Chapter I General Provisions

(Purpose of This Act)

Article 1 The purpose of this Act is to establish and regulate a system for the registration, inspection and building of Fishing Boats, while conducting examinations on Fishing Boats for the purpose of improving performance, which will enable contribution to the improvement in productivity for fisheries..

(Definitions)

Article 2 (1) The term "Fishing Boat" as used in this Act means a Japanese boat that falls under any of the following items:

- (i) a boat mainly engaged in fishing
- (ii) a boat engaged in fishing and having equipment which can preserve or process its catch;
- (iii) a boat mainly transporting its catch or its products from a fishing ground;
or
- (iv) a boat mainly engaged in the examination, investigation, guidance or training concerning a fishery or a boat engaged in law enforcement and having fishing equipment.

(2) The term "Powered Fishing Boat" as used in this Act means a Fishing Boat equipped with a propulsion engine.

(3) The term "Remodeling" as used in this Act means to change the length, breadth, or depth of a boat, to install a propulsion engine or change the type or

output thereof; adding a change to the structure or equipment of a boat for changing the usage of the boat or type of fishing it will be engaging in.

Chapter II Adjustment of the Building of Fishing Boats

(Maximum Limit of the Total Gross Tonnage of Powered Fishing Boats, etc.)

Article 3 (1) When the Minister of Agriculture, Forestry and Fisheries finds it necessary to make adjustments, or remodel Fishing Boats for fishing or otherwise in the public's interest, said Minister is to set a maximum limit for the number or total gross tonnage of Powered Fishing Boats or the standards for performance of Powered Fishing Boats that are engaged in fishing (including the business of transporting the catch or its product from a fishing ground; the same applies in Article 5, item (i)) by prefecture of the base of Powered Fishing Boats or by type of Powered Fishing Boats.

(2) The maximum limit for the number or total gross tonnage for Powered Fishing Boats set in the preceding paragraph ceases to be effective when one year has elapsed from the day on which it was set; provided, however, that this is not to preclude the Minister of Agriculture, Forestry and Fisheries from setting a further maximum limit pursuant to said paragraph.

(3) In the case referred to in paragraph (1), the Minister of Agriculture, Forestry and Fisheries has the option of listening to the opinions of the Fisheries Policy Council in regards to the maximum limit or standards.

(4) When the Minister of Agriculture, Forestry and Fisheries sets or changes the maximum limit of the total gross tonnage of Powered Fishing Boats or the standards for performance of Fishing Boats set forth in paragraph (1), said Minister must give public notice thereof.

(Permission for the Building, Remodeling, or Conversion)

Article 4 (1) A person who intends to build a Powered Fishing Boat (excluding one with a length of less than 10 meters; hereinafter the same applies in this Chapter) or remodel a boat into a Powered Fishing Boat by placing an order with a boat manufacturer or any other person must, if the Powered Fishing Boat falls under item (i) or (iii), obtain permission from the Minister of Agriculture, Forestry and Fisheries, and if the Powered Fishing Boat falls under item (ii) or (iv), obtain permission from the prefectural governor having jurisdiction over the main base of the boat (in the case of Remodeling, the main base of the boat after the Remodeling). The same applies to a person who intends to convert a boat which is not a Powered Fishing Boat into a Powered Fishing Boat without Remodeling:

(i) a Powered Fishing Boat engaged in the designated fishing prescribed in Article 52, item (i) of the Fishery Act (Act No. 267 of 1949) or a fishery

