ribbing or tying, is comprised of non-metallic, soft, stranded, fibrous material only; and

- (b) is not designed to rotate, undulate or move erratically when drawn at uniform speed through the water.

General exemption

4. Notwithstanding the provisions of these regulations, the Director may, by notice erected at an office or entry-point, exempt the application of any provision to a part of the Parks and Wild Life Estate or an area of the Parks and Wild Life Estate where, because of the nature of such part or area, or the facilities provided therein, or because of any other relevant circumstances, he considers that the provisions should not apply.

GENERAL PROVISIONS RELATING TO THE PARKS AND WILD LIFE
ESTATE

When the Parks and Wild Life Estate is open

5. (1) Subject to the provisions of these regulations, the Parks and Wild Life Estate may be open throughout the year.

(2) Notwithstanding the provisions of subsection (1), the Director may, for good and sufficient reason at any time, and for such period as he deems fit, close any part or area of the Parks and Wild Life Estate by displaying a notice at the entry-point to such part or area, declaring it to be closed.

(3) No unauthorized person shall be within any part or area of the Parks and Wild Life Estate which has been closed in terms of subsection (2).

Entry into, and departure from, the Parks and Wild Life Estate

6. (1) Where an entry-point has been appointed and designated by the Director in respect of any part or area of the Parks and Wild Life Estate, no person shall enter or leave that part or area otherwise than at such entry-point and on payment of the prescribed fee, except—

- (a) with the written permission of the Director; or
- (b) on a prescribed road or a designated road.

(2) The Director may, by notice erected at an entry-point, require every person, or, in the case of a group of persons, a representative of such group, to report at such office during normal office hours as may be specified in such notice directly on entering the Parks and Wild Life Estate.

(3) No person shall—

(a) enter or leave a part of the Parks and Wild Life Estate specified in Part A of the First Schedule; or

(b) leave—

(i) a prescribed road; or

(ii) a designated road;

within a part of the Parks and Wild Life Estate specified in Part B of the First Schedule; or

(c) remain overnight in a part of the Parks and Wild Life Estate specified in Part C of the First Schedule;

without reporting his intention to the officer in charge of the office named opposite such part and receiving the permission of the officer to do so.

(4) Except in accordance with the written permission of an officer or employee, no person shall enter or leave an area of the Parks and Wild Life Estate on foot other than while travelling on a prescribed road or a designated road.

(5) Except in accordance with the permission of an officer, no person shall enter or leave an area of the Parks and Wild Life Estate during the prescribed hours other than while travelling on a prescribed road or a designated road.

(6) Except in accordance with the permission of an officer, no person under the age of fourteen years shall enter or be within a national park or safari area unless he is accompanied by a person over the age of eighteen years.

(7) The Director may limit the number of persons or vehicles which may be permitted to enter any part or area of the Parks and Wild Life Estate, and an officer or an employee may refuse to permit any person or any vehicle to enter such part or area where the number of persons or vehicles which has entered has

reached such limit, notwithstanding that such person has paid the appropriate fee to enter such part or area.

(8) The Director may, by notice in the *Gazette*, declare any road which enters or leaves a part of the Parks and Wild Life Estate as a designated road.

(9) In this section, "designated road" means any road declared to be a designated road in terms of subsection (8).

Use of roads

7. (1) The Director may---

- (a) prohibit any class of vehicle from using any road by reason of its type or mass; and
- (b) by erecting appropriate signs—
 - (i) restrict the speed at which any vehicle may travel; and
 - (ii) close and prohibit travel; and
 - (iii) prohibit any person from leaving a vehicle or riding on its exterior;on any road or part of any road.

(2) Except in accordance with the permission of an officer, no person within the Parks and Wild Life Estate shall—

- (a) drive any vehicle anywhere other than on a road; or
- (b) disregard any prohibition or restriction imposed in terms of subsection (1):

Provided that, notwithstanding any prohibition, a person may alight from his vehicle in the event of an emergency, the onus of proof whereof shall lie upon such person.

Prohibitions to preserve the Parks and Wild Life Estate

8. Except in accordance with the permission of an officer, no person shall, within the Parks and Wild Life Estate, except while travelling on a prescribed road—

- (a) be in possession of—

- (i) any wild life except in accordance with a permit;
or
- (ii) any plant except in terms of section 43;
or
- (b) cause any noise or behave in any manner likely to disturb wild life or any person; or
- (c) offer food to, or feed, any animal; or
- (d) be in possession of any weapon, explosive or poison or, in the case of a botanical reserve or a botanical garden, any gardening-tool; or
- (e) dispose of any refuse other than by—
 - (i) burning it at a place where fires may be made; or
 - (ii) placing it in a receptacle provided for that purpose;or
- (f) commit any act liable to endanger the adequacy or purity of any water; or
- (g) without reasonable excuse, the onus of proof whereof shall lie upon such person, destroy, damage or deface in any way or remove any State property or any object of geological, ethnological, historical or scientific interest; or
- (h) collect or remove any wood, rock, sand, soil or other substance; or
- (i) hold a political or public meeting; or
- (j) display an advertisement or notice or collect money for any purpose from the public; or
- (k) land or take off an aircraft or fly an aircraft at less than one hundred and fifty-five metres above ground-level; or
- (l) camp or occupy a caravan except at a site allocated in terms of subsection (1) of section 11.

Control of fires

9. (1) Except in accordance with the permission of an officer, no person within the Parks and Wild Life Estate shall light a fire in the open air other than at a place where fires may be made.

(2) A person shall carefully and properly extinguish a fire kindled or used by him within the Parks and Wild Life Estate and, until he has done so, shall not go so far away from that fire as to be unable to control it by himself.

(3) No person within the Parks and Wild Life Estate shall discard any burning object.

Presence in the Parks and Wild Life Estate during prescribed hours

10. (1) Except in accordance with the written permission of an officer, no person shall be within the Parks and Wild Life Estate during the prescribed hours other than while travelling on a prescribed road or a designated road, unless a facility has been allocated for his use in terms of subsection (1) of section 11 during such prescribed hours.

(2) Except in accordance with the permission of an officer, no person who is lawfully within the Parks and Wild Life Estate shall, during the prescribed hours, be within a wild area or wilderness area except at a camping-site allocated for his use in terms of subsection (1) of section 11 during such prescribed hours.

Use of facilities

11. (1) An officer may, on receipt of the appropriate fee, if any, and at his discretion, allocate any accommodation, bush-camp, camping-site, caravan-site, picnic-site or special camp, or any other facility, for the use of any person.

(2) No person shall enter or use any facility referred to in subsection (1) unless—

- (a) it has been allocated for his use and he has paid the appropriate fee, if any; or
- (b) he is lawfully within the Parks and Wild Life Estate and has been invited by the lawful occupant of such facility to enter and use it.

(3) No person shall use any facility for a continuous period exceeding three weeks without the permission of the Director.

(4) Notwithstanding that a person has reserved accommodation, a camping-site or a caravan-site, an officer may, if such person has not reported to the office within the area of the Parks and Wild Life Estate concerned before 5.30 p.m. on the day of his arrival,

or has not notified that office of his intended late arrival, allocate such accommodation, camping-site or caravan-site to another person for use during that night.

(5) Except in terms of section 95, where accommodation, a camping-site or a caravan-site has been allocated in terms of subsection (4), the person who reserved such facility shall not be entitled to any claim or refund in respect of any appropriate fee paid for that facility.

