

**THE MINISTRY OF NATURAL RESOURCES
AND ENVIRONMENT**

**DECISION No. 11/2004/QĐ-BTNMT of June
16, 2004 defining the functions, tasks,
powers and organizational structure of the
Cadastral Research Institute**

The Cadastral Research Institute is a non-business scientific organization attached to the Ministry of Natural Resources and Environment, having the function of researching into and development science and technologies for land administration and topography-cartography.

This Decision prescribes the tasks, powers and organizational structure of the Cadastral Research Institute, takes effect 15 days after its publication in the Official Gazette and replaces the Natural Resources and Environment Minister's Decision No. 18/2003/QĐ-BTNMT of December 29, 2003.-