- requiring permission or any other disposition of the Minister of Agriculture, Forestry and Fisheries pursuant to provisions of Ordinance of the Ministry of Agriculture, Forestry and Fisheries under Article 65, paragraph (1) or (2) of said Act or Article 4, paragraph (1) or (2) of the Act on the Protection of Fishery Resources (Act No. 313 of 1951);
- (ii) a Powered Fishing Boat engaged in fishery requiring permission or any other disposition of the prefectural governor pursuant to provisions of Rules under Article 65, paragraph (1) or (2) of the Fishery Act or Article 4, paragraph (1) or (2) of the Act on Protection of Fishery Resources or pursuant to Article 66, paragraph (1) of the Fishery Act (excluding the Powered Fishing Boat set forth in the preceding item);
 - (iii) a Powered Fishing Boat other than those set forth in the preceding two items, with a gross tonnage of 20 tons or more; or
 - (iv) a Powered Fishing Boat other than those set forth in the preceding three items.
- (2) In addition to the case referred to in the preceding paragraph, said paragraph also applies to a person who intends to build a Powered Fishing Boat or remodel a boat into a Powered Fishing Boat.
- (3) A person who intends to obtain the permission referred to in the preceding two paragraphs must submit a written application stating the following details to the Minister of Agriculture, Forestry and Fisheries or the prefectural governor:
- (i) the name and address of the applicant;
 - (ii) the name of the boat (in the case of Remodeling or conversion, the name of the boat before the Remodeling or conversion and after the Remodeling or conversion);
 - (iii) the type of fishing or usage, the fishing area, and the main base (in the case of Remodeling, the type of fishery or usage, the fishing area, and the main base port before the Remodeling and those after the Remodeling);
 - (iv) the planned gross tonnage (in the case of Remodeling, the gross tonnage before the Remodeling and the planned gross tonnage after Remodeling, and in the case of conversion, the gross tonnage);
 - (v) the length, breadth, and depth of the boat (in the case of Remodeling, the length, breadth, and depth before the Remodeling and those after the Remodeling);
 - (vi) the hull material;
 - (vii) the name and location of the shipyard where the building or the remodeling of the boat is to occur;
 - (viii) the type, output, number of cylinders, and cylinder diameter of the propulsion engine (in the case of Remodeling, the type, horsepower, number of cylinders, and cylinder diameter of the propulsion engine before the

- Remodeling, and those after Remodeling);
- (ix) the name and location of the factory manufacturing the propulsion engine;
 - (x) the tentative dates of the keel laying, launching, commencement and completion of the Remodeling work, or the conversion;
 - (xi) the outline of the cost required for building, Remodeling, or conversion and its procurement method; and
 - (xii) necessary information regarding the building, Remodeling or conversion which is to be done.
- (4) The Minister of Agriculture, Forestry and Fisheries or the prefectural governor may require the person applying for permission set forth in paragraph (1) or (2) to submit drawings, specific documents, or other documents necessary to obtain the permission set forth in paragraph (1) or (2).
- (5) When the written application set forth in paragraph (3) is submitted, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor must give notice of whether permission was granted or not to the person making the application within two months after receiving the written application, excluding the period during which an inquiry was made with regard to the permission set forth in paragraph (1) or (2).
- (6) If a person has obtained permission set forth in paragraph (1) or (2) intends to change any of the items set forth in paragraph (3), items (iii) through (viii) with regard to the building, Remodeling, or conversion pertaining to said permission, said person must obtain, a permission for said change from the administrative agency which had given said permission.
- (7) In the case referred to in the preceding paragraph, if the administrative agency which allows for the permission set forth in paragraph (1) or (2) with regard to said building, Remodeling or conversion is altered due to said change, that person must obtain a new permission under paragraph (1) or (2) notwithstanding the provisions of the preceding paragraph.
- (8) In the case referred to in the preceding paragraph, the provisions of paragraphs (4) and (5) applies mutatis mutandis.
- (9) A person who has obtained permission set forth in paragraph (1) or (2) must, if there are any changes to any of the matters set forth in paragraph (3), items (i) and (ii), and items (ix) through (xi) in regards to the building, Remodeling, or conversion pertaining to said permission, make a report to that effect to the administrative agency which had given said permission, without delay.

(Standards for Permission)

Article 5 The Minister of Agriculture, Forestry and Fisheries or the prefectural governor must give permission set forth in paragraph (1), (2), or (6) of the preceding Article, except where the case falls under any of the following items:

- (i) if a maximum limit for the number or total gross tonnage of Powered

Fishing Boats under Article 3, paragraph (1) has been set, and as a result of giving permission set forth in paragraph (1) or (2) of the preceding Article pertaining to the application, the number or total gross tonnage of the Powered Fishing Boats engaged in the fishing industry exceeds the maximum limit;

- (ii) if the performance standards under Article 3, paragraph (1) have been set, and the performance of the Powered Fishing Boat pertaining to the application does not comply with said standards; or
- (iii) when the fishing in which the Powered Fishing Boat pertaining to the application engages, falls under the category of fishery set forth in paragraph (1), item (i) or (ii) of the preceding Article, and it is found that an approval of business commencement has not been obtained for said fishery or that there is no likelihood that a permission or any other disposition required for said fishery is to be obtained.

