

**THE MINISTRY OF NATURAL RESOURCES
AND ENVIRONMENT**

**DECISION No. 14/2004/QĐ-BTNMT of
June 16, 2004 defining the functions,
tasks and powers of the Environmental
Impact Appraisal and Assessment
Department**

The Environmental Impact Appraisal and Assessment Department is an organization attached to the Ministry of Natural Resources and Environment, functioning to assist the Minister in performing the State management over environmental impact appraisal and assessment; organizing the appraisal and contributing its comments on branch and territorial development strategies, plans, investment projects, technical assistance projects, development projects in the domain of natural resources and environment of ministries, branches, localities, organizations and individuals.

This Decision prescribes the tasks, powers and organizational structure of the Environmental Impact Appraisal and Assessment Department, takes effect 15 days after its publication in the Official Gazette and replaces the Natural Resources and Environment Minister's Decision No. 111/2002/QĐ-BTNMT of December 31, 2002.-
