

**THE MINISTRY OF NATURAL RESOURCES
AND ENVIRONMENT**

**DECISION No. 12/2004/QĐ-BTNMT of
June 16, 2004 defining the functions,
tasks, powers and organizational
structure of the Topography and
Cartography Department**

The Topography and Cartography Department is an organization attached to the Ministry of Natural Resources and Environment, functioning to assist the Minister in performing the uniform State management over topography and cartography; managing basic topographical and cartographical activities; organizing basic topographical and cartographical work in land, space and sea territories under the management and jurisdiction of the State of the Socialist Republic of Vietnam.

This Decision prescribes the tasks, powers and organizational structure of the Topography and Cartography Department, takes effect 15 days after its publication in the Official Gazette and replaces the Natural Resources and Environment Minister's Decision No. 12/2003/QĐ-BTNMT of January 7, 2003.-