(Lapse of Permission)

- Article 6 (1) In the case that falls under any of the following items, the permission set forth in Article 4, paragraph (1) or (2) ceases to be effective:
- (i) when the permission pertaining to building a boat is granted, but the boat is not completed within one year from the date the permission was given;
 - (ii) when the permission for Remodeling the boat is granted, but the Remodeling work is not completed within six months from when the date the permission was given;
 - (iii) when the permission pertaining to converting the boat is granted, but the conversion is not started within two months from the date of the permission;
 - (iv) when, in the case of an event referred to in Article 4, paragraph (7), a permission under paragraph (1) or (2) of said Article is newly given; or
 - (v) when the fishery in which the Powered Fishing Boat pertaining to the permission engages falls under the fishery set forth in Article 4, paragraph (1), item (i) or (ii), and the approval of business commencement for said fishery has lapsed or has been rescinded, or a permission or any other disposition for said fishery has been rescinded.
- (2) When the Minister of Agriculture, Forestry and Fisheries or the prefectural governor finds that there are unavoidable reasons thereof, said Minister or governor may extend the period set forth in items (i) through (iii) of the preceding paragraph upon application by the person who obtained the permission set forth in Article 4, paragraph (1) or (2).

(Rescission of Permission)

- Article 7 (1) When the person who obtained the permission set forth in Article 4, paragraph (1) or (2) violates the provisions of paragraph (6) of said Article, the

Minister of Agriculture, Forestry and Fisheries or the prefectural governor may rescind said permission.

- (2) The proceedings for the date of the hearing pertaining to rescission of permission under the preceding paragraph must be open to the public.

(Certification after Completion of Work)

Article 8 The person who obtains permission for building or Remodeling pursuant to Article 4 must, when the Powered Fishing Boat pertaining to said permission or Remodeling work is completed, obtain certification from the Minister of Agriculture, Forestry and Fisheries or the prefectural governor with regard to whether the Fishing Boat satisfies the requirements for the permission and standards for performance set forth in paragraph (3), items (iii) through (viii) of said Article, as provided for by Ordinance of the Ministry of Agriculture, Forestry and Fisheries or prefectural ordinance; provided, however, this does not apply to Powered Fishing Boats with a planned gross tonnage of less than 5 tons.

(Designated Certifying Agency)

- Article 9 (1) The Minister of Agriculture, Forestry and Fisheries or the prefectural governor may delegate a person (hereinafter referred to as a "Designated Certifying Agency") to perform all or part of the authorization under the preceding Article (hereinafter referred to as "Certification").
- (2) When the Minister of Agriculture, Forestry and Fisheries or the prefectural governor decides to delegate all or part of the process of Certification to a Designated Certifying Agency pursuant to the preceding paragraph, said agency is not to partake in all or part of the operations of Certification.

Chapter III Registration of Fishing Boats

(Registration of Fishing Boat)

- Article 10 (1) A Fishing Boat (excluding a Powered Fishing Boat with a gross tonnage of less than 1 ton) may not be used as a Fishing Boat unless its owner has it registered in the fishing boat registry kept by the prefectural governor having jurisdiction over the main base of the Fishing Boat.
- (2) The person who intends to register a Fishing Boat under the preceding paragraph must submit a written application stating the following information to the prefectural governor:
- (i) the name and address of the applicant;
 - (ii) the name of the boat;
 - (iii) the gross tonnage;
 - (iv) the length, breadth, and depth of the boat;

- (v) the hull material;
- (vi) the launch date;
- (vii) the name and location of the shipyard;
- (viii) the type and output of the propulsion engine;
- (ix) the type of radio wave and antenna power;
- (x) the name and address of the user of the Fishing Boat;
- (xi) the main base;
- (xii) the type of fishery or usage; and
- (xiii) the cause for registration, such as the building or acquisition of a Fishing Boat.

(3) The prefectural governor may require the applicant set forth in the preceding paragraph to submit a document proving that the permission was granted set forth in Article 4, paragraph (1) or (2) (including the permission for change set forth in paragraph (6) of said Article) and other necessary documents concerning registration.