(6) Any person who uses any facility shall leave it and its environs in a clean and orderly condition.

(7) Any person who has used a bush-camp shall produce a clearance certificate issued by an officer when, before leaving an open safari area, he reports in terms of subsection (4) of section 6.

(8) In the event of any person losing or damaging any furniture, equipment or fitting in any facility, the cost of restoring or replacing such furniture, equipment or fitting shall be a debt due to the State.

Domesticated animals

12. (1) Except in accordance with the written permission of an officer, no person shall introduce any domesticated animal into the Parks and Wild Life Estate.

(2) An officer or an employee may seize any domesticated animal which has been unlawfully introduced into the Parks and Wild Life Estate, and may detain such animal or hand it over for detention by some other person.

(3) An officer or other person may, before releasing any domesticated animal detained in terms of subsection (2), require the payment of the costs incurred in seizing and detaining such domesticated animal.

(4) Notwithstanding the provisions of this section, an officer may destroy any domesticated animal within the Parks and Wild Life Estate which is not under the physical control of any person.

Abandoned property

13. (1) Should any person abandon any thing within the Parks and Wild Life Estate for any period exceeding three days,

an officer or an employee may take possession of and detain such thing.

(2) The Director may, by notice in the *Gazette*, call upon any person who is entitled thereto to take possession of any thing abandoned before such date as may be specified in the notice, being not less than thirty days from the date of publication of the notice, and stating that, unless so repossessed, the thing concerned may be disposed of in accordance with subsection (4).

(3) Any person entitled thereto may repossess any thing detained in terms of subsection (1) upon payment to the Director of any expenses incurred in connexion with its removal or storage.

(4) If no person entitled thereto repossesses any thing in respect of which a notice has been given in terms of subsection (2) before the date specified in the notice, or fails to pay the expenses referred to in subsection (3) before that date, the thing concerned may, after that date, be sold by public auction:

Provided that, if, in the opinion of the Director, the thing concerned is of such a nature that it should not, or cannot, be sold by public auction, or the proceeds of the sale by public auction will not be sufficient to cover the costs of the sale and the expenses of removing and storing the thing, he may direct that it should be sold out of hand or appropriated to the State without payment of compensation, and, if it cannot be sold out of hand and is of no value to the State, it shall be destroyed.

(5) The proceeds of the sale of any thing in terms of subsection (4) shall be applied first to the payment of the expenses of removing, storing and selling the thing, and any balance may be claimed by any person entitled thereto.

SPECIAL PROVISIONS RELATING TO AREAS OF THE PARKS AND WILD LIFE ESTATE

Special provisions relating to wild areas

14. (1) No person shall enter or leave a wild area except with the permission of an officer or an employee; and upon payment of the appropriate fee, if any, and—

(a) at an entry-point; or

- (b) by road into or from a rest-camp; or
- (c) by vessel in the case of islands or waters; or
- (d) by air into or from an airfield.

(2) An officer may, on payment of the appropriate fee, if any, and at his discretion, allow a person to construct in a wild area a temporary hide of approved materials from which he may photograph or view wild life under such conditions as the officer may determine.

(3) An officer may, on payment of the appropriate fee, if any, and at his discretion, allow a person to walk or ride a horse within a wild area under such conditions as the officer may determine.

Special provisions relating to wilderness areas

15. (1) No person shall enter a wilderness area except—

- (a) with the written permission of an officer and upon payment of the appropriate fee, if any; and
- (b) after reporting his intention to an officer; and
- (c) where vehicles are permitted, in a vehicle equipped with four-wheel drive; and
- (d) with sufficient food and water, vehicle-fuel and equipment for the duration of his presence in the area.

(2) Any person within a wilderness area shall—

- (a) where he has entered in a vehicle, only use that vehicle to travel directly between his point of entry into the area and any facility which has been allocated for his use; and
- (b) before leaving, return that part of the area which he has used, so far as is practicable, to its natural state.

(3) Any person who leaves a wilderness area shall—

- (a) remove from the area any refuse and unused food, vehicle-fuel and equipment which he introduced into the area; and
- (b) report to an officer within such period as may have been determined by an officer when he entered, and shall provide such information concerning his use of the area as may be required by an officer.

Special provisions relating to refuge areas

16. No person shall enter a refuge area except in accordance with a permit issued to him by the Director.

HUNTING IN THE PARKS AND WILD LIFE ESTATE

Prohibition of hunting in parts of the Parks and Wild Life Estate

17. No person shall hunt any animal in any part of the Parks and Wild Life Estate which is a botanical reserve, botanical garden or recreational park, except in terms of a permit issued by the Director.

Prohibited methods of hunting

18. (1) No person shall, within the Parks and Wild Life Estate, hunt any animal by using—

- (a) any equipment to transmit sound as a lure to attract animals; or
- (b) an aircraft; or
- (c) fire as a means of driving or surrounding any animal.

(2) Except in accordance with a permit issued by the Director, no person shall within the Parks and Wild Life Estate, hunt any animal by night or use any dazzling light for the purpose of hunting.

(3) No person shall shoot at any animal within four hundred metres of—

- (a) a prescribed road; or
- (b) a development area.

(4) No person shall, within the Parks and Wild Life Estate—

- (a) while he is in or upon any motor-vehicle, vessel or aircraft, discharge any weapon at or towards any animal;
- (b) use any motor-vehicle, vessel or aircraft, in such manner as to drive, stampede or disturb any animal for any purpose whatsoever.

Mercy killing and shooting in self-defence

19. Within the Parks and Wild Life Estate—

- (a) an animal which is apparently sick may not be killed except in terms of a hunting permit;
- (b) any animal may be killed in self-defence or in defence of any other person without the possession of a hunting permit;
- (c) where an animal is killed in accordance with the provisions of paragraph (b)—
 - (i) the onus of proof that such animal was lawfully killed shall lie upon the person who killed such animal; and
 - (ii) the meat or any trophy of such animal may only be used in accordance with the terms of a permit.

Other pursuits

20. No person shall occupy a bush-camp for any pursuit permitted in terms of subsection (1) of section 26 of the Act otherwise than in terms of a hunting permit, a fishing permit or a general permit issued by the Director, and upon payment of the appropriate fee, if any.

Nomination of person to hunt in hunter's stead

21. (1) Any person who, in terms of subsection (2) of section 30 of the Act, wishes to nominate a person to hunt in his stead shall obtain the written permission of the Director to such nomination not less than forty-eight hours prior to the commencement of such hunting.

(2) Where permission has been granted in terms of subsection (1), any terms and conditions of a hunting permit shall apply equally to such person nominated.

Application of sections 23 24 and 25

22. The provisions of sections 23, 24 and 25 shall apply to a safari area over which hunting or other rights have been granted in terms of section 28 of the Act.

Payment of fees

23. Notwithstanding the provisions of these regulations, any fee payable by a right-holder for an animal hunted in terms of a hunting permit shall be payable within twenty-one days of such animal being hunted.

Use of pool areas

24. (1) The Director may allocate the use of pool areas to right-holders.

(2) No person shall enter or be within a pool area unless—

- (a) he has been allocated the use of such pool area; or
- (b) he has the permission of the right-holder who has been allocated the use of such pool area.

(3) No person other than the right-holder who was allocated the use of the pool area in terms of subsection (1) or his employees shall recover the meat or any trophy of any animal killed in a pool area.

