawn up on the basis of the Import Tariff issued together with the Finance Ministry's Decision No.1803/1998/QD-BTC of December 11, 1998.

Following are principles for use of this list:

1. Goods items specified in this list, if they are used ones, shall be banned from import into Vietnam according to provisions in Section 7, Part II, Appendix No.1 to the Prime Minister's Decision No.242/1999/QD-TTg of December 30, 1999 on the management of goods export and import in 2000.

2. For cases where only 4-digit (or 6-digit) codes are listed, all goods under 8-digit codes belonging to such 4-digit headings (or 6-digit sub-headings) are banned from import, except otherwise provided for right in the list.

3. For cases where 4-digit and 6-digit codes are extended to 8-digit codes, only goods under such newly extended 8-digit codes are banned from import.