(Standards for Registration)

Article 11 The prefectural governor must perform the registration set forth in paragraph (1) of the preceding Article, except where the case falls under any of the following items:

- (i) when the Fishing Boat to which the application is being made needs to obtain permission pursuant to Article 4, paragraph (1), (2), or (6), but the permission has not been obtained, or the Fishing Boat violates the requirements for obtaining the permission;
- (ii) when the fishery in which the Fishing Boat pertaining to the application falls under the category of fishery as set forth in Article 5, item (iii), but the approval of business commencement, a permission, or any other disposition for said fishery has not been obtained;
- (iii) if the Fishing Boat pertaining to the application is a Powered Fishing Boat that requires Certification pursuant to Article 8, but the Certification has not been obtained;
- (iv) if the Fishing Boat pertaining to the application is one for which its registration was rescinded pursuant to Article 19, item (iii); or
- (v) if any facts pertaining to the application is false.

(Delivery of Registration Card)

Article 12 (1) When the prefectural governor performs the registration set forth in Article 10, paragraph (1), said governor must deliver a registration card to the applicant.

(2) When the person who receives the issued registration card pursuant in the preceding paragraph cannot operate the Fishing Boat, that person must give

the registration card to the person who is to operate the Fishing Boat without delay.

- (3) When the owner of a registered Fishing Boat who has lost or damaged a registration card files an application to reissue another one, the reason must be, indicated. The prefectural governor must then deliver the registration card to the applicant.

(Validation of Registration Card)

Article 13 A person who receives the delivered registration card pursuant to paragraph (1) of the preceding Article or Article 17, paragraph (3) must, when five years have passed from the date of the delivery, receive a validation from the prefectural governor in regards to the registered Fishing Boat and the registration card, as provided for by Ordinance of the Ministry of Agriculture, Forestry and Fisheries. The same applies when five years have passed from the date of validation.

(Designated Validating Agency)

- Article 14 (1) The prefectural governor may delegate a person (hereinafter referred to as a "Designated Validating Agency") to perform all or part of the validation under the preceding Article (hereinafter referred to as "Validation").
- (2) When the prefectural governor decides to delegate all or part of the operations of Validation to a Designated Validating Agency pursuant to the preceding paragraph, said governor is not to perform all or part of the operations of the Validation.

(Keeping of Registration Card)

Article 15 When the user of a Fishing Boat navigates or operates a Fishing Boat, said person must keep the registration card set forth in Article 12 on board the Fishing Boat; provided, however, this does not apply when there are justifiable grounds not to do so as specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries.

(Indication of Registration Number)

Article 16 When the user of a Fishing Boat receives delivery of the registration card pursuant to Article 12, paragraph (1), said person must indicate the registration number stated in the registration card on the Fishing Boat without delay, except in the case referred to in paragraph (2) of said Article. The same applies to the user of a Fishing Boat who receives a registration card pursuant to said paragraph.

(Change in Registration)

- Article 17 (1) The owner of a Fishing Boat registered under Article 10, paragraph (1) must file an application for registration of the change with the prefectural governor who performed the registration if there is a change to any of the matters set forth in paragraph (2), items (i) through (iv) and items (viii) through (xii) of said Article with regard to the Fishing Boat, while indicating the reason therefor, within two weeks from the date on which the change occurred (in the case referred to in paragraph (2), the date of receiving the notice set forth in said paragraph).
- (2) If the owner of a Fishing Boat registered under Article 10, paragraph (1) is not the user of the Fishing Boat, and there is a change to any of the details set forth in paragraph (2), items (viii) through (xii) of said Article with regard to the Fishing Boat, the user must give notice to that effect to the owner without delay.
- (3) When the application set forth in paragraph (1) is filed, the prefectural governor must register the change in the fishing boat registry and deliver a renewed registration card, except in the cases referred to in the items of Article 11.