Injured animals

25. Without derogation from the provisions of sections 51 and 52 of the Act, whenever a right-holder or any employee or agent of a right-holder becomes aware that an animal has been injured within the area over which the right-holder has been granted rights, such right-holder, employee or agent shall, as soon as possible, and in any event within seven days, make a report to an officer or to the nearest police station or at the offices of the local authority for the area concerned.

Submission of returns

26. (1) A person to whom a hunting permit or a general permit has been issued shall keep a record in such form as may be required by an officer, in which he shall cause to be recorded relevant information concerning animals hunted, or wild life seen within twelve hours of an animal having been hunted, or wild life having been seen, as the case may be.

(2) A record required in terms of subsection (1) shall be made and submitted to an officer within such period as the officer

may determine or, if no such period is determined, within twenty-one days from the date of expiry of the hunting permit or general permit.

(3) No person shall falsify any record required in terms of subsection (1).

Collection of specimens

27. A hunter shall, if so required by the Director, collect and identify the skull or other trophy of any animal killed and submit such skull or other trophy to an officer for examination within twenty-one days of such animal being killed.

FISHING IN THE WATERS OF THE PARKS AND WILD LIFE ESTATE

Fishing subject to possession of a permit

28. (1) No person shall fish in any waters, except—

- (a) in terms of a fishing permit issued to him; or
- (b) in terms of a block fishing permit issued in terms of subsection (4).

(2) An officer or an employee may, upon receipt of the appropriate fee, if any, issue a fishing permit.

(3) A fishing permit may limit the number and species of fish which may be taken, and shall be subject to such terms and conditions as may be imposed thereon by the officer or employee who issues it.

(4) The Director may, upon receipt of the appropriate fee, issue a block fishing permit to an angling society affiliated to the National Anglers' Union of Zimbabwe, which shall entitle a paid-up member of such society to fish, subject to the terms and conditions of the permit and to the limits of the numbers and species of fish which may be taken, and which are fixed in relation to the permit from time to time by the Director, in any waters except the waters of the Chimanimani National Park and the Rhodes Inyanga National Park.

Restrictions on fishing-gear

29. Except in accordance with a permit issued in terms of section 83 of the Act, no person shall, in any waters, use any fishing-gear other than a rod and line or hand line to which—

- (a) not more than three single hooks or trout-flies are attached; or
- (b) not more than one conventional lure having not more than three single or three double or three treble hooks is attached.

Submission of returns

30. (1) A person to whom a fishing permit has been issued shall, if required in terms of his permit or by an officer or employee, submit a return, in writing, to an officer, stating the number, mass and species of fish caught and removed from the waters, together with any other relevant information which may be so required.

(2) The provisions of subsection (1) shall, *mutatis mutandis*, apply in relation to a member of an angling society to which a block fishing permit has been issued in terms of subsection (4) of section 28.

Production of proof of membership of angling society

31. A member of an angling society to which a block fishing permit has been issued in terms of subsection (4) of section 28 shall produce proof of his paid-up membership of the angling society when so ordered by an officer or an employee.

SAILING ON THE WATERS OF THE PARKS AND WILD LIFE ESTATE

Vessels on the waters to be registered

32. (1) No person may, on any waters, use, moor or keep a vessel which has not been registered.

(2) Notwithstanding the provisions of subsection (1), an unregistered vessel may be used, moored or kept on the waters—

- (a) if it is owned by a visitor to Zimbabwe; or
- (b) in terms of—
 - (i) a commercial testing permit issued in terms of section 34; or
 - (ii) permission granted for a regatta in terms of section 37.

Display of registered number

33. No person shall use, moor or keep a registered vessel on the waters unless its registered number is displayed in accordance with the provisions of the Inland Waters Shipping Regulations.

Commercial testing permit

34. The Director may, on application and upon payment of the appropriate fee, issue a commercial testing permit authorizing a manufacturer of, or a dealer in, vessels to test, demonstrate or display any vessel on the waters.

Use of waters

35. (1) The Director may—

- (a) limit the number of vessels which may be on the waters or any part thereof at any one time;
- (b) prohibit any class of vessel from using any waters by reason of its type or mass;
- (c) by notice erected in an office or at any place within the Parks and Wild Life Estate to which such notice relates—
 - (i) restrict the speed at which any vessel may travel;
 - (ii) close and prohibit boating thereon;
 - (iii) restrict the places from which a vessel may be launched or beached.

(2) Except in accordance with the permission of an officer, no person shall disregard any prohibition or restriction imposed in terms of subsection (1).

Prohibitions in the operation of vessels

36. No person using a vessel on the waters shall—

- (a) endanger the safety of, or cause annoyance to, any other person;
- (b) cause or allow that vessel to trail any loose ropes, wires or lines other than fishing-lines while it is under way;
- (c) tow a water-skier unless such person is accompanied by another person over the age of ten years who is observing the water-skier; or

- (d) except with the written permission of the Director, tow another person who is wearing equipment designed to lift him above the water.

Regattas and sailing at night

37. (1) Except in accordance with the written permission of an officer, no person or association of persons shall, on the waters—

- (a) hold a regatta; or
- (b) use a vessel during the night.

(2) No person shall use a vessel on the waters in such manner as to obstruct the course of a vessel used in a regatta authorized in terms of subsection (1).

Impounding of vessels

38. (1) An officer may impound a vessel which is not lawfully on the waters, and may remove it to such place as may be set aside for the safe custody of such vessels.

(2) For the purposes of removing a vessel in terms of subsection (1), an officer may board such vessel and release it from its moorings.

(3) A vessel which has been impounded in terms of subsection (1)—

- (a) shall be released to the owner thereof on payment of the appropriate fee; or
- (b) if the appropriate fee is not paid within six months from the date of the vessel being impounded, it shall be deemed to be abandoned, and shall be disposed of in accordance with the provisions of section 13.

POLLUTION OF THE WATERS OF THE PARKS AND WILD LIFE ESTATE

*Precautions against the introduction of *Salvinia* spp.
and *Eichornia crassipes**

39. (1) No person shall place on the waters any plant or seed of *Salvinia* spp. or *Eichornia crassipes*.

(2) No person shall place on the waters a vessel which has been used on any waters in which *Salvinia* spp. or *Eichornia*

crassipes is present before such vessel has had all such weed removed.

SPECIAL PROVISIONS RELATING TO LEASED AREAS OF THE PARKS AND
WILD LIFE ESTATE

Use of leased areas

40. (1) No person shall enter a leased area without the permission of the lessee.

(2) Where a leased area is contiguous to any waters, a person whose presence within the Parks and Wild Life Estate is lawful shall, at all times, be permitted free access to the foreshore and water's edge, and shall, for the purpose of obtaining such access, be entitled to a right of way along the foreshore of such leased area:

Provided that no such person shall—

- (i) use the right of way conferred by this subsection in such manner as will interfere unduly with the rights of the lessee;
- (ii) have right of access to a building, pier, jetty, floating platform, buoy or other structure lawfully erected by the lessee on the leased area or on the foreshore.

(3) Except with the permission of, and in accordance with, any terms and conditions imposed by the lessee, no person shall fish from a leased area.

