

## GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 3 OF 2007

**The Forests Act**  
(Laws, Volume 12, Cap. 199)**The National Forest No. F 42, Mufulira (Alteration of Boundaries) Order, 2007**

IN EXERCISE of the powers contained in section *seventeen* of the Forests Act, the following Order is hereby made:

- |                                                                                                                                                                                                                 |                                  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| 1. This Order may be cited as the Forest No. F 42, Mufulira (Alteration of Boundaries) Order, 2007.                                                                                                             | Title                            |
| 2. The Boundaries of National Forest No. F42, shall be altered by the deletion of existing boundary description thereof and the substitution therefor of the description set out in the Schedule to this Order. | Alteration of boundaries         |
| 3. Statutory Instrument No. 54 of 1970 is hereby amended accordingly.                                                                                                                                           | Amendment of S.I. No. 54 of 1946 |

SCHEDULE  
(Paragraph 2)

## NATIONAL FOREST NO F42, MUFULIRA

Starting at beacon W391, the most westerly corner beacon of Lot 592/M, the boundary proceeds in the South-easterly direction in a Straight line on a bearing of 116 degrees for a distance of approximately 3,550 meters to beacon W410; thence in south easterly direction in a straight line on a bearing of 109 degrees for a distance of approximately 2,400 metres to beacon CK361; thence south eastwards in a straight line on a bearing of 180 degrees for a distance of approximately 1,450 metres to beacon CK363; thence South-westwards in a straight line on a bearing of 127 degrees through beacon HT1094 for a distance of approximately 1,150 metres to a point on the right bank of Mutundu River; thence down the Mutundu river on the right bank to its Confluence with Kasaria stream; thence north westwards in a straight line through beacon MFR on a bearing of 304 degrees for a distance of approximately 1,450 metres to a point