(Invalidation of Registration)

- Article 18 (1) In the following cases, the registration of a Fishing Boat ceases to be valid:
- (i) when the registered Fishing Boat is no longer a Fishing Boat;
 - (ii) if the registered Fishing Boat has been lost, sunk, or scrapped;
 - (iii) if the whereabouts of the registered Fishing Boat is unknown for three months;
 - (iv) when the ownership of the registered Fishing Boat is transferred;
 - (v) when the main base of the registered Fishing Boat is changed to a port outside the jurisdiction of the prefecture under which the prefectural governor had performed the registration; or
 - (vi) when the owner of the registered Fishing Boat dies, and the business is dissolved or split up (limited to a case involving the succession of the Fishing Boat).
- (2) In the case referred to in item (vi) of the preceding paragraph, if the heir, the corporation established by or surviving the merger, or the corporation succeeding to the registered Fishing Boat as a result of the split, files an application for registration pursuant to Article 10 within one month from the date of death, dissolution, or split, until a disposition on the registration is made in response thereto, the registration performed for the decedent, the corporation dissolved by the merger, or the split corporation and the registration card delivered to such person is to remain effective, and said registration and the registration card is to be deemed to have been processed or

delivered to the applicant thereof.

(Rescission of Registration)

Article 19 When a Fishing Boat registered under Article 10, paragraph (1) falls under any of the following items, the prefectural governor may rescind the registration. In this case, the provisions of Article 7, paragraph (2) is to apply *mutatis mutandis*:

- (i) when the Fishing Boat is Remodeled in violation of Article 4;
- (ii) when the Fishing Boat fails to receive validation in violation of Article 13;
- or
- (iii) when the Fishing Boat is found to be incapable of being used as a Fishing Boat due to age, condition, etc..

(Return of Registration Card and Removal of Registration Number)

Article 20 (1) In the following cases, the owner of a Fishing Boat must return the registration card to the prefectural governor who performed the registration without delay; however, the registration card need not be returned if there are justifiable grounds for not being able to return the registration card and the owner makes a notification to that effect to the prefectural governor, while indicating the reason thereof:

- (i) when the registration ceases to be valid pursuant to Article 18; or
 - (ii) when the registration is rescinded pursuant to the preceding Article.
- (2) In the cases referred to in the items of the preceding paragraph, if the owner of the Fishing Boat is no longer the user of the Fishing Boat, the user must return the registration card to the owner without delay.
- (3) In the cases referred to in the items of paragraph (1), the owner of the Fishing Boat (if the owner of the Fishing Boat is not the user thereof, the user) must remove the registration number indicated on the Fishing Boat pursuant to Article 16 without delay.

(Delivery of Certified Copy of Registration)

Article 21 Any person may request the prefectural governor to deliver a certified copy of the registration of a Fishing Boat.

(Exemption from Application of the Ship Act)

Article 22 With regard to Fishing Boats, orders issued under Article 21 of the Ship Act (Act No. 46 of 1899) (excluding the portions concerning the gross tonnage measure of the boat and the marking of the name of the boat) does not apply.

(Submission of Duplicate Copy of Fishing Boat Registry, etc.)

Article 23 The Minister of Agriculture, Forestry and Fisheries may have the prefectural governor submit a duplicate copy of the fishing boat registry and request said governor to provide statistics concerning registration or other necessary reports concerning registration.

(Delegation to Ordinance of the Ministry of Agriculture, Forestry and Fisheries)

Article 24 In addition to what is provided for in this Act, necessary matters concerning the registration of Fishing Boats are to be prescribed by Ordinance of the Ministry of Agriculture, Forestry and Fisheries.

Chapter IV Inspections concerning Fishing Boats

(Requested Inspection)

Article 25 (1) When the Minister of Agriculture, Forestry and Fisheries receives a request for an inspection on the following items concerning a Fishing Boat from the owner of the Fishing Boat (including a person who receives the permission set forth in Article 4, paragraph (1) or (2)), said Minister performs the inspection at the time specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries during the design and work period and the time of completion of the Fishing Boat or completion of the Remodeling work:

- (i) the hull;
- (ii) the engine;
- (iii) fishing equipment;
- (iv) equipment for preserving or processing the catch.
- (v) electrical equipment; and
- (vi) navigational instruments and equipment.

(2) In the case specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries, the inspection during the design and work period may be omitted, notwithstanding the provisions of the preceding paragraph.

(3) In the inspection referred to in paragraph (1), the compliance or non-compliance of the design, materials, work, and performance with the technical standards specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries is inspected.