POWERS OF THE DIRECTOR AND OFFICERS WITHIN THE PARKS AND
WILD LIFE ESTATE

*The good administration or management of
the Parks and Wild Life Estate*

41. (1) Every person within the Parks and Wild Life Estate shall comply with such arrangements as may have been made for the good administration or management thereof, and as may have been displayed by notice, in writing, at the office, or have been conveyed to him by an officer.

(2) If any person fails to comply with any arrangement referred to in subsection (1), an officer may order him to depart forthwith from the Parks and Wild Life Estate or request him to comply with the arrangement.

(3) An officer may order a person within the Parks and Wild Life Estate—

- (a) to provide his name and address;
- (b) to produce for examination the contents of any receptacle in his possession or under his control.

Removal from, and probited re-entry into, the Parks and Wild Life Estate

42. (1) Notwithstanding the issue or grant of any authority, permission or permit, an officer may order a person to depart from the Parks and Wild Life Estate if he contravenes any the provisions of this Part.

(2) A person ordered to depart from the Parks and Wild Life Estate in terms of subsection (1) or in terms of subsection (2) of section 41 shall comply with such order forthwith, and shall not be entitled to a refund of the whole or any portion of any fee which he has paid in respect of any right or any thing in the Parks and Wild Life Estate.

(3) Any person who has been ordered to depart from the Parks and Wild Life Estate in terms of these regulations or who has been convicted of any offence within the Parks and Wild Life Estate, including any contravention of these regulations, may, by notice in writing, be prohibited, for a period not exceeding twelve months, from re-entering—

- (a) that part of the Parks and Wild Life Estate from which he was ordered to depart by an officer; or
- (b) the Parks and Wild Life Estate by the Director:

Provided that a person who is aggrieved by such a prohibition may appeal against that prohibition to the Minister, whose decision shall be final.

(4) A person to whom a notice has been given in terms of subsection (3) shall not enter any part of the Parks and Wild

Life Estate in contravention of the notice unless the Minister has cancelled such prohibition.

Purchase of plants by visitors

43. (1) An officer or an employee may offer such plants for sale to the public as may be surplus to the requirements of a botanical garden for such price as is within a general scale of prices authorized by the Director.

(2) Any person who purchases a plant offered for sale in terms of subsection (1) shall—

- (a) forthwith place it in a vehicle from which it shall not be removed while he remains in such botanical garden; or
- (b) leave it at the place of purchase until he leaves such botanical garden.

Provision of assistance

44. If an officer or an employee has reason to believe that a person within the Parks and Wild Life Estate is in need of assistance, that officer or employee may take any measures which he may deem necessary to assist or search for that person, and a person thus assisted or searched for shall, unless not so required by the Director, pay the appropriate fee for the rendering of assistance or searching.

PART II

SPECIALLY PROTECTED INDIGENOUS PLANTS

Interpretation of terms in Part II

45. In this Part—

“certificate of sale or transfer” means a certificate of sale or transfer issued in terms of section 49;

“cultivator” means a person who propagates specially protected indigenous plants and has been registered in terms of section 46;

“dealer” means a dealer in specially protected indigenous plants;

“recognized horticultural society” has the meaning ascribed to it in terms of section 42 of the Act;

“registered” means registered in terms of section 46;

“temporary permit” means a temporary permit issued in terms of section 43 of the Act.

Registration of cultivators and issue of permits

46. (1) Any person who wishes to register as a cultivator shall—

- (a) apply to the Director, in writing, giving such details as may be required; and
- (b) submit the appropriate fee, if any.

(2) On receipt of an application and any appropriate fee referred to in subsection (1), the Director may take such steps as he deems necessary to satisfy himself that the applicant is a cultivator.

(3) Where the Director is satisfied that an applicant is a cultivator, he shall register such applicant as a cultivator, and shall issue him with a numbered permit.

(4) Where the Director is not satisfied that an applicant is a cultivator, he shall refuse to register such applicant as a cultivator.

Cancellation of registration of cultivators

47. In addition to any other penalty provided in the Act or these regulations, the failure of a cultivator to comply with the Act or these regulations or the terms and conditions of his permit shall be ground for cancelling the registration of such cultivator:

Provided that the Director may, upon application, issue a temporary permit in such circumstances to enable the cultivator to dispose of his specially protected indigenous plants.

Issue of temporary permit

48. (1) Any person who wishes to obtain a temporary permit

to sell or transfer specially protected indigenous plants shall apply, in writing, to the Director, giving such details as may be required.

(2) On receipt of an application in terms of subsection (1), the Director may—

- (a) issue a numbered temporary permit to sell or transfer such specially protected indigenous plants as may be specified in such temporary permit; or
- (b) refuse to issue a temporary permit.

Certificate of sale or transfer

49. (1) Any person who sells or transfers a specially protected indigenous plant in terms of a temporary permit shall, on or before delivery of the plant to the purchaser, deliver to the purchaser a certificate of sale or transfer, signed by himself and setting out the number of his permit, particulars of the plant and the name and address of the purchaser.

(2) No person shall, unless he receives a certificate of sale or transfer in respect of a specially protected indigenous plant, accept such plant from any person other than—

- (a) a cultivator;
- (b) a dealer;
- (c) a person operating a stall at any fête, bazaar or other like function open to the public; or
- (d) if he is a member of a recognized horticultural society, from another member of a recognized horticultural society.

Cultivators and dealers to keep records

50. (1) Any dealer who purchases any specially protected indigenous plant specified in the Second Schedule shall maintain a record of the species involved, the date of the transaction and the name of the person from whom the plant was obtained.

(2) Any cultivator or dealer who sells or transfers any plant listed in the Second Schedule shall maintain a record of the species involved, the date of the transaction and the name and address of the person taking delivery.

Recognition of horticultural societies

51. A horticultural society which wishes to become a recognized horticultural society shall apply, in writing, to the Director for such recognition.

WEAPONS FOR HUNTING

Prohibition or restriction on use of certain weapons for hunting

53. (1) Save in accordance with the provisions of subsection (2), no person shall use for hunting purposes—

- (a) any rifle, shot-gun or pistol capable of firing more than one cartridge as a result of one pressure of the trigger; or
- (b) a bow and arrow.

(2) The provisions of paragraph (b) of subsection (1) shall not apply to tribal trust land unless the Minister, with the consent of the appropriate authority for such land, by notice in the *Gazette*, declares that it shall apply to the whole or any part of such land.

(3) Any person who hunts any animal specified in Part A of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than nine comma two millimetres in diameter with not less than five comma three kilojoules of energy at the muzzle.

(4) Any person who hunts any animal specified in Part B of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than seven millimetres in diameter with not less than four comma three kilojoules of energy at the muzzle.

(5) Any person who hunts any animal specified in Part C of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than seven millimetres in diameter with not less than three kilojoules of energy at the muzzle.

(6) Any person who hunts any animal specified in Part D of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than five comma six millimetres in diameter with not less than eight hundred and fifty joules of energy at the muzzle.

(7) Any person who hunts any animal except a bird or an animal which is specified in the Third Schedule shall use—

- (a) a weapon having a rifled barrel and propelling a projectile of not less than five comma six millimetres in diameter with not less than eight hundred and fifty joules of energy at the muzzle; or
- (b) a smooth-bore weapon with an internal barrel-diameter of not less than fifteen millimetres and propelling shot of an average diameter of not less than five millimetres.

