

GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 34 OF 2012

**The Mines and Minerals Development Act, 2008  
(Act No. 7 of 2008)**

**The Mines and Minerals Development (General)  
(Amendment) Regulations, 2012**

IN EXERCISE of the powers contained in section *one hundred and sixty-one* of the Mines and Minerals Development Act, 2008, the following Regulations are hereby made:

- |   |   |
|---|---|
| 1. These Regulations may be cited as the Mines and Minerals Development (General) (Amendment) Regulations, 2012, and shall be read as one with the Mines and Minerals Development (General) Regulations, 2008, in these Regulations referred to as the principal Regulations.   | Title<br>S. I. No. 84<br>of 2008                  |
| 2. The principal Regulations are amended by the insertion, immediately after regulation 44, of the following:   | Insertion of<br>new<br>Regulations<br>44A and 44B |
| 44A. (1) The holder of a mining licence or mineral processing licence shall submit to the Director of Mines not later than the 28th February in each year, a report on the operations carried out in the mining area and operations ancillary thereto during the previous year. | Submission<br>of annual<br>reports                |
| (2) The report referred to in sub-regulation (1) shall include—   |   |
| (a) tonnage, type and grade of ore mined and its source;  |   |
| (b) tonnages and grade of ore depleted from, or added to, reserves or moved from one category of ore reserve to another;  |   |
| (c) a report on exploration work carried out within the mining area;  |   |
| (d) the total footages of primary development, secondary development and exploratory drilling completed;  |   |

- (e) calculations showing the ore recovery and waste dilution factors;
- (f) the recovery percentages and efficiency of all mining and metallurgical processes and a metallurgical balance sheet showing the disposition of all metal and mineral products depleted from the ore reserves;
- (g) a brief report on any research projects or major technical investigations carried out and results to date;
- (h) operating cost sheet showing in detail the average cost of production expressed in cost per tonne of ore mined and treated and cost per unit of finished product;
- (i) statement of work carried out on capital projects, and expenditure thereon;
- (j) quantities and grade of end products produced, quantities sold locally or exported and average selling prices;
- (k) average number of employees broken into number and category of Zambian citizens and expatriates employed during the previous year;
- (l) the holder's compliance with the approved local business development programme; and
- (m) a brief report on training carried out.

Programme  
of future  
operations

44B. (1) The holder of a mining licence or mineral processing licence shall submit to the Director of Mines not later than the last day of November in each year, a programme of operations in respect of the mining area for the ensuing year.

(2) The programme referred to in sub-regulation (1) shall include—

- (a) an estimate of the tonnages and grades of ore or other material that will be mined or reclaimed and treated and their source;
- (b) an estimate of primary and secondary development and exploratory drilling planned for the year;
- (c) an estimate of the quantities of mineral products which will be produced, estimated average operating costs and anticipated selling prices for the year;
- (d) details and estimated cost of any capital projects to be undertaken;
- (e) a forecast of any changes anticipated in the mining methods, treatment processes or marketing arrangements;

- (f) a statement of any research projects or major investigations to be carried out;
- (g) the estimated number of staff and labour requirements, stating the number of and category of Zambians and expatriates to be employed;
- (h) a brief preview of the training programme for the year; and
- (i) a brief preview of the local business development programme for the year.

3. The Second Schedule to the principal regulations is amended by the deletion of Form VI and the substitution therefor of the form set out in the Appendix to these Regulations.

Amendment  
of  
Second  
Schedule

APPENDIX  
(Paragraph 3)

SECOND SCHEDULE  
Regulation 12

REPUBLIC OF ZAMBIA

The Mines and Minerals Development Act, 2008  
(Act No. 7 of 2008)

The Mines and Minerals Development (General) Regulations, 2008

**Form VI**

(Regulation 12)

(To be completed in triplicate)

APPLICATION FOR A MINING RIGHT										
Please complete in block letters	Shaded fields for official use only	Licence code								
		Date and Time								
Information Required		Information Provided								✓
1	Type of Minerals or Mineral products to be *Exported/Import									
2	Period									
3	Minerals									
4	(a) Name(s) of applicant(s)									
	(a) Name(s) of applicant(s)	Individual	Company	Co-operative	Partnership					
5	(a) Date of Birth (dd/mm/yyyy)									
	(b) Nationality									
	(c) Identity card (National Registration Card No. or Passport No.)									
5	Applicant's Residential and Postal Address									
	Tel:									
	Fax:									
	E-mail:									
	(a) Company Registration No. (Attach copy of registration Certificate)									
Signature of Applicant (individual or authorised company representative)										
*Delete whichever is not applicable										

	(b) Shareholders-(Attach copies of Identity cards)	Shareholder	Shares held	Nationality	NRC/Passport No.
	(c) Directors	Director	Shares held	Nationality	NRC/Passport No.
	(d) Company Chief Executive Officer	Name		Nationality	
	(e) Company Secretary	Name		Nationality	
7	(a) Destination of *export/import (b) Name and address of receipt				
8	Quantity and value of mineral commodity to be exported/imported				
9	<b>Appendices</b>				
	(a) Export Permit				
	Appendix No. 1	Mineral analysis certificate issued by the Director of Geological Survey			
	Appendix No. 2	Verification report on mineral royalty payment from the Commissioner-General			
	Appendix No. 3	Security clearance by the Zambia Police Force			
	Appendix No. 4	Copies of certified production returns made by the holder			
	Appendix No. 5	Mining right or mineral processing licence or Gemstone sales certificate			
	(b) Import Permit				
	Appendix No. 1	Supply contract documents			
	Appendix No. 2	Mineral analysis report			
	Appendix No. 3	Company registration detail			
	Appendix No. 4	Proof of purchase and clearance from country of export (should include copies of receipts and export documentation)