(4) The Minister of Agriculture, Forestry and Fisheries may listen to the opinions of the Fisheries Policy Council when setting the technical standards set forth in the preceding paragraph.

(Inspection Result)

Article 26 As a result of the inspection at the time of the completion of the Fishing Boat or completion of the Remodeling work set forth in paragraph (1)

or the inspection of all the issues set forth in paragraph (1) of said Article, if the Minister of Agriculture, Forestry and Fisheries finds that that the Fishing Boat complies with the technical standards set forth in paragraph (3) of said Article, said Minister must deliver to the applicant an inspection certificate proving that the Fishing Boat passed the inspection, however if it is found that the Fishing Boat fails to comply with the technical standards, said Minister must deliver to the applicant a written report of the inspection results stating the issues that need to be fixed.

Chapter V Examinations concerning Fishing Boats

(Design and Examination Requests)

Article 27 Any person may request the Minister of Agriculture, Forestry and Fisheries to draw up a design or perform an examination concerning a Fishing Boat, the engine, machines, or any equipment for a Fishing Boat (hereinafter referred to as a "Fishing Boat, etc." in this Chapter).

(Model Designs)

Article 28 In order to contribute to the improvement and development of Fishing Boats, the Minister of Agriculture, Forestry and Fisheries is to set and publish model designs regarding Fishing Boats, etc.

Chapter VI Designated Certifying Agencies and Designated Validating Agencies

Section 1 Designated Certifying Agencies

(Designation of a Designated Certifying Agency)

Article 29 The designation set forth in Article 9, paragraph (1) is to be made upon application by a person who intends to conduct the Certification, as provided for by the Ordinance of the Ministry of Agriculture, Forestry and Fisheries.

(Disqualification)

Article 30 A person who falls under any of the following items may not receive the designation set forth in Article 9, paragraph (1):

- (i) a person who was punished and sentenced for violating this Act or any order issued under this Act, and for whom two years have not yet passed since said person served the sentence or no longer is subjected to serving the sentence;
- (ii) a person whose designation was rescinded pursuant to Article 44, paragraph (1), and for whom two years have yet to pass since the date of rescission; or

(iii) a corporation where any officials pursuing its business falls under either of the preceding two items.

(Standards for Designation)

Article 31 Unless the Minister of Agriculture, Forestry and Fisheries or the prefectural governor finds that an application for the designation set forth in Article 9, paragraph (1) complies with all of the following items, an appointment must not be made:

- (i) the Certification is to be carried out by persons having knowledge and experience that comply with the conditions specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries, and the number of those persons is the same or larger than the number specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries;
- (ii) in the case of a corporation, the composition of its officers or the members specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries according to the type of corporation is unlikely to impede the just operational procedures for the Certification;
- (iii) in addition to what is provided for in the preceding item, the application complies with the standards specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries for ensuring that the process of Certification is not to be unjust;
- (iv) the applicant has the financial assets required for the proper and smooth process for the Certification; and
- (v) the designation is not to impede the proper and smooth operating procedures of the Certification process pertaining to the application.

(Public Notice of Designation, etc.)

Article 32 (1) When the Minister of Agriculture, Forestry and Fisheries or the prefectural governor makes the designation set forth in Article 9, paragraph (1), said Minister or governor must give public notice of the name and address of the Designated Certifying Agency and the location of the office that processes the Certification.

- (2) When a Designated Certifying Agency intends to change its name, address or the location of the office that handles the process of Certification, it must make a notification to that effect to the Minister of Agriculture, Forestry and Fisheries or the prefectural governor within two weeks, prior to the date on which the change is to be made.
- (3) When a notification under the preceding paragraph is made, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor must give public notice to that effect.

(Renewal of Designation)

Article 33 (1) The designation set forth in Article 9, paragraph (1) ceases to be effective with the passage of a period of five years or more but no more than ten years as specified by Cabinet Order, unless it is renewed by the end of every such period.

(2) The provisions of Articles 29 through 31 must apply mutatis mutandis to the renewal of the designation set forth in the preceding paragraph.

(Method of Certification)

Article 34 When a Designated Certifying Agency processes a Certification, it must have the person prescribed in Article 31, item (i) carry out the Certification.