(8) Any person who hunts any bird shall use a weapon having—

- (a) a rifle barrel and propelling a projectile with not less than one hundred and fifty joules of energy at the muzzle; or
- (b) a smooth-bore weapon with an internal barrel-diameter of not less than ten millimetres.

Exemptions

54.(1) Notwithstanding the provisions of section 53, it shall be lawful for any person to use any weapon—

- (a) to hunt any animal if—
 - (i) the Director has, by notice in writing, permitted him to use that weapon to hunt animals of that species; and
 - (ii) he complies with any conditions which the Director may have imposed when granting his permission;or
- (b) to kill or injure any animal in terms of section 49 of the Act; or
- (c) to kill any animal, other than a specially protected animal, causing damage to any livestock, crop, water-installation or fence on land for which he is the appropriate authority.

(2) Where any animal is killed or injured by use of a weapon other than a weapon specified in terms of section 53, the burden of proving that such animal was killed or injured lawfully shall lie on the person who killed or injured such animal.

(3) Notwithstanding the provisions of section 53, it shall be lawful for the owner of any animal which was born or hatched and has remained in captivity to kill such animal by any means which does not contravene the provisions of the Prevention of Cruelty to Animals Act [*Chapter 71*] or any law which replaces such Act.

PROFESSIONAL HUNTERS, LEARNER PROFESSIONAL HUNTERS AND
PROFESSIONAL GUIDES

Issue of licences

55. (1) Any person who wishes to obtain a professional hunter's licence, a learner professional hunter's licence or a professional guide's licence shall—

- (a) apply to the Director, in writing, giving such details as may be required; and
- (b) submit the appropriate fee, if any.

(2) On receipt of an application and any appropriate fee referred to in subsection (1), the Director may take such steps as he considers necessary in the circumstances to satisfy himself that the applicant is a person qualified to be issued with the licence for which application was made.

(3) After taking the steps provided for in subsection (2), the Director may—

- (a) refuse to issue a licence applied for if he considers that the applicant is unsuitable to hold such licence; or
- (b) issue a numbered professional hunter's licence, learner professional hunter's licence or professional guide's licence.

Suspension and cancellation of licences

56. (1) Where the holder of a professional hunter's licence, a learner professional hunter's licence or a professional guide's licence is, in terms of these regulations, ordered to leave part of the Parks and Wild Life Estate, such licence shall forthwith be suspended pending any prosecution under these regulations or any decision regarding prohibiting such holder's re-entry to the Parks and Wild Life Estate.

(2) In addition to any other penalty provided in these regulations, conviction for an offence in terms of the Act or the Forest Act [Chapter 125] or an order prohibiting re-entry to any part of the Parks and Wild Life Estate shall be grounds to cancel and debar the holding of a professional hunter's licence, a learner professional hunter's licence or a professional guide's licence for such period as the Director may determine.

BREEDING AND PRODUCTION OF REPTILES AND AMPHIBIA

Licence required by breeders

57. No person shall keep, breed or produce reptiles or amphibia for sale or for the purpose of selling any trophy therefrom unless he is the holder of a breeder's licence.

Issue of breeder's licence

58. (1) Any person who wishes to obtain a breeder's licence shall—

- (a) apply to the Director, in writing, giving such details as may be required; and
- (b) submit the appropriate fee, if any.

(2) On receipt of an application and any appropriate fee referred to in subsection (1), the Director shall—

- (a) refuse to issue a breeder's licence if he considers that the applicant is unsuitable to hold a breeder's licence; or
- (b) issue a numbered breeder's licence.

Cancellation of breeder's licence

59. In addition to any other penalty provided in the Act or these regulations, the failure of a breeder to comply with the Act or these regulations or the terms and conditions of his licence shall be grounds to cancel such breeder's licence:

Provided that the Director may, upon application, issue a temporary permit in such circumstances to enable the breeder to dispose of his reptiles or amphibia.

Keeping of registers and returns by breeders

60. (1) A breeder of reptiles shall keep a register in which he shall cause to be recorded, by species—

- (a) the number of eggs acquired, the place from which they were acquired and the number of eggs successfully hatched; and
- (b) the number of live reptiles acquired and the place from which they were acquired; and
- (c) the number of reptiles disposed of, by age or size class, and the method of disposal.

(2) A breeder of amphibia shall maintain a register in which he shall cause to be recorded, by species—

- (a) the number of amphibia acquired and the place from which they were acquired; and
- (b) the number of amphibia disposed of and the method of disposal.

(3) A breeder shall, within seven days of the end of each month, submit to the Director a certified return of all details recorded in the register during the preceding month on the appropriate forms prescribed in the Fourth Schedule.

Disease

61. In the event of any disease affecting reptiles or amphibia being suspected or found present, on a breeder's premises, the Director may take such steps, or require such breeder to take such steps, as the Director may deem necessary for the control or elimination of that disease.

TROPHY DEALERS

Prohibition of unlicensed manufacture of, or dealing in, trophies and ivory

62. (1) Subject to the provisions of subsection (2)—

(a) no person shall—

(i) process, carve, embellish or otherwise manufacture any trophy, other than ivory, for sale or reward;
or

(ii) carry on the business of buying and selling trophies other than ivory;

except in accordance with the terms and conditions of a trophy dealer's licence issued in terms of section 63;

(b) no person shall process, carve, embellish or otherwise manufacture ivory for sale or reward except in accordance with the terms and conditions of an ivory manufacturer's licence issued in terms of section 63;

(c) no person shall carry on the business of buying and selling any raw ivory except in accordance with the terms and conditions of an ivory dealer's licence issued in terms of section 63.

- (2) The provisions of subsection (1) shall not apply—
 - (a) in respect of any manufacture or sale carried out in accordance with the terms and conditions of a permit issued in terms of section 30, 37 or 65 of the Act; or
 - (b) in respect of the buying and selling by any person of any trophy or ivory which has been processed, carved, embellished or otherwise manufactured in accordance with the terms and conditions of a trophy dealer's licence or an ivory manufacturer's licence, as the case may be, issued to some other person; or
 - (c) subject to the terms and conditions of such exemption, to any person who has been granted a written exemption by the Minister from all or any of the provisions of subsection (1).

Issue of dealer's licence

63. (1) Any person who wishes to obtain a dealer's licence may apply therefor in writing to the Director, and shall—

- (a) provide the Director with such information as the Director may require relating to—
 - (i) each of the premises in respect of which he seeks the issue of a dealer's licence; and
 - (ii) the business which he intends to conduct within such premises; and
 - (iii) his personal character and circumstances;
- (b) submit with his application the appropriate fee, if any.

(2) On receipt of an application in terms of subsection (1) and any fee submitted therewith, the Director may—

- (a) grant an appropriate dealer's licence in respect of each of the premises in respect of which such licence was sought; or
- (b) refuse to grant a dealer's licence in respect of all or any of the premises in respect of which such licence was sought, if he considers that—
 - (i) the applicant is not a fit and proper person to hold such licence; or

- (ii) the premises in respect of which the licence was sought are unsuitable for the conduct of the business of a trophy dealer, an ivory dealer or an ivory manufacturer, as the case may be; or
- (iii) the applicant will not exercise sufficient control over the conduct of the business at the premises concerned to ensure compliance with the terms and conditions of the licence.

Period of validity of dealer's licence

64. Every dealer's licence shall expire on the thirty-first day of December in the year in which it was issued.

Terms and conditions of dealer's licence

65. (1) Subject to the provisions of this section, a trophy dealer's licence shall authorize the holder thereof—

- (a) to purchase trophies other than ivory,—
 - (i) from any person who has authority in terms of the Act to sell such trophies;
 - (ii) obtained from any animal which was born or hatched and has remained in captivity;and
- (b) within the premises to which the licence relates, to process, carve, embellish or otherwise manufacture trophies, other than ivory, of animals which have been lawfully hunted or have died from natural causes or which were born or hatched and have remained in captivity; and
- (c) within the premises to which the licence relates, to sell trophies, other than ivory, which—
 - (i) were sold to him by any person who had authority in terms of the Act to sell such trophies; or
 - (ii) were obtained from any animal which was born or hatched and has remained in captivity.

(2) Subject to the provisions of this section, an ivory dealer's licence shall authorize the holder thereof—

- (a) to purchase ivory from any person who has authority in terms of the Act to sell such ivory; and
- (b) within the premises to which the licence relates, to sell ivory which has been purchased by him in terms of paragraph (a).

(3) Subject to the provisions of this section, an ivory manufacturer's licence shall authorize the holder thereof—

- (a) to purchase ivory from any person who has authority in terms of the Act to sell such ivory; and
- (b) within the premises to which the licence relates, for sale or reward, to process, carve, embellish or otherwise manufacture ivory purchased by him in terms of paragraph (a); and
- (c) within the premises to which the licence relates, to sell ivory which he has processed, carved, embellished or otherwise manufactured in terms of paragraph (b).

Display of dealer's licence

66. Every holder of a dealer's licence shall at all times display such licence in a prominent place within the premises to which the licence relates.

Cancellation of dealer's licence

67. (1) Upon the failure of a holder of a dealer's licence to comply with any of the provisions of the Act or these regulations or with the terms and conditions of his licence, the Director may, in addition to any other penalty which may be imposed upon such holder—

- (a) amend any of the terms and conditions of; or
- (b) suspend or cancel;

that or any other dealer's licence held by such holder.

(2) Where the Director has suspended or cancelled any dealer's licence in terms of subsection (1), he may issue to the holder thereof a temporary licence, subject to such terms and conditions as the Director may specify therein, to enable the holder to dispose of any trophies possessed by him.

Registers, returns and accounts of dealers

68. (1) Subject to the provisions of subsection (2), every dealer shall—

- (a) keep a register in the appropriate form prescribed in the Fifth Schedule, in which he shall enter all transactions relating to the acquisition of trophies for manufacture or resale, within five business hours of such trophies entering his possession; and
- (b) keep adequate records and books of account relating to the manufacture and sale of trophies by him; and
- (c) on being requested to do so during business hours, immediately make the records and books referred to in paragraph (b) available for inspection by the Director or by an inspector or officer authorized thereto by the Director; and
- (d) within seven days after the end of each month, submit to the Director—
 - (i) a certified return of all transactions relating to the acquisition of trophies by him for manufacture or sale; or
 - (ii) a statement that no such transactions have occurred;

during the preceding month, as may be appropriate.

(2) The provisions of paragraphs (b) and (d) of subsection (1) shall not apply in respect of the acquisition by a dealer of trophies for resale from the holder of a dealer's licence.

(3) If a dealer who is required by these regulations to keep proper records of trophies or dust is in possession of trophies or dust in excess of the amount shown to be in his possession by his records, he shall be deemed to be in illegal possession of such excess.

Dust

69. (1) An ivory manufacturer shall—

- (a) subject to the provisions of subsection (2), retain and record the dust resulting from the manufacture, processing or embellishment of ivory in the appropriate form prescribed in the Fifth Schedule; and

(b) within seven days after the end of each month, submit to the Director—

(i) a certified return of all dust accumulated or sold; or

(ii) a statement that no such dust has been accumulated or sold;

during the preceding month, as may be appropriate.

(2) An ivory manufacturer may sell dust referred to in paragraph (a) of subsection (1), and, if he does so, the provisions of these regulations relating to the sale of ivory by an ivory manufacturer shall, *mutatis mutandis*, apply to such sale of dust.

Change of address of holder of dealer's licence

70. Every holder of a dealer's licence shall, within seven days after changing the address to which such licence relates, notify the Director in writing, by registered post, of such change of address.

Cessation of business by holder of dealer's licence

71. Every holder of a dealer's licence who ceases to carry on business as a dealer shall, within seven days after so ceasing—

(a) give written notice, by registered post, of that fact to the Director; and

(b) return his dealer's licence, by registered post, to the Director.

IVORY AND HORN

Appointment of specified officers

72. The persons occupying the posts listed in column A of the Sixth Schedule are hereby appointed as specified officers for the purposes of sections 73, 74 and 75.

Ivory and horn to be registered

73. (1) Any person who acquires or imports into Zimbabwe any ivory or horn shall, within fifteen days of so acquiring or importing it, produce such ivory or horn to a specified officer for registration.

(2) A specified officer shall require evidence that any ivory or horn has been lawfully acquired or imported by the person seeking to have it registered.

(3) After satisfying himself that the ivory or horn is lawfully owned, the specified officer shall register the ivory or horn, and shall—

- (a) cause it to be marked with such distinctive mark as is listed in column B of the Sixth Schedule opposite the post which he occupies, followed by a number, in sequence; and
- (b) issue a certificate of ownership in the form prescribed in the Seventh Schedule.

(4) The specified officer shall record in a register such information as may be required of any ivory or horn which he has registered.

Retention of ivory and horn

74. If evidence required in terms of subsection (2) of section 73 is not produced, the specified officer shall retain such ivory or horn pending the production of such evidence as he may require.

Disposal of retained ivory and horn

75. (1) If, within six months after the date on which ivory or horn was retained in terms of section 74, the evidence required in terms of subsection (2) of section 73 has not been produced, the ivory or horn concerned shall be registered as a State trophy.

(2) Where a person is convicted of any offence in respect of ivory or horn, such ivory or horn shall, unless any other person owns or is entitled to possess it, thereupon become a State trophy.

(3) If no person claims ivory or horn retained in terms of section 74 within one month from the date on which he first becomes entitled to claim it in terms of subsection (2), the Director may give notice in the *Gazette* that, unless the ivory or horn is claimed by a person entitled thereto within a period of two months from the date of publication of the notice, the ivory or horn will be disposed of in terms of subsection (4).

(4) If, on the expiry of the period of two months from the date of publication of a notice referred to in subsection (3), the ivory or horn concerned has not been claimed by a person entitled thereto, it shall become a State trophy.

Sale or transfer of ivory

76. (1) No person shall sell or transfer any ivory which has not been registered.

(2) Upon the sale or transfer of ivory, the person disposing of such ivory shall immediately endorse on the certificate of ownership—

- (a) the name and address of the person to whom the sale or transfer has been effected; and
- (b) sign and date such endorsement.

(3) Should any ivory be lost, stolen, exported, processed, manufactured or destroyed, the owner shall, within fourteen days thereof, return to the Director the certificate of ownership, together with details of such loss, theft, export, process, manufacture or destruction, as the case may be.

Sale or manufacture of horn prohibited

77. No person shall sell, manufacture, process, carve or embellish any horn.

Transfer of horn

78. (1) No person shall transfer any horn which has not been registered.