(Obligation of Certification)

Article 35 When a Designated Certifying Agency is requested to authorize a Certification, it must process the Certification without delay, unless there are justifiable grounds not to do so.

(Reporting)

Article 36 When a Designated Certifying Agency issues a Certification, it must make a report to the Minister of Agriculture, Forestry and Fisheries or the prefectural governor, as provided by Ordinance of the Ministry of Agriculture, Forestry and Fisheries.

(Operational Rules)

Article 37 (1) A Designated Certifying Agency must set rules on the process of Certification (hereinafter referred to as the "Operational Rules") and obtain the approval of the Minister of Agriculture, Forestry and Fisheries or the prefectural governor. The same applies when making changes to the Operational Rules.

(2) The matters to be provided for in the Operational Rules are to be specified by Ordinance of the Minister of Agriculture, Forestry and Fisheries.

(3) When the Minister of Agriculture, Forestry and Fisheries finds that the Operational Rules which said Minister has approved under paragraph (1) becomes inappropriate for the fair process for a Certification, said Minister may order the Designated Certifying Agency to make changes to the Operational Rules.

(Bookkeeping)

Article 38 A Designated Certifying Agency must, pursuant to the provisions of Ordinance of the Ministry of Agriculture, Forestry and Fisheries, prepare the

books, enter the matters specified by Ordinance of the Ministry of Agriculture, Forestry and Fisheries with regard to Certification therein, and archive such books.

(Inquiries)

Article 39 A Designated Certifying Agency may make inquiries to the Minister of Agriculture, Forestry and Fisheries or the prefectural governor regarding necessary details for the proper regulation in processing the Certification. In this case, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor is to give notice of details on which inquiries have been made and take in any other necessary measures

(Suspension or Discontinuance of Operations)

Article 40 (1) When a Designated Certifying Agency intends to suspend or discontinue all or part of the operations of Certification, it must make a notification to that effect to the Minister of Agriculture, Forestry and Fisheries or the prefectural governor in advance, as provided for by Ordinance of the Ministry of Agriculture, Forestry and Fisheries.

(2) When a notification under the preceding paragraph is made, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor must give public notice to that effect.

(Dismissal Order)

Article 41 When the person prescribed in Article 31, item (i) violates this Act, an order issued under this Act or the Operational Rules, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor may order the Designated Certifying Agency to dismiss the person prescribed in said item.

(Duty of Confidentiality, etc.)

Article 42 (1) An officer or employee of a Designated Certifying Agency or a person who held such a position formerly must not divulge any confidential information that said person obtains with regard to the process of Certification.

(2) An officer or employee of a Designated Certifying Agency who is engaged in the operations of Certification is to be deemed to be an official engaged in public service pursuant to laws and regulations, with regard to the application of the Penal Code (Act No. 45 of 1907) and any other penal provisions.

(Compliance Order)

Article 43 When the Minister of Agriculture, Forestry and Fisheries or the prefectural governor finds that a Designated Certifying Agency no longer complies with the provisions of Article 31, items (i) through (iv), said person

may order the Designated Certifying Agency to take the necessary measures in complying with these provisions.

(Rescission of Designation, etc.)

Article 44 (1) When a Designated Certifying Agency falls under any of the following items, the Minister of Agriculture, Forestry and Fisheries or the prefectural governor may rescind the designation thereof or order the suspension of all or part of the operations of Certification for a specified period of time:

- (i) if the Designated Certifying Agency violates any of the provisions of this Section;
- (ii) when the Designated Certifying Agency falls under Article 30, item (i) or (iii);
- (iii) when the Designated Certifying Agency processed a Certification without complying with the Operational Rules approved under Article 37, paragraph (1);
- (iv) when the Designated Certifying Agency violates an order under Article 37, paragraph (3), Article 41, or the preceding Article; or
- (v) when the Designated Certifying Agency receives the designation set forth in Article 9, paragraph (1) through wrongful means.

(2) When the Minister of Agriculture, Forestry and Fisheries or the prefectural governor rescinds the designation or orders the suspension of all or part of operations of Certification pursuant to the preceding paragraph, said Minister must give public notice to that effect.

(Performance of Operations of Certification by the Minister of Agriculture, Forestry and Fisheries or the Prefectural Governor)