(2) Upon the transfer of horn, the person transferring such horn shall immediately endorse on the certificate of ownership—

- (a) the name and address of the person to whom the transfer has been effected; and
- (b) sign and date such endorsement.

(3) Should any horn be lost, stolen, exported or destroyed, the owner shall, within fourteen days thereof, return to the Director the certificate of ownership, together with details of such loss, theft, export or destruction, as the case may be.

Exemptions

79. Nothing contained in section 73 shall apply in respect of ivory or horn which is held by any museum or scientific or educational institution.

FISHING-NETS

Registered dealers in, and manufacturers of, fishing-nets

80. (1) A registered dealer in, or a manufacturer of, fishing-nets shall—

- (a) keep a register in the appropriate form prescribed in the Fifth Schedule, in which he shall cause to be recorded all transactions involving the acquisition, manufacture or sale of fishing-nets within five business hours of such acquisition, manufacture or sale being effected; and
- (b) within seven days of the end of each month, submit to the Director—
 - (i) a certified return of all transactions; or
 - (ii) a statement that no transaction has occurred; during the preceding month, as may be appropriate.

GENERAL REQUIREMENTS AND POWERS

Retention of registers

81. A breeder, dealer, registered dealer in, or manufacturer of, fishing-nets shall retain a register in his possession for a period of three years from the date of the final entry made in such register.

Inspections by officers

82. (1) An officer may, during normal business hours, require a breeder, dealer, registered dealer in, or manufacturer of, fishing-nets to produce for his inspection the register which he is keeping or any trophy, horn, ivory, dust or fishing-net which the officer may require to inspect.

(2) An officer may, at all reasonable times, require any person who has any trophy, horn, dust, ivory or fishing-net in his possession or custody to produce for his inspection the certificate of ownership or permit authorizing his possession or use of such trophy, ivory, horn, dust or fishing-net.

Offences

83. No person shall—

- (a) make, or be party to the making of, any false entry in a register; or
- (b) falsify a return required in terms of subsection (3) of section 60 or subsection (1) of section 68; or
- (c) refuse to produce any register, trophy, certificate of ownership or permit for inspection when required to do so in terms of section 82.

PART IV

HONORARY OFFICERS

Interpretation of terms in Part IV

84. In this Part—

“certificate” means a certificate of appointment furnished to an honorary officer in terms of subsection (4) of section 98 of the Act.

Honorary officers to present themselves for duty

85. (1) The Director may require an honorary officer to present himself for duty on not more than one Saturday or one Sunday or one public holiday during each month.

(2) An honorary officer may volunteer to present himself for duty more frequently than is required in terms of subsection (1).

(3) An honorary officer who reports for duty in terms of subsection (1) or (2) shall undertake such duties as an officer may allocate.

(4) An honorary officer may decline to present himself for duty as required in terms of subsection (1):

Provided that, if he does so on more than three occasions during any twelve-month period, his appointment shall be terminated.

(5) An honorary officer who presents himself for duty in terms of subsection (1) or (2), and who undertakes duties outside

the Parks and Wild Life Estate, shall be entitled to claim the allowance which may be claimed by an officer in terms of the Public Services (Travelling and Subsistence) Regulations, 1972, published in Rhodesia Government Notice 605 of 1972, for the use of his private motor-vehicle.

Powers of an honorary officer while on duty

86. (1) An honorary officer may, in the course of undertaking duties allocated in terms of subsection (3) of section 85 within the Parks and Wild Life Estate—

- (a) require any person found in possession of, or using, any animal, fish, plant, meat, trophy, weapon, fishing-net or other thing to produce to him any authority required in terms of the Act or any regulations issued thereunder in respect of the possession or use of such animal, fish, plant, meat, trophy, weapon, fishing-net or other thing;
- (b) seize and deliver to an officer any animal, fish, plant, meat, trophy, weapon, fishing-net or other thing, of any nature whatsoever, which appears, on reasonable grounds, to afford evidence of the commission of an offence in terms of the Act or any regulations made thereunder;
- (c) stop any person, whether or not such person is in a boat or, except on a prescribed road, a vehicle, whom he sees doing, or believes, on reasonable grounds, to have done, any act for which authority in terms of the Act or any regulations made thereunder is required, and require such person to furnish his name and address and to produce evidence of such authority;
- (d) notwithstanding the issue or grant of any permission, authority or permit, order a person to report to a particular officer if, in his opinion, that person within the Parks and Wild Life Estate behaves in a manner which disturbs or interferes with, or is likely to disturb or interfere with, the peace, order or good management or administration of the Parks and Wild Life Estate or the rights of other persons therein;

- (e) destroy any domesticated animal if such animal is not under the physical control of any person.

(2) An honorary officer may, on the instructions of the Director, and subject to such terms and conditions as the Director may deem fit to impose in each case, and with the consent of the appropriate authority for the land, in respect of any area other than the Parks and Wild Life Estate—

- (a) exercise the powers which may be exercised within the Parks and Wild Life Estate in terms of subsection (1); and
- (b) destroy any animal, other than a specially protected animal, which—
 - (i) has caused, is causing or is likely to cause damage to any livestock, crop, water-installation or fence; or
 - (ii) is, or is likely to be, dangerous to human life on such land.

(3) Notwithstanding the provisions of subsection (2), in the case of a dangerous animal which has been injured and which is a source of danger to human life, an honorary officer may follow such dangerous animal with the intention of killing it on any land.

(4) Any honorary officer who follows a dangerous animal on to any land in terms of subsection (3) shall, as soon as possible, inform the appropriate authority for such land that he followed such dangerous animal on to such land, and whether he was successful in killing such dangerous animal or whether it is still at large.

Return of certificate and badge

87. Any person who ceases to hold office as an honorary officer, for any reason whatsoever, shall return his certificate and his badge within thirty days of being informed that he has ceased to hold office.

Offences

88. Any person who fails to comply with any request or direction made or given in terms of this Part, or who obstructs any honorary officer in the exercise of the powers conferred upon

him in terms of this Part, or knowingly gives false information to an honorary officer who is exercising those powers, shall be guilty of an offence.

PART V

FEES, THE RESERVATION OF FACILITIES AND APPLICATIONS FOR PERMITS, ET CETERA

Interpretation of terms in Part V

89. In this Part—

“safari-operator” means a person engaged in conducting photographic or viewing safaris for reward;

“Senior Tourist Officer” means the Senior Tourist Officer in charge of the Department’s Central Booking Office.

Appropriate fee for entering the Parks and Wild Life Estate and using any article or facility therein

90. (1) The appropriate fee for any person or group of persons to enter an area of the Parks and Wild Life Estate or a part of the Parks and Wild Life Estate shall be the appropriate fee fixed in Part A of the Eighth Schedule.

(2) The appropriate fee for any person or group of persons to use any article within the Parks and Wild Life Estate shall be the appropriate fee fixed in Part B of the Eighth Schedule.

(3) The appropriate fee for any person or group of persons to use any facility within the Parks and Wild Life Estate shall be the appropriate fee fixed in Part C of the Eighth Schedule.

(4) Notwithstanding the provisions of subsection (1), where an appropriate fee has been fixed in Part C of the Eighth Schedule for the use of any facility, such fee shall, if so stated in the said Part, include the appropriate fee to enter that part or area of the Parks and Wild Life Estate in which such facility is situated.

(5) If any person who has paid the appropriate fee in terms of this section is refused entry in terms of section 6 to that part or area of the Parks and Wild Life Estate to which the fee relates, the Director may refund the whole or such part of the fee as he deems just and equitable.

Appropriate fee for any authority, permit or licence granted

91. (1) The Director may fix an appropriate fee to be paid for any authority, permit or licence granted or issued in terms of the Act or any regulations made thereunder, and may alter any such appropriate fee.

(2) The Director may, in carrying out the provisions of subsection (1), fix different appropriate fees to be paid by persons resident in Zimbabwe and persons not so resident.

Information on appropriate fees to be given

92. (1) The Senior Tourist Officer shall, on receipt of an inquiry, provide such information as is required concerning any appropriate fee which has been fixed in terms of this Part.

(2) An officer or an employee who has allocated the use of any article or facility to any person shall provide such information as is required concerning any appropriate fee payable by such person for the use of such article or facility.

*Reservation of accommodation, a camping-site,
a caravan-site or a special camp*

93. (1) Any person who wishes to reserve accommodation, a camping-site, a caravan-site or a special camp shall apply to the Senior Tourist Officer.

(2) On receipt of an application in terms of subsection (1), the Senior Tourist Officer may, if the type of facility applied for is available as required by the applicant, provisionally reserve such facility for a period of fourteen days.

(3) The applicant shall, during the period of provisional reservation specified in subsection (2), pay the deposit specified in subsection (4) to confirm the reservation, failing which any provisional reservation shall be cancelled by the Senior Tourist Officer.

(4) The deposit payable in terms of subsection (3) shall be, in respect of each continuous period—

- (a) ten dollars to reserve a camping-site or a caravan-site;
and

- (b) twenty dollars to reserve accommodation or a special camp:

Provided that, where the appropriate fee payable in respect of an application is less than the deposit specified in this subsection, the appropriate fee shall be paid in full instead of a deposit.

Applications for, and issue of, permits

94. (1) Any person who, before the day on which he wishes to do anything in respect of which a permit is required, wishes to apply for a permit shall do so at the office of the Director, in such manner and upon payment of the appropriate fee, if any, or such deposit as the Director may require:

Provided that fishing permits for Purdon Dam or Lake Gulliver shall be applied for from the Research Officer (Fisheries), Private Bag T 7901, Umtali.

(2) Any person who, on the day on which he wishes to do anything in respect of which a permit is required, wishes to apply for a permit shall do so to an officer or an employee in that area of the Parks and Wild Life Estate where he wishes to do such thing, and upon payment of the appropriate fee, if any.

(3) The Director may, in respect of a permit to do anything permitted in a safari area—

- (a) set a date after which no further applications will be considered; and
- (b) authorize any person or association of persons to receive any application and deposit.

(4) Any permit issued in respect of the doing of anything in a safari area may authorize the holder thereof, free of charge, to enter any part of that safari area accompanied by his visitors and employees, not exceeding any maximum number fixed by the Director, and to occupy a bush-camp.

Refund of deposits

95. (1) Where a deposit has been accepted in terms of this Part, no refund shall be made unless—

- (a) the person who made the deposit notifies the Director or the Senior Tourist Officer, as the case may be, in writing, not less than thirty days before the first day of his reservation or the validity of his permit, that he wishes to cancel such reservation or no longer requires such permit; or
- (b) the facility in respect of which his deposit was accepted is subsequently reserved or used, or the permit is subsequently issued to some other person.

(2) Any refund made of a deposit in terms of subsection (1) shall be for the full deposit less an amount of ten *per centum* of such deposit, which shall be deducted to meet administrative expenses, and shall be paid into the Consolidated Revenue Fund.

(3) Notwithstanding the provisions of this section, the Director may authorize a refund in full of any deposit paid in such circumstances as he deems fit.

Appropriate fee for the provision of assistance

96. (1) The appropriate fee for the provision of assistance in terms of section 44 shall be the appropriate fee fixed in Part D of the Eighth Schedule.

(2) The Director may, if an officer or an employee is requested by any person, and assists in the capture or movement of wild life, require payment by the person who made the request of an appropriate fee as if such assistance was provided in terms of section 44.

Fees payable on demand

97. Any appropriate fee shall be payable on demand.

Savings and exemptions

98. (1) Any deposit paid prior to the commencement of these regulations shall be deemed to be the deposit payable in terms of these regulations.

(2) Notwithstanding the provisions of this Part—

- (a) any appropriate fee fixed in Part A of the Eighth Schedule shall not be levied in respect of—

- (i) any person other than a safari operator who, in the course of his normal business, is obliged to enter a part of the Parks and Wild Life Estate or an area of the Parks and Wild Life Estate; and
 - (ii) the dependant of any person lawfully residing in the Parks and Wild Life Estate;
- (b) the Director, with the approval of the Secretary to the Treasury, may waive or reduce the whole or any part of any appropriate fee in respect of any person or class of persons.

PART VI GENERAL

Disposal of State trophies

99. The Director may dispose of any State trophy in terms of an authority issued in terms of section 20 of the Audit and Exchequer Act [Chapter 168].

Badge of the Department

100. The badge of the Department which shall be carried, worn or displayed by officers, employees and honorary officers shall be in the form prescribed in the Ninth Schedule.

Permission subject to conditions

101. (1) Where, in terms of these regulations, any permission may be given to exempt any person from any provision, the person who gives such permission may make that permission conditional, as he deems necessary, and subject to the payment of an appropriate fee within a scale of fees approved by the Director.

(2) No person shall disregard any conditions made in terms of subsection (1).

Compliance with lawful orders

102. Every person shall comply forthwith with any lawful order given to him in terms of these regulations.

Appeals

103. (1) Any person who is aggrieved by the refusal or cancellation of any registration, permit or licence, or by the terms and conditions of any permit or licence issued to him, may, within thirty days of—

- (a) being notified of such refusal or cancellation; or
- (b) the receipt of the permit or licence which has been issued to him;

as the case may be, appeal in writing to the Minister, who may dismiss the appeal or uphold it in whole or in part.

(2) Where the Minister upholds an appeal in terms of subsection (1), the Director shall take such steps as may be necessary to give effect to the Minister's decision.

Offences and penalties

104. (1) Any person who contravenes or fails to comply with any provision of these regulations shall be guilty of an offence and liable—

- (a) in respect of an offence referred to in section 26, 27, 30, 32, 33, 37, 40, 60, 68, 83, 87 or 97—
 - (i) on a first conviction, to a fine not exceeding three hundred dollars or to imprisonment for a period not exceeding six months, or to both such fine and such imprisonment;
 - (ii) on a second or subsequent conviction, to a fine not exceeding five hundred dollars or to imprisonment for a period not exceeding nine months, or to both such fine and such imprisonment;
- (b) in respect of any other offence, to a fine of five hundred dollars or to imprisonment for a period not exceeding nine months, or to both such fine and such imprisonment.

Repeals and savings

105. (1) The regulations specified in the Tenth Schedule are repealed.

(2) Notwithstanding the provisions of subsection (1), anything lawfully made, done or commenced in terms of the regulations specified in the Tenth Schedule before the date of commencement of these regulations which, immediately before such date, had, or was capable of acquiring, legal force or effect shall, on and after that date, continue to have, or to be capable of acquiring, as the case may be, the same force or effect as if that thing had been duly made, done or commenced, as the case may be, in terms of the appropriate provision of these regulations.
